If the Issuing Authority has not taken action on the Licensee's request for transfer within one hundred twenty (120) days or any other time as specified by State or Federal law after receiving such request, or such extended time as may otherwise be agreed to by the parties, consent by the Issuing Authority shall be deemed given pursuant to applicable law.

(b) The consent or approval of the Issuing Authority to any transfer of the Renewal License granted to the Licensee shall not constitute a waiver or release of the rights of the Town in and to the streets and Public Ways or any other rights of the Town under the Renewal License. Any proposed controlling or owning transferee approved by the Issuing Authority shall be subject to all of the terms and conditions contained in this Renewal License.

3.2 Transfer to Affiliates

(iii) Workers' Compensation Insurance meeting all legal requirements of the Commonwealth of Massachusetts;

(iv) Employers' Liability Insurance in the following amounts: (A) Bodily Injury by Accident: \$100,000; and (B) Bodily Injury by Disease: \$100,000 employee limit; \$500,000 policy limit;

(v) Umbrella Liability: \$1,000,000 per occurrence.

(b) All liability insurance shall be written on an "occurrence basis".

(c) The coverage amounts set forth above may be met by a combination of underlying and/or umbrella policies so long as in combination the limits equal or exceed those required herein.

(d) The Town shall be included as additional insured under each of the insurance policies required in this Article 9 except Worker's Compensation and Employer's Liability.

(e) Licensee shall not cancel any required insurance policy without submitting documentation to the Issuing Authority verifying that the Licensee has obtained alternative insurance in conformance with this Agreement.

(f) Each of the required insurance policies shall be with sureties qualified to do business in the State of Massachusetts, with an A- or better rating for financial condition and financial performance by Best's Key Rating Guide, Property/Casualty Edition.

(g) The Licensee shall furnish the Issuing Authority with current certificates of insurance evidencing such coverage.

(h) All insurance shall be primary to any insurance coverage the Town may have.

(i) Licensee shall not cancel any required insurance policy without submitting documentation to the Issuing Authority verifying that the Licensee has obtained alternative insurance in conformance with this Agreement.

(j) Neither this Section 10.1, nor the provision of insurance or insurance proceeds pursuant to this Section 10.1, shall limit the liability of the Licensee pursuant to this Renewal License.

13.3 Performance Bond

The Licensee shall submit and maintain throughout the License a faithful performance bond running to the Town with good and sufficient corporate surety satisfactory to the Issuing Authority in the amount of Thirty Thousand Dollars (\$30,000) securing the performance of Licensee's obligations under this Renewal License and as otherwise required by applicable law. The company providing such bond must be authorized to provide such bond in the Commonwealth of Massachusetts. In the event that a performance bond provided pursuant to this Renewal License is not renewed or is cancelled, Licensee shall provide new security pursuant to this Section 13.3 within thirty (30) days of such failure to renew or cancellation of the performance bond.

14 Enforcement or Revocation

14.1 Determination Of Breach

In the event that the Issuing Authority has reason to believe that the Licensee has defaulted in the performance of any material provision of the Renewal License, except as excused by force majeure, the Issuing Authority shall notify the Licensee in writing, by certified mail, of the provision or provisions of which the Issuing Authority believes Licensee to be in default and the details relating thereto. The Licensee shall have thirty (30) days from the receipt of such notice to:

(a) Respond to the Issuing Authority in writing, contesting the Issuing Authority's assertion of default and providing such information or documentation as may be necessary to support the Licensee's position; or

(b) Cure any such default within thirty (30) days of notice thereof; or, in the event that by nature of the default, such default cannot be cured within such thirty (30) day period, to take reasonable steps to cure said default and diligently continue such efforts until said default is cured.

In the event that the Licensee fails to respond to such notice of default, to cure the default or to take reasonable steps to cure the default, the Issuing Authority shall promptly schedule a public hearing no sooner than fourteen (14) days after a determination has been made by the Issuing Authority that Licensee has not appropriately responded, cured, nor taken appropriate measures to attempt to cure the default, and written notice, by certified mail, of such has been delivered to the Licensee. The Licensee shall be provided reasonable opportunity to offer evidence and be heard at such public hearing. If the Issuing Authority determines after public hearing that a continuing state of default exists, and that its cure is unlikely or untimely, Issuing Authority may determine to pursue any of the remedies available to it under law.

14.2 Revocation Of Renewal License

In the event that the Licensee fails to comply with any material provision of the Renewal License in any material fashion, the Issuing Authority may revoke the Renewal License granted, subject to the procedures of Law and the Renewal License and M.G.L. c 166A § 11, as it exists on the date hereof.

Upon revocation or termination, Issuing Authority may apply the provision of M.G.L. 166A § 5(f) and Section 627 of the Cable Act, which requires removal of the cable system.

