## OVERVIEW OF WIOA TITLE I AND TITLE III WAGNER-PEYSER FISCAL YEAR 2023 ALLOCATIONS

### A. NATIONAL-TO-STATE WIOA TITLE I AND WAGNER-PEYSER ALLOTMENTS

Massachusetts receives program funding allotments through the U.S. Department of Labor's Employment and Training Administration (DOLETA). In accordance with the Workforce Innovation and Opportunity Act (WIOA), the U.S. Department of Labor (DOL) posted a Federal Register Notice on May 12, 2022 announcing the WIOA Title I and Wagner-Peyser program allotments to the states for July 1, 2022 – June 30, 2023, federal Program Year (PY) 2022. The period from July 1, 2022 – June 30, 2023 is also the State Fiscal Year 2023, and all further references will use the fiscal year (FY 2023) designation.

The U.S. Department of Labor, Employment and Training Administration (ETA) issued Training and Employment Guidance Letter (TEGL) 9-21 on May 6, 2022 that provided the state program allotments for FY 2023 and a description of the federal allotment process. The program allotments for Title I Adult, Youth, and Dislocated Worker, and Title III Wagner-Peyser Employment Service are distributed to states as described below.

1. **WIOA Allocation Formula for Title I Adult and Youth:** A state's allotment of the total funds available for Adult and Youth are based on its share as determined by the factors described below. Each factor accounts for thirty-three and 1/3 percent of the formula as specified in WIOA:
  - a. **The relative number of unemployed individuals in Areas of Substantial Unemployment (ASU) for the 12-month period, July 1, 2020 through June 30, 2021, as prepared by States under the direction of the Bureau of Labor Statistics (BLS), compared to the total number of unemployed individuals in ASUs in all states.** ASUs are contiguous areas of at least 10,000 population that have an average unemployment rate of at least 6.5% for the 12-month period. ASU areas can vary considerably in size. An ASU can be as large as an entire state, if the statewide unemployment rate meets the qualifying threshold of 6.5%; or it can be an entire workforce area, if the area as a whole qualifies. If the state or the workforce area unemployment rate is below 6.5%, pockets of high unemployment can be identified as ASUs. These can be as small as a city/town, or census tract(s) within a city or town, provided the ASU has a population of 10,000 or more.

Massachusetts, in its entirety, qualified as an Area of Substantial Unemployment (ASU) for FY 2022. For the period July 2020 – June 2021, the average statewide unemployment rate was 7.4 percent.
  - b. **The relative number of excess unemployed individuals in each state or the average number excess unemployed individuals in ASUs (whichever is higher) for the period July 1, 2020 through June 30, 2021, compared to the total excess unemployed individuals or ASU excess unemployed in all states.** Excess unemployed are the number of unemployed

## OVERVIEW OF WIOA TITLE I AND TITLE III WAGNER-PEYSER FISCAL YEAR 2023 ALLOCATIONS

*in excess of 4.5% of the labor force in areas with greater than a 4.5% unemployment rate. USDOL calculates excess unemployment against the same July-to-June period that it uses for the "ASU" factor. USDOL calculates the "Excess" factor against the entire state if the statewide unemployment rate exceeds 4.5% or against ASUs within the state if either the statewide rate is less than 4.5% or the ASU-based count will yield a higher number of "Excess Unemployed" than the statewide calculation.*

