**MRVP Program Notice: FY22-04**

**To:** All Local Housing Authorities and Regional Non-Profits  
Administering **PROJECT BASED** Massachusetts Rental Voucher Program (MRVP)  
Vouchers (Administering Agencies or AAs)

**From:** Cecilia Woodworth, Assistant Director, State Rental Assistance Programs

**Subject:** **UPDATED Brockton Area Project Based Voucher Rent Increases**

**Date:** December 8, 2021

---

**This program notice supersedes the [MRVP Administrative Plan](#) dated August 1, 2017.**

**This notice pertains only to PROJECT BASED MRVP vouchers.**

DHCD is implementing a new policy that allows the rents for project based vouchers to go up to current area-wide Fair Market Rent (FMR), subject to rent reasonableness. This applies both to initial occupancy and rent increases.

**UPDATED Fair Market Rent (FMR) for Brockton Area**

As mentioned in the [October 20, 2021 program notice](#), the Brockton Area FY22 FMRs had been appealed with HUD. That appeal has since been rescinded.

The attached table of area-wide FMRs supersedes the table attached to the [previous guidance dated November 22, 2021](#). FMRs for the Brockton metro area have been updated. All other rents remain the same as in the previous guidance.

Brockton, MA HUD Metro FMR Area

The following cities and towns are in the Brockton, MA HUD Metro FMR Area.

Abington	Halifax	Middleborough
Avon	Hanson	Plympton
Bridgewater	Lakeville	Rochester
Brockton	Marion	West Bridgewater
East Bridgewater	Mattapoisett	Whitman

Initial Rent Levels for PROJECT BASED Vouchers

The contract rent for project based vouchers is set by DHCD at the time the initial Voucher Payment Contract is signed. **Contract rents at initial occupancy shall not exceed current area-wide FMR.**

PROJECT BASED Rent Increases

**For all rent increases effective on or after February 1, 2022, maximum allowable rent increases for PROJECT BASED vouchers are limited to HUD's Fair Market Rents and must be rent reasonable.** FMRs are determined annually by HUD and listed on their website. Current area-wide FMRs are attached to this notice.

For Project Based Units, Contract Rent increases are applied to an entire project at once. All Contract Rent increases must be requested from the AA by the Owner. The request must include the DHCD Rent Reasonableness Checklist and Certification Form (*Exhibit 9.2*) or a similar form. For projects that have numerous kinds of units (various bedrooms sizes, differences in accessibility), the DHCD Rent Reasonableness Checklist and Certification Form must be completed for each type of unit (for example, one form for each bedroom size for units that are not accessible, and a separate form for each bedroom size for units that are accessible).

Owners may request an increase at any time after the first year of the initial Voucher Payment Contract. Contract Rent increases can only be approved once in any twelve (12) month period and not within the first year of the initial Voucher Payment Contract. Because Contract Rent increases are typically applied to an entire project at once, the Contract Rent may be increased during the first year of any individual Participant's Lease, subject to the Rent Increase Procedures described below.

Determining Rent Reasonableness

Contract Rents must be reasonable. The AA may determine rent reasonableness through the Rent Reasonableness Checklist and Certification Form (*Exhibit 9.2*). Rent reasonableness shall

be determined by comparing the unit to other non-assisted units at the property, if there are more than four units, and in the area. Note that an MRVP Contract Rent cannot be more than the rent for a comparable market-rate unit at the same property. Amenities, unit size, unit quality, and included utilities can affect rent reasonableness. Rent reasonableness shall be determined in a fair and consistent manner, and an Owner may request documentation of why a rent was not approved.

The AA shall provide information on three similar unassisted units, either on the form or as an attachment. The AA will then approve none, some, or all of the rent increase requested based on whether the increase is rent reasonable. The AA shall notify the Owner of its decision and, if requested, provide verification of rent reasonableness. The AA shall determine the appropriate rent increase, if any, within 30 days of the request.

### Rent Increase Procedures

If a Contract Rent increase is approved, the AA shall send an updated Tenant Rent Share letter to the Owner and Participant. The AA must provide the Owner and Participant at least 30 days advance notice of the Contract Rent increase. Contract Rents cannot be increased retroactively.

Since Tenant Rent Shares are based on income, in most cases an increase in Contract Rent will have no effect on the Tenant Rent Share. However, there may be individual cases in which the calculated Tenant Rent Share is already higher than the current Contract Rent and the Participant is paying the entire Contract Rent. In these cases, because no Voucher Payments are currently being paid on behalf of the Participant, an approved increase in the Contract Rent will cause the Participant to experience an increase in their Tenant Rent Share. This is allowable with 30 days' notice to the Participant of the new Tenant Rent Share. Any increase in Tenant Rent Share must be clearly communicated to the Participant and include at least 30 days advance notice.

### Decreases in Area-Wide FMR

In the case that area-wide FMR is lowered and the current contract rent for an MRVP Project Based Unit exceeds FMR, no rent increase will be permitted, and the contract rent for the unit will remain the same. **That is, if FMR decreases below the current contract rent, the contract rent does not need to be lowered.**

Additional questions may be addressed to Richard Sullivan, State Rental Assistance Program Specialist, at richard.sullivan2@mass.gov.
