

Wachusett Reservoir Watershed

Monarch Blitz

Saturday, July 29, 8:30am-9:30am

Wachusett Reservoir North Dike

Help monitor Monarch Butterflies for the [International Monarch Monitoring Blitz](#)!

Join Education and Wildlife Staff to hear about the importance of Monarch butterflies and the challenges that they face during a morning milkweed search.

Identify monarch eggs, caterpillars, and butterflies on a survey of the pollinator area. Please wear hiking shoes and long pants for protection.

No dogs allowed.

Meet at Wachusett Reservoir North Dike, Gate 36
GPS address 60 W Boylston Street (Route 110), Sterling.
