Subject: Department of Labor Programs and Funding Opportunities in 2023 Webinar

Purpose: To notify MassHire Workforce Boards, MassHire Career Center Operators and other workforce partners of a webinar offered by the Department of Labor (DOL) regarding funding opportunities and the application process. The purpose of this webinar is to broaden awareness of, and access to, DOL funding opportunities by combining outreach efforts across DOL agencies. By featuring leadership or representatives from all grant-making agencies, the webinar aims to demystify the application process.

Background: On Tuesday, February 28, 10:00 – 11:00 a.m. DOL is hosting another DOL Grants Webinar that is open to the public and features representatives from each grant-making agency:

Employment and Training Administration (ETA)
Bureau of International Labor Affairs (ILAB)
Women's Bureau (WB)
Veterans' Employment and Training Service (VETS)
Mine Safety and Health Administration (MSHA)
Occupational Safety and Health Administration (OSHA)
Office of Disability Employment Programs (ODEP), and
Assistant Secretary for Policy (ASP).

Agency speakers will provide a high-level, narrative overview of the current grant programs they administer.