14.3 Enforcement

Subject to applicable federal and State law, in the event the Issuing Authority, after the hearing set forth in subsection 14.1 above, determines that the Licensee is in default of any provision of the Renewal License, the Issuing Authority may:

- (i) Seek specific performance of any provision, which reasonably lends itself to such remedy, as an alternative to damages;
- (ii) Commence an action at law for monetary damages or seek other equitable relief;
- (iii) Foreclose on all or any appropriate part of the performance bond provided pursuant to Section 13.3 above;

- (iv) Invoke any other lawful remedy available to the Town.
- (v) In case of default of a material provision of this Renewal License, seek to revoke the Renewal License itself in accordance with Section 14.2 above.

No decision by the Issuing Authority or the Town to invoke any remedy under this License or under any statute, law or ordinance shall preclude the availability of injunctive relief or revocation remedies available under applicable laws.

14.4 Notice of Legal Action

Except in an emergency situation, in the event that the Licensee or the Issuing Authority intends to take legal action against the other party for any reason, it shall first: (i) give the other party reasonable notice that an action will be filed; (ii) meet with the other party promptly before it files any such action; and (iii) negotiate the issue, which is the subject of any proposed legal action, in good faith with the other party and/or its representative(s).

14.5 No Waiver

(a) Neither failure on the part of the Issuing Authority, the Town or the Licensee to exercise nor delay in exercising, any right in this Renewal License shall operate as a waiver thereof, nor shall either single or partial exercise of any such right preclude any other right, all subject to the conditions and limitations contained in this Renewal License.

(b) The failure of the Issuing Authority or the Town to take any action in the event of any breach by the Licensee shall not be deemed or construed to constitute a waiver of or otherwise affect the right of the Issuing Authority or the Town to take any action permitted by this Renewal License at any other time in the event that such breach has not been cured, or with respect to any other breach by the Licensee.

15 Miscellaneous Provisions

15.1 Force Majeure

If by reason of force majeure either party is unable in whole or in part to carry out its obligations hereunder, said party shall not be deemed in violation or default during the continuance of such inability. The term "force majeure" as used herein shall mean the following: Acts of God; acts of public enemies; orders of any kind of the government of the United States of America or of the Commonwealth of Massachusetts or any of their departments, agencies, political subdivision, or officials, or any civil or military authority, whether legal or illegal; insurrections; riots; epidemics; landslides; lightening; earthquakes; fires; hurricanes; volcanic activity; storms; floods; washouts; droughts; civil disturbances; explosions; strikes; labor work actions and unavailability of essential equipment, personnel, services and/or materials beyond the reasonable control of the party; and the inability of Licensee to obtain, on customary and reasonable terms, easements, permits or licenses for the attachment or placement of the Cable System, or parts thereof, to any pole or underground conduit not owned by Licensee, or any other cause or event not reasonably within the control of the disabled party.

15.2 Action of Parties

In any action by the Issuing Authority or the Licensee that is mandated or permitted under the terms hereof, such party shall act in a reasonable, expeditious and timely manner. Furthermore, in any instance where approval or consent is required under the terms hereof, such approval or consent shall not be unreasonably withheld.

(a) Every notice and/or request to be served upon the Issuing Authority shall be delivered by hand or sent by Federal Express or other express receipted delivery service or certified mail (postage prepaid) to the Board of Selectmen, Town of Douglas, Douglas Municipal Center, 29 Depot Street, Douglas, Massachusetts 01516, or such other address as the Issuing Authority may specify in writing to the Licensee. (b) Subject to Section 15.4(a) above, all required notices shall be in writing.

15.4 Severability

If any section, subsection, sentence, clause, phrase, or portion of this Renewal License is, for any reason, held invalid or unconstitutional by any court of competent jurisdiction, such portion shall be deemed a separate, distinct and independent provision and such holding shall not affect the validity of the remaining portions of this Renewal License.

15.5 Administration of Renewal License

This Renewal License is a contract and neither party may take any unilateral action that materially changes the explicit mutual promises and covenants contained herein. Any changes, modifications or amendments to this Renewal License must be made in writing, signed by the Issuing Authority and the Licensee.

15.6 No Recourse Against The Issuing Authority

Pursuant to Section 635A (a) of the Cable Act, the Licensee shall have no recourse against the Issuing Authority, the Town and/or its officials, boards, commission, committees, advisors, designees, agents, and/or its employees other than injunctive relief or declaratory relief, arising from the regulation of cable service or from a decision of approval or disapproval with respect to a grant, renewal, transfer, or amendment of this Renewal License.

15.7 Jurisdiction

Jurisdiction and venue over any dispute, action or suit arising from this Renewal License shall be in any court of appropriate venue and subject matter jurisdiction located in the Commonwealth of Massachusetts and the parties by this instrument subject themselves to the personal jurisdiction of said court for the entry of any such judgment and for the resolution of any dispute, action, or suit.