- c. **The relative number of disadvantaged Youth (age 16 to 21, excluding college students in the workforce and military) or the number of disadvantaged Adults (age 22 to 72 years, excluding college students not in the labor force and adults on active duty in the armed forces) in each state compared to the total number of disadvantaged youth or disadvantaged adults in all states.** A disadvantaged adult or youth is an individual who received an income, or is a member of a family that received a total family income, that, in relation to family size, does not exceed the higher of the poverty line or 70% of the Lower Living Standard Income Level (LLSIL). DOLETA obtained the data from special tabulations of data from the American Community Survey (ACS) produced by the Census Bureau for each state for use in developing allocations. The data used in the special tabulations were collected between January 1, 2011 and December 31, 2015. Reference: Training and Employment Guidance Letter (TEGL) 14-17, April 4, 2018, *Updated Disadvantaged Youth and Adult Data for use beginning in Program Year (PY) 2018 and future Workforce Innovation and Opportunity Act (WIOA) Youth and Adult Within-State Allocation Formulas.*
2. **WIOA Formula for Title I Dislocated Worker:** A state's allotment of the total funds available for Dislocated Workers are based on its share as determined by the factors described below. Each factor accounts for thirty-three and 1/3 percent of the formula as specified in WIOA:
    - a. **The relative number of unemployed individuals in each state compared to the total number of unemployed individuals in all states.** The period for comparison was the 12-month period of October 2020 through September 2021.
    - b. **The relative number of excess unemployed individuals in each state, compared to the total excess number of unemployed in all states.** The term "excess unemployed" means the number that represents unemployed individuals in excess of 4.5% of the civilian labor force. The time period for comparison was the 12-month period of October 2020 through September 2021. No comparison to ASU excess is performed for this data factor.
    - c. **The relative number of individuals in each state who have been unemployed for 15 weeks or more, compared to the total number of individuals in all states who have been unemployed for 15 weeks or more.** The period for comparison was the 12-month period of October 2020 through September 2021.

## OVERVIEW OF WIOA TITLE I AND TITLE III WAGNER-PEYSER FISCAL YEAR 2023 ALLOCATIONS

### 3. Hold-Harmless for Title I

WIOA requires minimum state allotments for Title I programs equal to 90% hold-harmless of the prior year allotment percentage as well as stop-gain maximum allotments of 130% of the prior year allotment percentage.

### 4. Title III Wagner-Peyser Employment Service

Allotments to states are calculated using the formula set forth in Section 6 of the Wagner-Peyser Act (29 USC §49e, Allotment of Funds). The formula is based on each state's share of calendar year 2021 (the 12-month period from January 1, 2021 to December 31, 2021) monthly averages of the civilian labor force (2/3 weight) and unemployment (1/3 weight). States must receive a minimum of 90 percent of the state's relative percent share of prior year funding.

## B. STATE-TO-LOCAL WIOA TITLE 1 AND WAGNER-PEYSER FORMULA ALLOCATIONS

Massachusetts received the following initial allotments for Fiscal Year 2023. Refer to Training and Employment Guidance Letter 9-21, issued May 6, 2022. The chart below displays the FY 2023 program funds allotted to Massachusetts and distributed by formula to local workforce areas; reserved for statewide activities; and reserved for rapid response services for laid-off workers and for layoff aversion efforts for businesses.

Program	Total State Allotment	Workforce Areas	Statewide Programs	Rapid Response
Adult	\$16,456,845	\$13,988,318	\$2,468,527	
Youth	\$19,376,968	\$16,470,423	\$2,906,545	
Dislocated Worker	\$22,669,765	\$13,601,859	\$3,400,465	\$5,667,441
Wagner-Peyser	\$14,909,252	\$11,659,036	\$3,250,216	

### 1. WIOA Title I Adult and Youth

For Fiscal Year 2023, states were required to distribute 85% of their state allotments (July 1, 2021 - June 30, 2023) for Adult and Youth programs to workforce areas based on the same three factors used in the national formula distribution. Local area expenditures for administrative purposes under WIOA formula grants are limited to not more than 10 percent of the amount allocated. The remainder, amounting to 15% of the state allotment for each program, was held for statewide workforce activities. The State may spend up to 5 percent of this amount for administrative costs of statewide activities.

Allocations to local areas for WIOA Adult and Youth funds were based on the following formula factors:

