DCR Recreational Advisory: Lawton State Forest

What: Effective immediately and continuing until further notice, the Department of Conservation and Recreation (DCR) has closed Lawton State Forest north of Willis Road and west of Townsend Road in the Town of Athol, including interior forest roads, recreational trails and surrounding woodlands, to accommodate forest management work. The remainder of the park will be open to the public during this time.

Where: Lawton State Forest north of Willis Road and west of Townsend Road in the Town of Athol

When: Effective immediately – until further notice
