Devocalization Reporting Form

Pursuant to Chapter 272 Section 80 ½ of the Massachusetts General Laws you are required to submit to the Massachusetts Board of Registration in Veterinary Medicine the following information:

I have performed _____ # of procedure (s), as defined by M.G.L. ch 272 Section 80 ½ since March 1, 2011.

Print name: _____ Signature _____

Mass. Vet. License # _____

If you have not performed any procedures defined by this law, you are not required to complete and submit this form.

The Board of Registration of Veterinary Medicine may request further information from you to determine if the procedure and documentation thereof is medically necessary and in compliance with this law.

This form must be completed and signed by you and sent to the Massachusetts Board of Registration in Veterinary Medicine at the address above on or before March 30, 2011.

Pursuant to this law, if this number is one or more, you are required to maintain records related to that patient as follows:

A veterinarian who performs a surgical devocalization procedure on a dog or cat shall keep a record of the procedure for a period of 4 years after the last contact with the animal. This record shall include: the name and address of the animal's owner; the name and address of the person from whom payment is received for the procedure; a description of the animal, including its name, species, breed, date of birth, sex, color, markings and current weight; the license number and municipality that issued the license for the animal; the date and time of the procedure; the reason the procedure was performed; and any diagnostic opinion, analysis or test results to support the diagnosis. These records shall be subject to audit by the board.
