## Dental Bulletin 55

**DATE:** January 2026

**TO:** Providers Participating in the MassHealth Dental Program

**FROM:** Mike Levine, Undersecretary for MassHealth

**RE:** **Upcoming Transition of Dental Third-Party Administrator for MassHealth, the Children's Medical Security Plan, and Health Safety Net**

### Overview

This bulletin provides updates regarding the launch date of the new MassHealth dental program third-party administrator (TPA), cutover dates between BeneCare and DentaQuest, and other transition related updates.

### New Dental Third-Party Administrator (effective February 1, 2026)

DentaQuest will become MassHealth's dental TPA on February 1, 2026. The current dental TPA, BeneCare, will continue through January 31, 2026. As a reminder, DentaQuest was the dental TPA before BeneCare.

This transition will not affect your status as a MassHealth provider or your MassHealth provider contract. MassHealth's current rates for dental services will also not be affected by the dental TPA transition.

### Transition Cutover Dates

Upcoming deadlines to submit to BeneCare are as follows.

- **New credentialing and re-credentialing applications:** Providers should not submit any new credentialing or re-credentialing applications to BeneCare as of the date of this bulletin. On and after February 1, 2026, providers should submit new applications to DentaQuest. Any incomplete applications, including those submitted to BeneCare, will need to be resubmitted to DentaQuest with all required information.
- **Claims and prior authorization requests:** by 5 p.m. ET Friday, January 30, 2026
- **Reconsiderations, inquiries, and voids:** by 5 p.m. ET Friday, January 30, 2026

Starting February 1, 2026, please visit [MassHealth-Dental.org](http://MassHealth-Dental.org) to submit credentialing and re-credentialing paperwork; claims and prior authorization requests; and reconsiderations, inquiries, and voids through the DentaQuest provider portal. The website and portal will not be active and fully operational until that date.

Providers should not submit any claims or reconsiderations to DentaQuest that were previously submitted to BeneCare unless instructed otherwise by MassHealth.

MassHealth is committed to processing historical claims correctly. We will continue working diligently with BeneCare and providers as necessary to resolve any issues after the transition.

## Upcoming Payment Schedule

Due to the financial cycle timeline, the claims payment for the first three weeks in February (February 1–17, 2026) will be for claims received and processed by BeneCare. The claim status and remittance advice for these claims will be available on the BeneCare portal.
