

February 25, 2019

Dear Friends,

On Tuesday, February 19, 2019, the Department of Conservation and Recreation (DCR) held a public meeting with the New Charles River Basin Citizens Advisory Committee at EF Education First in Cambridge to present design plans for the Paul Revere Park Playground Improvement Project.

We encourage you to view the presentation shared at the meeting, posted on DCR's website at <https://www.mass.gov/dcr-public-meetings-information/events/past>.

If you have thoughts you would like to share with us about the playground design, they can be submitted online at <https://www.mass.gov/forms/dcr-public-comments> or by writing to the Department of Conservation and Recreation, Office of Public Outreach, 251 Causeway Street, 6<sup>th</sup> Floor, Boston, MA 02114. The public comments deadline is Monday, March 11, 2019. Please note that comments submitted to DCR may be posted on the DCR website in their entirety, and no information, including personal information, will be redacted.

Going forward, in late March or early April, DCR is planning to hold a second public meeting, again in the forum provided by the New Charles River Basin Citizens Advisory Committee, to present the final design and construction plans for the Paul Revere Playground Improvements Project. As a recipient of this letter, you will receive advance notice of that public meeting.

We appreciate your ongoing interest and support for the many natural, recreational, and cultural resources found within the Charles River Reservation.

Sincerely,

Leo P. Roy  
Commissioner
