Subject: **MOSES Version 41.6 To Be Released on Wednesday, September 2, 2026.**

Purpose: To notify Local MassHire Workforce Boards, MassHire Career Center Operators and other local workforce partners that MOSES 41.6 is scheduled for release on Wednesday, September 2, 2026.

Background: The MOSES staff view application and TrainingPro will be shut down at 4:00 p.m. on Tuesday, September 1, 2026, for ongoing maintenance of the MOSES software and TrainingPro.

This will NOT interrupt other IT services or functions to the offices (e.g. email, unemployment services, internet access), only applications related to MOSES will be taken off-line for the duration of the maintenance. These include MassHire JobQuest, TrainingPro, and Crystal Reports/Report Viewer reports utilizing the MOSES database.

Please plan on completing and saving your MOSES data entry by 4:00 p.m. on Tuesday, September 1, 2026, and then log off and close MOSES. This will ensure that when you log into MOSES on your next workday, you will have the new version of MOSES available, and any work done prior will be saved.

The MOSES build is planned to be released Wednesday, September 2, 2026.