# ATTACHMENT S

## OVERVIEW OF WIOA TITLE I AND TITLE III WAGNER-PEYSER FISCAL YEAR 2023 ALLOCATIONS

- **The relative number of economically disadvantaged adults or youth in each workforce area compared to the total number of economically disadvantaged adults or youth in all workforce areas.** The data for economically disadvantaged adults and youth residing in local workforce areas were obtained from special tabulations of the American Community Survey (ACS) produced by the Census Bureau. Reference: Training and Employment Guidance Letter (TEGL) 14-17, April 4, 2018, *Updated Economically Disadvantaged Youth and Adult Data for use in Program Year (PY) 2018 and future Workforce Investment Act (WIA) Youth and Adult Within-State Allocation Formulas*. This factor is 1/3 of the formula-based share before hold-harmless levels are determined.
- **The relative number of unemployed residents in areas of substantial unemployment (ASUs) in each workforce area compared to the total number of unemployed residents in areas of substantial unemployment in all workforce areas.** The reference period was July 1, 2020 to June 30, 2021. The data used were the unadjusted unemployment levels for state determined ASUs within workforce areas for the reference period used for the state ASU determination. This factor is 1/3 of the formula-based share before hold-harmless levels are determined.
- **The relative number of excess unemployed residents in areas of substantial unemployment (ASUs) in each workforce area compared to the total number of excess unemployed residents in ASUs in all workforce areas.** Excess unemployed are the number unemployed in excess of 4.5 percent of the labor force in ASUs. The reference period for determining the number of residents in areas of excess unemployment is the same as that used for State ASU determinations. This factor is 1/3 of the formula-based share before hold-harmless levels are determined.
- **Hold Harmless:** WIOA requires minimum workforce area allocations for Adults and Youth to be not less than 90% of the average allocation percentage for the local area for the two (2) preceding fiscal years (hold-harmless level). The hold-harmless guarantees local areas receive 90% of their prior two-year average share of the state allotment if their formula-based share should fall below this level. WIOA specifies that amounts necessary for raising local formula-based shares to comply with these requirements shall be obtained by ratably adjusting the shares of all other local areas. Thus, an area's final adjusted percentage share may be higher or lower than its unadjusted formula-based share before the hold-harmless provision is applied. There is no maximum percentage of stop gain.

### 2. WIOA Title I Dislocated Worker

A Governor's reservation of twenty-five percent (25%) of the state's Dislocated Worker allotment was held for statewide rapid response activities. A reservation of 15% of the allotment was held

for statewide workforce activities of which the State may spend up to 5 percent of this amount for the administrative costs of statewide activities.

States must distribute 60% of their Dislocated Worker allotment (July 1, 2022-June 30, 2023) to local workforce areas. Local area expenditures for administrative purposes are limited to no more than 10 percent of the amount allocated to the area. Dislocated Worker funds are allocated to local areas according to the formula developed by each state to meet the requirements of WIOA Section 133(b)(2)(A). It is not the same as the formula used in the national-to-state distribution. WIOA provides general guidance on the categories of information to be used in the formula but does not prescribe the specific factors. The factors and weights used in the Dislocated Worker formula distribution are determined annually by a state level Workforce Allocations Task Force of the MassHire State Workforce Board. The formula is approved by the Secretary of the Executive Office of Labor and Workforce Development (EOLWD) and the MassHire State Workforce Board. The six (6) factors and weights used for Fiscal Year 2023 local area allocations are described below.

### 3. WIOA Title III Wagner-Peyser Employment Service

WIOA and Wagner-Peyser legislation does not mandate any specific formula distribution from state to local workforce areas. However, state-to-local Wagner-Peyser allocations in the Commonwealth have by precedent been based on the federal-to-state formula. The state Wagner-Peyser allotment is divided into two parts: 90% funds and 10% funds. U.S. Code 29 § 49f

and 20 CFR 652.205 specify the usage of these funds and Section 7(c) of the Wagner-Peyser Act enables states to use funds authorized under sec. 7(a) [90% funds] or sec. 7(b) [10% funds] of the Wagner-Peyser Act to supplement funding of any workforce activity authorized under the Workforce Innovation and Opportunity Act (WIOA) with certain requirements. *Refer to the section below on the allotment and disposition of Wagner-Peyser funds beginning on page 9 for additional information.*

Massachusetts distributed 80% of the 90% Wagner-Peyser state allotment to local workforce areas based on the formula allocation described below.

