Subject: **Apprenticeship Recruitment Announcement – Heat & Frost Insulators**

Purpose: To notify MassHire Workforce Boards, MassHire Career Center Operators, and other local workforce partners of a collaborative effort between MassHire Department of Career Services (MDCS) and Department of Apprenticeship Standards (DAS) to provide employment services to clients interested in registered apprenticeship opportunities.

Background: Aided in part by grant funds from the US Department of Labor, Massachusetts MDCS and DAS have partnered in an effort to increase registered apprenticeship across the State in traditional and non-traditional industries and among underrepresented populations. MDCS and DAS will share periodically recruitment opportunities with workforce partners so that MassHire Career Center and partner staff have information to offer customers interested in pre-apprenticeship and registered apprenticeship opportunities.
