cc: WIOA State Partners

From: Alice Sweeney, Director
Department of Career Services

Date: September 5, 2018

Subject: **TAA FY 18 Case Management and Reemployment Funds: Local Allocations including Infrastructure Costs per the Workforce Investment Opportunity Act**

Purpose: To notify Local Workforce Boards, One-Stop Career Center Operators and other workforce investment partners of the Trade Programs "Employment and Case Management Funds" and infrastructure costs provided for local use under the Trade Adjustment Assistance (TAA) Act. These allocations supplement allocations for WIOA and Wagner-Peyser Employment Service (ES) activities and account for TAA participant activities for workers covered under the Trade Adjustment Assistance (TAA) Programs.

The total cumulative allocation is \$968,066.10. Local funding allocations are found in the **Local Area TAA Case Management Allocations Chart** (Attachment A) of this issuance. They are also posted as Attachment W with the WIOA Local Annual Operating Plan Guidance: Fiscal Year 2019, Issuance: 100 DCS 04.104 Issued: 06/05/2018.

Background: These FY 18 Trade Program “Employment and Case Management” funds have been designated by the Commonwealth for utilization through September 30, 2020 for those individuals being served under the TGAAA of 2009, TAAEA of 2011 and TAARA 2015.

Infrastructure funding is calculated at 5% of the local areas allocation.

The allocation methodology continues to be comprised of the following three components:

A. Petitions Filed and/or Certified

- weighted 15%
- The number of Trade Adjustment Assistance Petitions certified with USDOL, by area as a percent of share against all MA petitions filed
- Time period: 08/01/2017 to 06/30/2018
- Data Source: MOSES

B. New Trade Act Participants

- weighted 35%
- The number of customers approved for TAA benefits per area
- Time period: 07/01/17 to 06/30/2018 (final 6/30/18 data)
- Source: MOSES

C. Active Participants

- weighted 50%
- Customers served during the last 90 days
- Time Period: 07/01/17 to 06/30/2018 (final 6/30/18 data)
- Source: MOSES

Future increases in allocation will be reviewed and considered based on State funding received.

Policy: In addition to covering staffing costs for career counselors, the “employment and case management services” funding may also be used for: assessment tests; skills transferability analysis; peer counselors; development and provision of labor market information; maintenance and enhancement of electronic case management systems to allow for improved case management services; information on available training, including provider performance and cost information; and, any other staff costs related to career services. This list is not intended to be all inclusive.

Local areas are expected to expend these funds quickly and effectively and they are to be used in addition, and not as an offset to any funds the local workforce system receives under WIA, WIOA or any other program.

The funds have been made available through a modification of each area’s annual contract with the Executive Office of Labor and Workforce Development

(EOLWD). Required expenditure reporting will consist of a **quarterly** Fiscal Status Report (FSR) (Attachment B) to be submitted to Gogo Joe Nwabinwe, at Gogo.Joe.Nwabinwe@MassMail.State.MA.US by the 15th of the month following the end of the quarter. **Please submit an FSR even if your expenditures are \$0.**

Non-Active

Action

Required: Please assure that all appropriate staff persons are knowledgeable of the content of this Policy Issuance and that they carry out related TAA activity in a compliant manner.

Effective: Immediately

Inquiries: Please direct all inquiries to Beth Goguen at bgoguen@detma.org. Also, indicate Issuance number and description.
