SECTION 1 – Truck & Travel Fee

DoubleMW Corp charges a flat rate truck and travel fee that covers our travel from our office to the origin location and the final shipper destination back to the office. The flat rate truck & travel fee is based on the number of Movers sent to the job and the length of travel. The rates below are by the hour. The rates are the same whether using our truck or only doing labor (e.g. loading up a U-Haul for a customer).

SECTION 4 – Estimate

DoubleMW Corp may provide a written estimate. Not all moves require or will receive a written estimate. DoubleMW Corp will determine which moves will receive a written estimate. Estimates are based on the information provided and will be dependent on whether it is a full service move or labor/packing only. Labor only assumes items are packed, boxed, and ready to load. Changes to inventory, addresses, and dates may affect estimates. Estimates are made in good faith but are subject to change due to unforeseen logistical issues.

For a labor only move, if the shipment is not prepared and requires packing services the day of the move the estimated time to complete the shipment will increase. Other unforeseen circumstances such as traffic, long walks, parking issues, narrow thruways, stairs etc. will increase the estimate.

SECTION 5 – Packing Services

DoubleMW Corp offers packing services on an hourly basis. Packing Services are billed at the rates provided in section 2.

Articles that must be packed, crated, or wrapped may be prepared for shipping by the shipper or by DoubleMW at the request of the shipper. DoubleMW is not responsible for damage to items packed by the shipper.

SECTION 6 – Particle/Pressboard Furniture

College Hunks Moving is not responsible for damage to any assembled particle or presswood furniture. The shipper, prior to moving, should disassemble these items.

SECTION 7 – Storage in Transit

If the shipper requests the shipment be held overnight before delivery to the point of destination, the following charges will apply : \$250.00 per night, per truck. If the shipment needs to be unloaded and reloaded the shipper is responsible for all charges at the hourly rates listed in Section 2. If shipment is stored at a 3rd party storage facility it will be stored in the name of the shipper and subject to a lien for transportation and other lawful charges. DoubleMW Corp does not provide storage other than overnight on a truck.

SECTION 8 – Warehouse Delivery

When goods are consigned or delivered to a warehouse, the location of the warehouse will be considered the destination and must be noted on the Bill of Lading. DoubleMW Corp liability will end when the shipment is unloaded into the warehouse. The goods will be stored in the name of the shipper, owner, or consignee, subject to a lien for transportation and other lawful charges.

SECTION 9 – Diversion of Shipments
