QUALIFICATION

All employees authorized to carry a particular model firearm must successfully complete re-qualification training annually in the same model firearm they are authorized to carry. Superintendents are encouraged to provide additional training, re-qualification training for those employees whose duties include the essential and potential use of firearms, (e.g. critical incident response personnel, tower officers, armory officers, transportation officers).

On a quarterly basis, the institutional armorer or a certified Firearms Instructor shall conduct re-familiarization training to all staff who are regularly assigned to a daily armed post. The officer assigned to that post for that day, shall be evaluated on their ability to perform proper administrative loading and unloading of all assigned firearm systems specific to that post. This training shall include, but not be limited to, all applicable policies and procedures governing the use of a firearm in the performance of their duties. All training shall be documented. A list of all staff who are regularly assigned to an armed post shall be submitted to the Institutional Training Officer and Armorer to ensure that those staff receive the required training in order to be assigned to a post requiring the issuance of a firearm.

This shall not apply to staff (Central Headquarters, Special Operations Division, Central Transportation Unit, Office of Investigative Services, and the Internal Affairs Unit) with 24 hour issued firearms as they receive additional firearms training.

All employees that are issued any of the firearms listed in section 508.03 Section C must complete a familiarization course and successfully qualify with the same model of firearm that they are authorized to carry.

Qualifications to keep LEOSA credentials shall be conducted pursuant to 103 DOC 517, *Department Identification Policy*, Section 517.01 Department Identification Cards.

508.06

ISSUANCE AND USE OF FIREARMS

Only employees who are sworn Officers of the Commonwealth of Massachusetts and who have been issued a valid State Firearms License of a Class A Large Capacity or equal from the state/town of their residence may be issued a Department of Correction License to carry, as specified in Section 508.08 Firearms License. The Department's license to carry shall be valid for only those firearms that are approved by the Commissioner and only for the firearms that the Officer has been qualified and trained for by the Department of Corrections. A current list of employees who may be issued a firearm shall be maintained in a location easily accessible to those employees who will be issuing the firearm. This list shall indicate

the types of firearms that can be issued to a specific officer. The list shall be updated regularly to ensure the information is valid and current.

- A. Firearms issued to officers wearing uniforms shall be worn exposed outside of the uniform permitting easy access.
- B. Firearms issued to employees dressed in civilian clothing shall be carried concealed. The holster must provide easy access while not being in view of the public.
- C. In addition, all issued firearms and ammunition shall be maintained and controlled by the officer to which they are assigned. At no time shall any ammunition and/or firearms be left unattended and shall be carried in a Department issued/approved holster or magazine pouch. All magazine pouches shall be worn in the vertical position with the snap release in the top position.
- D. Each individual must adhere to proper administrative loading and unloading procedures. This procedure shall apply to all administrative areas. See attachments #8 and #9.

508.07

STORAGE OF FIREARMS AT AN EMPLOYEE'S RESIDENCE

- A. Personnel who may be allowed to store Department issued firearms at their place of residence shall submit an authorization form for Residential Storage of D.O.C. Duty Firearms (Attachment #1) and be issued a copy of "Safety of the Service Firearm in the Home", (Attachment #2) and sign a document indicating their understanding of the material and receipt thereof. The storage shall be authorized in writing by the Superintendent or Special Unit Director (in the event the employee needing authorization is the Superintendent or the Special Unit Director, the authorization shall be written and signed by the employee's Supervisor).

The authorization shall contain a statement that the employee needs to have access to their firearm at all times in order to perform their official duties.

- B. The storage of a firearm under this section shall be re-evaluated on at least an annual basis. In the event of the discharge of a Department firearm issued under the provisions of this section, which is not the result of duties directly connected with the Department, or results from any incident involving the use or alleged use of a Department issued firearm which could result in an investigation by federal, state or local law enforcement authorities, the authorization to store the firearm at the employee's place of residence shall be suspended immediately, pending investigation.

The investigation may be conducted by the Superintendent, Special Unit Director, or their designee, or the Office of Investigative Services of the Department. Copies of any investigation shall be sent to their respective Assistant Deputy Commissioner and to the Deputy Commissioner upon completion. The investigation shall normally be completed within five (5) business days.

