Re: Review of Response Following Essential Services Finding
Facility: Beverly Hospital – Addison Gilbert Hospital Campus
Services: 4 Bed Intensive Care Unit
Ref. #: V93D-036

Dear Meghan Cosgrove:

On February 3, 2026, the Department of Public Health (the "Department") received from you, on behalf of Beverly Hospital, a response to our January 21, 2026, letter indicating that Addison Gilbert Hospital Campus (the "Hospital") must file a plan with the Department detailing how access to services will be maintained following the discontinuation of the 4-bed Intensive Care Unit (the "Service"). Thank you for responding to our request in a timely and comprehensive manner.

Pursuant to 105 CMR 130.122(G) the Department has completed its review of the submitted access plan. As a result of this review, the Department has determined that the plan appropriately assures access following the discontinuation of the Service at the Addison Gilbert Hospital Campus.

The Hospital may proceed with its plan to discontinue the Service. Please notify the Department of the actual discontinuance date when it occurs.

Thank you for your continued cooperation in this process. If you have any questions, please contact me at Stephen.Davis@Mass.Gov.

Sincerely,

A handwritten signature in black ink, appearing to read "Stephen Davis". The signature is fluid and cursive, with the first name "Stephen" written in a larger, more prominent script than the last name "Davis".
