# **PUBLIC MEETING**

## **DCR-Town of Brewster Trail Connection Project**

**Wednesday, June 6, 2018 - 6:30 p.m. - 8:00 p.m.**

**Town Hall, Conference Room A**

**2198 Main Street, Brewster, MA 02631**

At this public meeting, the Massachusetts Department of Conservation and Recreation (DCR) and the Town of Brewster will present the final design for a multi-use pathway connector extending from the Cape Cod Rail Trail to Cape Cod Bay. The meeting will include an opportunity for questions-and-answers.

This is the second public meeting on this project, a follow-up to one held in late fall of 2017 at which preliminary design concepts for the pathway were presented. Public comments were provided both during that meeting, as well as during a subsequent comment period.

The presentation that will be shared at the public meeting on June 6 will be available for viewing on DCR's website shortly after the meeting at <https://www.mass.gov/service-details/materials-from-past-meetings>.
