Subject: **Work-Based Learning State Best Practices – WorkforceGPS Webinar**

Purpose: To notify MassHire Workforce Boards, MassHire Career Center Operators, and other local workforce partners of the WorkforceGPS webinar: [Work-Based Learning State Best Practices](#). The webinar is scheduled for Tuesday, March 16th from 2:00 – 3:30.

Background: Work-based learning is a great option for trade-affected workers because it combines employment and training. This allows workers to earn wages while training and limit their period of unemployment. Developing a robust work-based learning strategy can be a challenge. This webinar is a best-practices presentation by states on what they have done to address this.

WorkforceGPS is an online technical assistance website created to help build the capacity of America's public workforce investment system. Sponsored by the Employment and Training Administration of the U.S. Department of Labor, WorkforceGPS was developed specifically for workforce professionals, educators, and business leaders. WorkforceGPS is free but does require account registration.
