## DCR Recreational Advisory: Red Bridge Pond State Park

**WHAT:** Effective immediately and continuing until further notice, the Department of Conservation and Recreation (DCR) will close all park areas and facilities, including the parking area and canoe launch at Red Bridge Pond State Park in the Town of Ludlow due to an accident at the nearby Red Bridge hydropower facility. Additionally, the Red Bridge Landing fisherman access (above the dam) is open with two cartop and five trailer spaces available, no on-street parking is allowed. DCR and the Department of Fish and Game (DFG) encourage people to use caution in the area and check the DCR park alerts [webpage](#) and DFG [webpage](#) for updates.

**WHERE:** Red Bridge Pond State Park in the Town of Ludlow

**WHEN:** Effective immediately, until further notice