- Two-thirds was based on the relative number of individuals in the civilian labor force in each workforce area compared to the total number of such individuals in all sixteen workforce areas. The data used for FY 2023 allocations were the average number of residents in the labor force in each local area in Calendar Year 2021.
- One-third was based on the relative number of unemployed individuals in each area compared to the total number of such individuals in all sixteen workforce areas. The data used for FY 2023 allocations were the average number of unemployed residents in each local area in Calendar Year 2021.
- Each area's FY 2023 formula share must fall between a hold-harmless lower limit set at 90% of the local area's FY 2022 formula share and a hold-harmless upper limit set at 110% of the local area's FY 2022 formula share. Hold-harmless limits reduce wide year-to-year swings in an area's allocation. Amounts necessary for increasing or decreasing local formula-based shares to comply with this requirement are made by ratably adjusting the shares of all other local areas.

Massachusetts distributed the 10% portion of the Wagner-Peyser state allotment as follows: 62% to local workforce areas and 38% for statewide activities. The formula factors used for the distribution to local workforce areas were the same as those used for the distribution of the 80% portion of the 90% funds to local workforce areas described above.

*Note: A summary of the formula factors for allocation of WIOA Title I and Wagner-Peyser funds to local workforce areas is provided on page 8.*

#### C. US DEPARTMENT OF LABOR NOTICE OF AWARD (NOA)

The WIOA Title I and Wagner-Peyser ES state allotments for Fiscal Year 2023 were provided in Training and Employment Guidance Letter (TEGL) No. 9-21, issued May 6, 2022, and were published in the Federal Register on May 12, 2022. Funds are issued by the U.S. Department of Labor, Employment and Training Administration (DOLETA) through a Grant Modification/Notice of Award (NOA) upon an executed grant agreement.

## OVERVIEW OF WIOA TITLE I AND TITLE III WAGNER-PEYSER FISCAL YEAR 2023 ALLOCATIONS

The funds for Wagner-Peyser ES are available from July 1, 2022. WIOA Title I Youth funds become available from April 1, 2022.

The funds for WIOA Title I Adult and Dislocated Worker programs are appropriated by Congress in two installments and WIOA Title I Adult and Dislocated Worker programs are funded in two separate appropriations. The first installment becomes available on July 1, 2022 and is referred to by DOLETA as the “base” funds. Approximately 18.3% of the FY 2023 Title I Adult allotment and 20.1% of the Title I Dislocated Worker allotment will be available as of July 1, 2021.

The second installment becomes available for obligation on October 1, 2021 and is referred to by DOLETA as “advance” funds because they are provided in the appropriations act passed during the fiscal year before the fiscal year when the funds are available. Thus, “advance” funds for FY 2023 that are available on October 1, 2022 were appropriated in Federal Fiscal Year 2022, but not made available until October 1, 2022 (start of Federal Fiscal Year 2023). These “advance” funds are subject to rescissions or temporary reductions based on the appropriations legislation.

*Note: This document will not be updated to reflect funding changes that may occur after those announced in TEGL 9-21. Please refer to Training and Employment Guidance Letters or other documents issued by the U.S. Department of Labor for any changes to funding during the fiscal year. ## SUMMARY OF ALLOCATION FORMULAS FOR STATE-TO-LOCAL WIOA AND WAGNER-PEYSER FUNDING AND WAGNER-PEYSER FUNDS DISPOSITION

State allotments for Workforce Innovation and Opportunity Act (WIOA) Title I Youth, Adult, and Dislocated Worker Programs and Title III Wagner-Peyser Act Employment Service programs are announced in the Federal Register and through a Training and Employment Guidance Letter (TEGL) by the U.S. Department of Labor, Employment and Training Administration (DOLETA). The WIOA and ES program allotments to states and state-to-local allocations are based on formula provisions defined in WIOA and in the Wagner-Peyser Act. Fiscal year awards are announced by DOLETA annually (usually in spring) and may be amended during the year. Funds are released upon execution of a Grant Agreement and Notice of Award (NOA) from DOLETA.

The Massachusetts MassHire Department of Career Services (MDCS), on behalf of the Executive Office of Labor and Workforce Development (EOLWD), issues allocations for the 16 local workforce areas in Massachusetts. Local allocation levels are determined by statutory formula based on an area's relative share of the state allotments on specific data factors as described below.

