Re: **Final Decision** – DENIAL of Application for Pharmacy Technician Registration

Dear Mr. Bjorklund:

By letter dated May 5, 2010, the Board of Registration of Pharmacy ("Board") informed you of its preliminary denial of your application for registration as a Pharmacy Technician ("application") and of your right to request an opportunity for a hearing on such preliminary denial within 21 days of the May 5, 2010 letter. You did not submit a request for hearing by May 26, 2010 and have therefore waived any right to such hearing.

Based on the documentation and other information upon which the Board based its preliminary denial of your application, as set forth in the Board's May 5, 2010 letter, and as you have not contested the factual basis for such preliminary denial, the Board hereby informs you of its FINAL DECISION to deny your application for pharmacy technician registration.

Please be advised that federal law mandates the Board to report a denial of application for registration to the National Practitioner Data Bank and the Healthcare Integrity and Protection Data Bank.

Sincerely,

Joanne M. Trifone

President
