DCR Recreational Advisory: Sullivan Park

WHAT: Effective immediately and continuing through August 2024, the Department of Conservation and Recreation (DCR) will be conducting work to build Sullivan Park in Revere, where there is currently an empty lot at the corner of Revere Beach Boulevard and Revere Street. Due to the construction, the parking lot and sidewalk access at the front of the park area will be closed. Parking restrictions and pedestrian detours will be posted in advance of the work.

WHERE: Sullivan Park in Revere

WHEN: Effective immediately – August 2024