### WIOA Title I Youth

#### *Factors:*

1/3: total unemployed in areas of substantial unemployment (average 12 months ending 6/30)

1/3: excess unemployed in areas of substantial unemployment (average 12 months ending 6/30)

1/3: economically disadvantaged youth (American Community Survey, Special Tabulations)

*Minimum:* area allocation cannot be less than 90% of its average relative share for the prior two fiscal years

*Maximum:* none

### WIOA Title I Adult

#### *Factors:*

1/3: total unemployed in areas of substantial unemployment (average 12 months ending 6/30)

1/3: excess unemployed in areas of substantial unemployment (average 12 months ending 6/30)

1/3: economically disadvantaged adults (American Community Survey, Special Tabulations)

*Minimum:* area's allocation cannot be less than 90% of its average relative share for the prior two fiscal years

*Maximum:* none

## SECTIONS FROM THE WAGNER-PEYSER ACT

### 29 USC Ch. 4B: FEDERAL EMPLOYMENT SERVICE

#### 29 U.S. Code §49e and §49f; Wagner-Peyser Act Section 6 and 7

#### **§49e. Allotment of funds [Section 6 of the Wagner-Peyser Act]**

- (a) From the funds appropriated and (except for Guam) certified under section 49d of this title and made available for allotments under this section for each fiscal year, the Secretary shall first allot to Guam and the Virgin Islands an amount which, in relation to the total amount available for the fiscal year, is equal to the allotment percentage which each received of amounts available under this chapter in fiscal year 1983.
- (b)(1) Subject to paragraphs (2), (3), and (4) of this subsection, after making the allotments required by subsection (a), the Secretary shall allot the remainder of the funds described in subsection (a) for each fiscal year among the States as follows:

## ATTACHMENT S

### SUMMARY OF ALLOCATION FORMULAS FOR STATE-TO-LOCAL WIOA AND WAGNER-PEYSER FUNDING AND WAGNER-PEYSER FUNDS DISPOSITION

- (A) two-thirds of such remainder shall be allotted on the basis of the relative number of individuals in the civilian labor force in each State as compared to the total number of such individuals in all States; and
- (B) one-third of such remainder shall be allotted on the basis of the relative number of unemployed individuals in each State as compared to the total number of such individuals in all States.

For purposes of this paragraph, the number of individuals in the civilian labor force and the number of unemployed individuals shall be based on data for the most recent calendar year available, as determined by the Secretary. For purposes of this paragraph, the term "State" does not include Guam or the Virgin Islands.

(2) No State's allotment under this section for any fiscal year shall be less than 90 percent of its allotment percentage for the fiscal year preceding the fiscal year for which the determination is made. For the purpose of this section, the Secretary shall determine the allotment percentage for each State (including Guam and the Virgin Islands) for fiscal year 1984 which is the percentage that the State received under this chapter for fiscal year 1983 of the total amounts available for payments to all States for such fiscal year. For each succeeding fiscal year, the allotment percentage for each such State shall be the percentage that the State received under this chapter for the preceding fiscal year of the total amounts available for allotments for all States for such fiscal year.

(3) For each fiscal year, no State shall receive a total allotment under paragraphs (1) and (2) which is less than 0.28 percent of the total amount available for allotments for all States.

(4) The Secretary shall reserve such amount, not to exceed 3 percent of the sums available for allotments under this section for each fiscal year, as shall be necessary to assure that each State will have a total allotment under this section sufficient to provide staff and other resources necessary to carry out employment service activities and related administrative and support functions on a statewide basis.

(5) The Secretary shall, not later than March 15 of fiscal year 1983 and each succeeding fiscal year, provide preliminary planning estimates and shall, not later than May 15 of each such fiscal year, provide final planning estimates, showing each State's projected allocation for the following year.

