Date: September 30, 2019

Subject: **Partnering with Conservation Corp for Out-of-School Youth & Young Adult Outcomes – WorkforceGPS Webinar**

Purpose: To notify MassHire Workforce Boards, MassHire Career Center Operators and other workforce partners of a webinar – [Partnering with Conservation Corp for Out-of-School Youth & Young Adult Outcomes](#) available through US DOL/ETA WorkforceGPS.

Background: [WorkforceGPS](#) is a free, online technical assistance website created to help build the capacity of America's public workforce investment system. Sponsored by the Employment and Training Administration of the U.S. Department of Labor, it was developed specifically for workforce professionals, educators, and business leaders.

This Webinar will provide examples of how Workforce Development Boards and Conservation Corps are partnering in employment, training, education and placement programming for Opportunity Youth and young adults.

The Division of Youth Services and the Corps Network will share promising practices they've found when corps and workforce development boards collaborate to prepare Out-of-School Youth for careers. Also, attendees will hear how corps and local Workforce Development Boards have partnered in developing innovative program models that successfully provide enrollment opportunities and program outcomes for out-of-school youth and young adults.

The webinar is scheduled for **Thursday, October 10th from 2:00 – 3:30**. Registration for this event is limited and seating is on a first-come, first-served basis.

Action

Requested: Please share with management, staff and partners as appropriate.
