---

**Purpose:** To notify MassHire Workforce Boards, MassHire Career Center Operators and other workforce partners about an Apprenticeship learning opportunity.

**Background:** Registered Apprenticeship (RA) is a training and employment model that produces highly skilled workers to meet the demands of employers competing in a global economy. RA ensures authentic, applied learning by combining on-the-job learning with theoretical and practical classroom instruction to prepare exceptional workers.

MassHire DCS is hosting “Apprenticeship 101” for practitioners with limited knowledge or experience with the model. Participants will learn about the core elements of an apprenticeship program and about the strategies in place in the Commonwealth to expand the apprenticeship model, which has been successful

in construction and trade for decades, to non-traditional industries such as healthcare, manufacturing and tech.

**Webinar Date:**

Thursday, February 27<sup>th</sup> – 10 a.m. to 11 a.m.