- C. If any employee who has authorization to store a Department issued firearm at their residence fails to re-qualify, the authorization to store the firearms shall be suspended immediately pending re-qualification.

- D. Authorization to store a Department firearm at an employee's residence shall be granted to employees who have a valid firearms license issued by the state where they resides. Until this license is received, the Officer shall not store their Department of Correction firearm at their residence.
- E. Any employee authorized to store a Department of Correction firearm at their place of residence, shall be issued a Department approved trigger-locking device and Security Pistol Box. Once the firearm is unloaded, the trigger-locking device shall be affixed to the firearm in the appropriate manner, to prevent the discharge of such firearm, by unauthorized users. Once the trigger locking device has been properly affixed to the firearm, it shall be stored in a Departmental issued Firearms Security Pistol Box along with any ammunition and twenty-four (24) hour issued security equipment such as cuffs, chemical agents, TASER or Monadnock Expandable Baton. This precaution shall provide additional security in order to prevent unauthorized access to Departmental firearms and security equipment.
- F. In the event that any employee who is authorized to store a Department of Correction Firearm at their residence, is out of work for an extended period of time (i.e., Industrial Accident, Extended Sick Leave, F.M.L.A., Military Leave, etc.) or is out of state for an extended period of time (i.e. Vacation), the firearm shall be stored at the Special Operations Division Armory until the employee returns to duty.

508.08

AUTHORIZATION FOR TEMPORARY STORAGE OF A DOC FIREARM FOR A SPECIFIC INDIVIDUAL

When deemed necessary, an employee who does not work at an Institution may be issued a DOC Firearm. In this case the firearm shall be stored at a DOC Institution (not the employee's residence) and the following procedure shall be adhered to.

An authorization letter (Attachment #6) shall be sent to the Superintendent/Unit Director with the employee's name, current firearm qualification date, firearm serial number, make, model and caliber. Although these firearms shall be stored at the Institution, the Division Armorer (where the employee is assigned) shall be responsible for the inventory and maintenance as outlined in 103 DOC 507, *Security Equipment*, section 507.04 Inventory and Inspection and 507.07 Firearms.

508.09

FIREARMS LICENSES

- A. A Department of Correction firearms license (Type A) shall only authorize an employee to carry Department authorized firearms and restraint equipment in the performance of their official duties. Copies of the DOC firearms license shall be maintained at the Training Academy and in the employee's personnel file located at the Department's Human Resources Division.

A Department of Correction Firearms Licenses (Type B) shall be issued to those Officers who have twenty-four (24) Hour Authorization to store a Department firearm at their residence and who have a valid firearms license issued by the state where they resides. A copy of the DOC license shall be maintained at the Special Unit Director's

Office and in the employee's personnel file located at the Department's Human Resource Division.

Type A - Shall be issued to those Staff whose responsibilities include carrying a Departmental Firearm, during their official tour of duty. Attachment #5

Type B - Shall be issued to those Staff authorized for twenty-four (24) hour issuance of a departmental firearm, which shall be stored at their residence during non-business hours, in order to fulfill their official duties. Attachment #5

- B. A firearms license shall be suspended immediately if an employee fails to re-qualify as required by the provisions of this policy, pending re-qualification. It shall also be suspended following any incident as described in 508.12.
- C. A firearms license shall not be issued to any employee who is not a citizen of the United States.
- D. At any time this authorization can be revoked by the appointing authority.

508.10 **TOWER ARMAMENT**

Superintendents shall develop written procedures to ensure that towers are equipped with appropriate firearm(s), as outlined in 103 DOC 501, *Institution Security Procedures*.

508.11 **PERSONAL FIREARM STORAGE**

Any employee who requests to store personal firearm(s) at their Institution/Division shall receive prior approval from their Superintendent or Division Head or their designees. This shall be done on an annual basis.

508.12 **TRAINING, ACQUISITION, ADMINISTRATION AND REPAIR**

The Director of Operational Services shall:

1. Purchases - All security equipment listed on the approved F-27 Account Items List to include communication devices and accessories needed by the Special Operations Division.
