DCR Recreational Advisory: Walden Pond State Reservation

WHAT: On Monday, January 20, 2025, the Department of Conservation and Recreation (DCR) will begin construction of the bathhouse at Walden Pond State Reservation in the Town of Concord. Fencing will be erected around the construction area starting on Monday, January 20, and the path from Walden Street to the main beach may be closed periodically to accommodate this work. The project is expected to be completed in fall 2025.

WHERE: Walden Pond State Reservation in the Town of Concord

WHEN: Monday, January 20, 2025 – fall 2025
