## DCR Recreational Advisory: Cyanobacteria Bloom in Chicopee Reservoir

**WHAT:** The Department of Conservation and Recreation (DCR) is warning the public of a cyanobacteria bloom present in Chicopee Reservoir at Chicopee State Park in the City of Chicopee. During a bloom it is strongly advised that the public should not have contact with the water. Additionally, pet owners should keep their animals away from the shoreline to prevent them from ingesting the water. The waterbody will be retested until cyanobacteria levels are within acceptable limits per Department of Public Health (DPH) guidelines. For questions regarding cyanobacteria blooms, please contact the DPH at (617) 624-5757 or visit the agency's algae [webpage](#).

**WHERE:** Chicopee Reservoir at Chicopee State Park in the City of Chicopee

**WHEN:** Effective immediately – until further notice
