Subject: **CareerOneStop Tools for Older Job Seekers - WorkforceGPS Webinar**

Purpose: To notify MassHire Workforce Boards, MassHire Career Center Operators, and other workforce partners of an upcoming WorkforceGPS webinar:
CareerOneStop Tools for Older Job Seekers, Thursday, May 16th, 1:00 – 2:30.

Background: Older job seekers require up-to-date information and confidence to job search effectively. Learn how to leverage the CareerOneStop website to help participants assess their options and navigate the job market. At this webinar, attendees learn about resources to help older job seekers explore career ideas that build from their experience, learn how to refresh their qualifications, and ensure their job search reflects current resume writing and job application methods.

CareerOneStop.org is a comprehensive career, education, and job search website. The website offers tools, resources, and information to help users explore careers, make education and training decisions, search for jobs locally or nationally, and find local assistance, including their closest American Job Center.

An equal opportunity employer/program.

Auxiliary aids and services are available upon request to individuals with disabilities.

CareerOneStop is widely used by job seekers, students, businesses, and workforce professionals. CareerOneStop offers specialized information for individuals who may experience age bias in the workplace. The site provides tools and information to help these job seekers assess their options and navigate the job market.

At this webinar, attendees learn about resources to help older job seekers explore career ideas that build from their experience, learn how to refresh their qualifications, and ensure their job search reflects current resume writing and job application methods. Users can also find senior employment programs in every state on the SCSEP Program Finder and gain insight into how to present their qualifications effectively. We'll also demonstrate how to save career assessments and job searches to the new user account system.

Join to learn about how to leverage CareerOneStop with customers to find careers, education and training options, and job search successfully. Sponsored by the U.S. Department of Labor, CareerOneStop is available at no cost.

WorkforceGPS is an online technical assistance website created to help build the capacity of America's public workforce investment system. Sponsored by the Employment and Training Administration of the U.S. Department of Labor, WorkforceGPS was developed specifically for workforce professionals, educators, and business leaders. WorkforceGPS is free but does require account registration.
