1. Please indicate the number of years of experience in care coordination/case management. 31 years
2. Please provide the approximate number cases with morphine milligram equivalent above 100 (MME > 100) that you have assisted with in past three years. I have not worked with MME, but have worked with clients who are on opioids and have assisted in managing medications.
3. Please indicate the best geographic area where you have greatest experience. NH, FL, Massachusetts
4. Please explain your background/experience with addiction or pain management. None
5. Please provide a very brief outline of three cases you have assisted with within last three years (i.e., starting MME, what treatment plan seemed to help and how case ended). Please explain the results of the three cases. Pain Management complemented by diligent case management follow up, to include peer to peer consultations, behavior modification and support.
6. Do you work with, or are you familiar with, any health care practitioners who specialize or have had success with assisting patients to reduce daily opioid intake? I have found that most providers refer to pain management, it is also my experience that pain management is resistant.
7. Do you have a vehicle and are willing to travel to meetings and medical appointments? Yes, within Northern Massachusetts.

8. Please indicate, if applicable, any language skills other than English. N/A
