Subject: **Local Operating Plan Guidance: Fiscal Year 2020**

Purpose: To provide guidance to Chief Elected Officials, MassHire Workforce Boards and MassHire Career Center Operators with regard to the development and submission of the WIOA Fiscal Year 2020 Local Operating Plan documents.

This policy has been revised to add instruction related to local use of the WIOA Waiver for Eligible Training Providers (100 DCS 16.100): <https://www.mass.gov/files/documents/2019/04/18/16-100.pdf>, approved by USDOL on December 13, 2018. This waiver eliminates the need for training providers listed on the Massachusetts ETPL to report outcomes for students whose training is not funded through the Workforce System. Workforce Boards will base ETPL approval on performance that is reported for only those students whose training is funded through the MassHire workforce system. This change must also be reflected in local ETPL Policy.

Waiver implementation must be documented in the Local Operating Plan.

Please submit Attachment C (04-106C – *Notification of Local Workforce System Changes Form*) to acknowledge use of the ETPL Waiver. Note: the Attachment C form has been revised to include the waiver acceptance language; please insert workforce board name.

Background: The Massachusetts workforce development system, in conjunction with its WIOA Partners, supports and promotes the Commonwealth's workforce and economic development efforts through the delivery of quality employment, education, and training services that are responsive to the needs of businesses and job seekers.

The Workforce Innovation and Opportunity Act (WIOA), at section 108, requires each local board to develop a comprehensive 4-year local plan in partnership with the chief elected official. The WIOA 4-Year Plans are separate and distinct from the **Local Operating Plan** that is the subject of this policy guidance.

The information requested within this policy strictly relates to local operational information that is required on an annual basis by the MassHire Department of Career Services. This information comprises the "Local Operating Plan."

Policy: The Local Board, with agreement of the Chief Elected Official (CEO), is responsible for developing and submitting the Fiscal Year 2020 Local Operating Plan.
