Career Plan

Step-by-step support for each stage of your career.

The screenshot displays the 'Career Plan' interface. At the top, a dark blue navigation bar contains the 'CIS' logo and links to 'My Dashboard', 'Career Plan' (highlighted), 'Self-Surveys', 'Careers', 'Education', and 'Employment'. On the left, a green sidebar menu lists various activities: 'Prepare' (expanded), 'Careers', 'Job Shadow Guide', 'Informational Interview Guide', 'My Financial Plan', 'Set Goals', 'Facing Obstacles', 'Job Search Action Plan', 'My Network', 'Resume', and 'Cover Letter'. The main content area features a green header bar with 'Prepare' and a red profile icon. Below this is a progress indicator showing '3 of 10' and 'Informational Interview Guide' with a '10%' completion circle. The title 'Informational Interview Guide' is followed by a paragraph explaining the purpose of informational interviews. A 'Save your work' button is present. An 'Instructions' section provides guidance on scheduling an interview. The bottom section, titled 'Step 1: Select and contact individuals and schedule your interview', contains a form with fields for 'Informational Interview Contact:', 'Career:', 'Phone Number:', and 'Email:'.

Informational Interview Guide

You have completed several career assessments, explored a variety of careers, and learned about their preparation requirements. Now, it's time to conduct some in-depth research on a few select careers that interest you most through informational interviews. You will contact people who work in those careers to gain more detailed or personalized information on a career you may enter down the road.

Save your work before you move away from this activity.

Instructions

Follow the steps to schedule and complete an informational interview.

Schools

Explore over 5,000 school options that are both local and national. Research information about schools of interest, admissions, application process, paying, financial aid, available programs of study, student life, and much more.

Program of Study

A program of study is a group of courses that leads to a diploma, certificate, or college degree. Explore over 650 programs of study or search your interests to see which program might be a fit. Review the program description, how to prepare, potential courses, and which schools and scholarships might apply.

Scholarships

Learn about options to help you pay for school. Search over 2,700 scholarships that are both local and national. Search by category of scholarship and learn about the application process and timeline.

Employment

Your resume and cover letter work together to make you stand out to potential employers. But, taking a lot of information and condensing it into a format that is eye-catching and easy to read can be daunting. When you use the resume and cover letter builders, creating professional job search tools can be fun, rewarding, and easier than you think!

Resume Builder

Create a resume by adding your qualifications, education, experiences, and more into the resume builder. Select from one of the template styles and export your resume into a word or pdf format. You will be ready to apply in no time.

Cover Letter Builder

While your resume shows that you are qualified for a position, a cover letter explains why you are the best fit for the job. It gives you an opportunity to explain why you are interested in the job, provide specific examples of your abilities, and request an interview. The cover letter builder helps you create your document in an easy way, then export it to apply for jobs.

US National Labor Exchange

Explore current job openings that are both local and nation wide using this robust resource.