#### **(a) Use of 90 percent of funds allotted**

Ninety percent of the sums allotted to each State pursuant to section 49e of this title may be used—

- (1) for job search and placement services to job seekers, including unemployment insurance claimants, including counseling, testing, occupational and labor market information, assessment, and referral to employers;
- (2) for appropriate recruitment services and special technical services for employers; and
- (3) for any of the following activities:
  - (A) evaluation of programs;
  - (B) developing linkages between services funded under this chapter and related Federal or State legislation, including the provision of labor exchange services at education sites;
  - (C) providing services for workers who have received notice of permanent layoff or impending layoff, or workers in occupations which are experiencing limited demand due to technological change, impact of imports, or plant closures;
  - (D) developing and providing labor market and occupational information;
  - (E) developing a management information system and compiling and analyzing reports therefrom;
  - (F) administering the work test for the State unemployment compensation system, including making eligibility assessments, and providing job finding and placement services for unemployment insurance claimants; and
  - (G) providing unemployment insurance claimants with referrals to, and application assistance for, training and education resources and programs, including Federal Pell Grants under subpart 1 of part A of title IV of the Higher Education Act of 1965 (20 U.S.C. 1070a et seq.), educational assistance under chapter 30 of title 38 (commonly referred to as the Montgomery GI Bill), and chapter 33 of that title (Post-9/11 Veterans Educational Assistance), student assistance under title IV of the Higher Education Act of 1965 (20 U.S.C. 1070 et seq.), State student higher education assistance, and training and education programs provided under titles I and II of the Workforce Innovation and Opportunity Act [29 U.S.C. 3111 et seq., 3271 et seq.], and title I of the Rehabilitation Act of 1973 (29 U.S.C. 720 et seq.).

#### **(b) Use of 10 percent of funds allotted**

Ten percent of the sums allotted to each State pursuant to section 49e of this title shall be reserved for use in accordance with this subsection by the Governor of each such State to provide—

- (1) performance incentives for public employment service offices and programs, consistent with the performance accountability measures that are based on indicators described in section 116(b)(2)(A)(i) of the Workforce Innovation and Opportunity Act [29 U.S.C. 3141(b)(2)(A)(i)], taking into account direct or indirect placements (including those resulting from self-directed job search or group job search activities assisted by such offices or programs), wages on entered employment, retention, and other appropriate factors;
- (2) services for groups with special needs, carried out pursuant to joint agreements between the employment service offices and the appropriate local workforce investment board and chief elected official or officials or other public agencies or private nonprofit organizations; and
- (3) the extra costs of exemplary models for delivering services of the types described in subsection (a), and models for enhancing professional development and career advancement opportunities of State agency staff, as described in section 49b(c)(4) of this title.

*Note per 29 U.S. Code § 49f(c) and 20 CFR 652.205: WP90% and WP10% funds authorized under the Wagner-Peyser Act Section 7 may be used per subsection (c) Joint Funding to provide additional funding for other activities authorized under the Workforce Innovation and Opportunity Act provided the activities meet requirements defined in subsection (c)(1)(A-D).*

#### **(c) Joint funding**

- (1) Funds made available to States under this section may be used to provide additional funds under an applicable program if—
  - (A) such program otherwise meets the requirements of this chapter and the requirements of the applicable program;
  - (B) such program serves the same individuals that are served under this chapter;
  - (C) such program provides services in a coordinated manner with services provided under this chapter; and
  - (D) such funds would be used to supplement, and not supplant, funds provided from non-Federal sources.
- (2) For purposes of this subsection, the term "applicable program" means any workforce investment activity carried out under the Workforce Innovation and Opportunity Act.

**20 CFR § 652.205** May funds authorized under the [Wagner-Peyser Act](#) be used to supplement funding for labor exchange programs authorized under separate legislation?

(a) Section 7(c) of the [Wagner-Peyser Act](#) enables [States](#) to use funds authorized under sec. 7(a) or 7(b) of the [Wagner-Peyser Act](#) to supplement funding of any workforce activity carried out under [WIOA](#).

(b) Funds authorized under the [Wagner-Peyser Act](#) may be used under sec. 7(c) to provide additional funding to other activities authorized under [WIOA](#) if:

- (1) The activity meets the requirements of the [Wagner-Peyser Act](#), and its own requirements;
- (2) The activity serves the same individuals as are served under the [Wagner-Peyser Act](#);
- (3) The activity provides services that are coordinated with services under the [Wagner-Peyser Act](#); and
- (4) The funds supplement, rather than supplant, funds provided from non-Federal sources.
