Purpose: To notify MassHire Workforce Boards, MassHire Career Center Operators, and other workforce partners of a webinar hosted by the Department of Labor Veterans' Employment and Training Service (DOL VETS) titled **Using Registered Apprenticeship to Attract, Train, and Retain Veteran Talent** on Thursday, November 17, 2022 from 2:00 pm - 3:00pm

Background: The Department of Labor Veterans' Employment and Training Service (DOL VETS) is hosting a webinar in support of National Apprenticeship Week that will highlight three employers who are utilizing the Registered Apprenticeship model to attract, train, and retain veterans.

Webinar attendees will learn how **Adaptive Construction Solutions, McCarthy Holdings, and Amazon Web Services** have structured their programs, how they are using federal and state funding to reduce costs, to include WIOA, DOL grants

and the VA VET TEC program, and how they are engaging with the workforce system and other resources to diversify their employees.

VETS will highlight their Regional Veteran Employment Coordinators and how they assist employers who want to find and hire veterans, and the DOL Office of Apprenticeship will share the steps needed to register an apprenticeship program of your own.
