

Door to Door Marketing Vendors Used by Competitive Suppliers

May 4, 2022

Each electric and gas competitive supplier in the Commonwealth is required to provide the Department of Public Utilities with an up-to-date list of third-party door to door marketing vendors that market on behalf of the supplier. Below is the aggregated list of vendors provided to the Department as of May 4, 2022. The Department has not validated the vendor business information provided by the competitive suppliers.
