DCR Recreational Advisory: Mt. Tom Universal Access Trail Closure

WHAT: Effective immediately, and continuing through June 2024, the Department of Conservation and Recreation (DCR) will close the Universal Access Trail at Mt. Tom State Reservation for reconstruction and improvement work. In the meantime, users can find alternate DCR universal access trails at [Accessible trails | Mass.gov](#) or use other nearby accessible trails at [Mt. Tom North](#) in Easthampton (Kestrel Land Trust), [Arcadia](#) in Easthampton (Mass Audubon), and [Fort River Trail](#) at the Conte Refuge in Hadley (Kestrel Land Trust). Trail users looking for more information should email mass.parks@mass.gov.

WHERE: Mt. Tom State Reservation

WHEN: Effective immediately – June 2024
