Subject: **Co-Enrollment: Beyond Promising Practices to Strategic Results –
WorkforceGPS Webinar**

Purpose: To notify MassHire Workforce Boards, MassHire Career Center Operators, and other workforce partners of an upcoming WorkforceGPS webinar:
Co-Enrollment: Beyond Promising Practices to Strategic Results,
Wednesday, September 13th from 2:00 – 3:30.

Background: Seven of Tennessee's nine Local Workforce Development Areas (LWDA) meet or exceed the required federal co-enrollment goal for Title I Dislocated Worker and Trade Adjustment Assistance. Peer states will learn about Tennessee's mix of different strategies that have become best practices that allow the state to celebrate its co-enrollment outcomes. Encourage attendance from workforce system partners from Workforce Innovation and Opportunity Act (WIOA), Wagner-Peyser, Unemployment Insurance (UI), and from the local area American Job Centers (AJC).

The event will cover:

- Mandate performance targets for local area contracts
- Address co-enrollment noncompliance as a finding
- Take proactive steps to minimize risks associated with reporting lags
- Establish additional performance indicators for Trade and WIOA
- Drive accuracy by soliciting local areas' input and feedback
- And More

WorkforceGPS is an online technical assistance website created to help build the capacity of America's public workforce investment system. Sponsored by the Employment and Training Administration of the U.S. Department of Labor, WorkforceGPS was developed specifically for workforce professionals, educators, and business leaders. WorkforceGPS is free but does require account registration.
