DCR Recreational Advisory: Lowell Memorial Park

- WHAT:** Beginning Monday, April 29, 2024, and continuing through Sunday, September 1, 2024, the Department of Conservation and Recreation (DCR) will close Lowell Memorial Park in the City of Cambridge to accommodate a \$1.2 million landscape rehabilitation project that will improve accessibility, preserve historic landscape character, and to add public amenities such as benches, lighting, and signage. DCR, in partnership with the City of Cambridge and the MBTA will close sidewalks on Fresh Pond Parkway (eastbound) and Mount Auburn Street (westbound), as well as the #71 and #73 MBTA bus stop on Mt Auburn Street (westbound). The park will be closed for the duration of the work and pedestrian detours will be clearly marked. For specific project information, view the project [webpage](#) and for questions, please reach out to mass.parks@mass.gov.
- WHERE:** Lowell Memorial Park in the City of Cambridge
