 - 1. Keefe Commissary Network (KCN) Tablets (Score 7 and newer tablets)
 - 2. Orijin Tablets
- B. All KCN Tablets, Orijin Tablets, and related accessories which were provided to incarcerated individuals and civil commitments by the Department at no cost to the incarcerated individual and civil commitment, are Department property and subject to the provisions of this policy. The applicability of the provisions of this policy to incarcerated individual and civil commitment purchased tablets will be addressed in the specific sections of this policy.
- C. Incarcerated individuals and civil commitments may elect to purchase non-Department issued earbuds or headphones from the property vendor. Incarcerated individuals and civil commitments will turn in any Department issued earbuds to the property officer prior to receiving purchased earbuds or headphones. The property officer will note in the Inmate Management System (IMS) that the incarcerated individual or civil commitment purchased earbuds or headphones.
- D. The Department will ensure that there are an adequate number of Department issued tablets and accessories made available at each institution in case a replacement tablet and/or accessory(ies) is needed for Department issued tablets.
- E. The Department shall establish a centralized tablet committee (Central Tablet Committee) that will be responsible for the overall assessment of both Department issued and purchased tablets and their associated roles for the Department. The reviewing authority shall designate subject matter experts to participate in this committee.

2. Designating a staff person to ensure that each category of tablet is correctly inventoried in any manufacturer accountability platform as well as in the DOC accountability platform. The inventory, as reflected in the issued tablet (KCN and Orijin) platform, must match the tablet assigned to each incarcerated individual and civil commitment in IMS, and an accurate recording of the tablet serial number assigned to each incarcerated individual and civil commitment in both platforms. These inventories shall be audited by a designated staff person of supervisory rank bi-annually (January and July) by physically accounting for all issued tablets. The results of this audit shall be forwarded to the Superintendent and the Central Tablet Committee.
3. Refusal by the incarcerated individual or civil commitment to submit to this audit will be considered misuse and may result in the removal of the tablet in accordance with 103 DOC 475.05.
