Subject: **SNAP E&T National Work Forum – Virtual for 2020**

Purpose: To notify MassHire Workforce Boards, MassHire Career Center Operators and other workforce partners that the [Supplemental Nutrition Assistance Program \(SNAP\) Employment and Training \(E&T\) Work Forum](#) will be held virtually for 2020.

Background: After careful consideration of the public health situation, the U.S. Department of Agriculture's (USDA) Food and Nutrition Service (FNS) has made the decision to shift the Supplemental Nutrition Assistance Program (SNAP) Employment and Training (E&T) National Work Forum event to an all-virtual experience.

They will bring all of the same terrific content to participants and create a virtual conference environment that enables states and their partners to share and learn best practices and success stories about E&T programs from across the country that are moving people forward.

If you have registered to attend in person or are undecided, your registration will be changed to virtual. No further action is needed. Additional information about the Forum will be posted to the conference website in the coming weeks.
