Subject: **WIOA Joint Data Validation Overview – WorkforceGPS Webinar**

Purpose: To notify MassHire Workforce Boards, MassHire Career Centers and other local workforce partners of the [WIOA Joint Data Validation Overview](#) webinar offered through WorkforceGPS scheduled for Wednesday, February 6th from 1:00 – 2:00.

Background: The Workforce Innovation and Opportunity Act (WIOA) performance accountability team from the U.S. Departments of Labor and Education (the Departments) will discuss the recently published joint guidance on data validation.

On December 19, 2018, the Departments published the guidelines states must use in developing procedures for ensuring the data submitted are valid and reliable—in short, data validation guidance. In this webinar, the Departments will address questions from state agencies related to the development of their data validation framework. Likewise, this webinar is also an opportunity for state agencies to share their data validation challenges and solutions with their colleagues.

An account is required before registering for a WorkforceGPS event. Click [here](#) to create a free account.

Action

Requested: Please share with managers, staff and partners as appropriate.
