DCR Recreational Advisory: Connell Softball Field 1 at Stony Brook Reservation in Hyde Park

WHAT: Beginning on Monday, April 15, 2024, and continuing through Sunday, June 30, 2024, the Department of Conservation and Recreation (DCR) will close Connell Softball Field 1 at Stony Brook Reservation in Boston's Hyde Park neighborhood to accommodate a planned \$100,000 capital project that includes improvements to the field's outfield, infield, and restoration work on the team dugouts. The project will also increase universal access. Safety fencing will be erected around the work area.

For the duration of construction, the DCR has coordinated users to relocate their permitted play to nearby fields. Additionally, Connell Softball Field 2 will remain open for use.

WHERE: Connell Softball Field 1 at Stony Brook Reservation in Boston's Hyde Park neighborhood

WHEN: Monday, April 15, 2024 – Sunday, June 30, 2024
