MGL Chapter 90, Section 2 contains penalties for both violators misusing disabled parking privileges as well as placard owners/holders. While there are established processes for citations and parking tickets, the following procedure is necessary for the Registry of Motor Vehicles (RMV) to promptly address the placard owner.

By completing and submitting the following information, the RMV will immediately cancel any confiscated MA placard. The RMV will accept placards from other states, and as a courtesy, return valid placards to the issuing state.

The cancellation notice will stop re-issuance if a customer reports his/her placard as lost or stolen to the RMV. The information provided by law enforcement allows the RMV to update and keep a complete customer record regarding the abuse and it affords the placard owner an opportunity for an administrative hearing on the following issue:

“The Registrar may revoke the plate or placard as issued to a person upon a finding that the person to whom the plate or placard was issued willingly and without coercion or duress authorized, permitted, or allowed it to be used by another person.”

Please complete and fax this form, along with the following information, to 857-368-0018:

- ✓ A copy of the confiscated placard with Placard Number visible
