DCR Recreational Advisory: Evans Field in Boston

WHAT: Effective immediately, and continuing through Sunday, October 1, 2023, the Department of Conservation and Recreation (DCR) will close Evans Field in the City of Boston to accommodate turf renovation work on the soccer field and little league field, and infield renovation work on the little league field and softball field. Fencing will be erected around the work area. Additionally, the tennis courts and pickleball courts will remain open for use.

WHERE: Evans Field in the City of Boston

WHEN: Effective immediately – Sunday, October 1, 2023
