2025 Massachusetts Nonresident or Part-Year Resident Income Tax

Turn the page for information on e-filing your return this year.

FORM 1-NR/PY

DRAFT AS OF NOVEMBER 26, 2025.

**Get ready to
e-file this year!**

There are three easy and convenient ways to do it.

1

E-File for Free

Many Massachusetts taxpayers qualify to file their federal and state returns for free. If you are eligible, you can use a Free File Alliance vendor to e-file for free. Massachusetts also partnered with the IRS Direct File program to provide another free option for filing federal and state tax returns. Check if you qualify at mass.gov/efile.

You may also be able to file your tax return online through DOR's MassTaxConnect. You qualify for this option if you previously filed a Massachusetts return, and the forms you need for your return are supported by the program.

2

Tax Preparation Software

You can also e-file using commercial tax filing products. Visit our website for a complete list of approved products. While some of these products offer a paper filing option, you may only use that if it includes a 2D barcode in the upper right corner of all pages. If you experience issues with 2D printing, contact the software company for instructions before filing to prevent rejection. Also, be sure to use the correct mailing address for 2D barcode forms: Massachusetts Department of Revenue, PO Box 7000, Boston, MA, 02204 for refunds or no payments, or Massachusetts Department of Revenue, PO Box 7003, Boston, MA, 02204 for payments. For more information, see DOR's online tax form instructions.

3

Tax Preparers

Most paid tax preparers offer e-filing services to help clients avoid errors, delays, and longer refund times. Legally, any preparer who files more than 10 Massachusetts income tax returns must e-file (TIR 11-13 includes a specific taxpayer opt-out option for this law). Preparers submitting paper returns for clients must meet certain requirements to avoid penalties and fines. A list of tax preparers is available on our website.

Additionally, free tax return preparation is available for qualifying taxpayers. Visit mass.gov/taxassistance to check if you qualify.

If Paper is Your Only Option

For some, filing on paper may be the only option. DOR now offers fillable PDF forms to complete your tax return, which makes the processing of your return easier and avoids delays. You can directly enter your tax information and print and send it to DOR. For more information, see mass.gov/dor/incomeforms.

Who Must File

You must file Massachusetts Form 1-NR/PY, Nonresident/Part-Year Resident Income Tax Return if you were not a resident of Massachusetts for any part of the year and the lesser of either:

1. Your Massachusetts source income was more than \$8,000; or
2. Your Massachusetts source income was more than your personal exemption amount multiplied by the ratio of your Massachusetts income to your total income.

You also must file Form 1-NR/PY if you were a resident of Massachusetts for part of the year and you had more than \$8,000 in gross income during that time, whether received from sources inside or outside of Massachusetts.

To see whether you are a full-year resident, nonresident, part-year resident, or a nonresident and part-year resident, determine which category applies to you:

1. You are a full-year resident if your residence (domicile) was in Massachusetts for the entire taxable year or if you maintained a permanent place of abode in Massachusetts and during the year spent more than 183 days, in the aggregate, in the state. If you fit this description, you should file Form 1, Massachusetts Resident Income Tax Return.
2. You are a nonresident if you are not a resident of Massachusetts as defined above but received Massachusetts source income (e.g. from a job in Massachusetts). Fill in the **Nonresident** oval at the top of the form if this category applies to you. A nonresident who is filing Form 1-NR/PY to report income not included on a Nonresident Composite Return filed on their behalf also should fill in the **Nonresident** oval.
3. You are a part-year resident if, during the taxable year, you moved to Massachusetts or established a permanent place of abode here and became a resident, or you terminated your status as a Massachusetts resident to establish a residence outside the state. Fill in the **Part-year resident** oval at the top of the form if this category applies to you.
4. If you were a Massachusetts resident for part of the 2025 tax year, and while you were not a resident of Massachusetts you received Massachusetts source income (e.g., from a job in Massachusetts), file as both a nonresident and part-year resident. Fill in the **Filing as both a nonresident and part-year resident** oval below the address section of the form if this category applies to you. Complete Schedule R/NR, Resident/Nonresident Worksheet, to calculate the portion of income received while a nonresident and the por-

tion of income received while a part-year resident. Schedule R/NR is included in this booklet.

5. Fill in the **Nonresident composite return** oval if this return is being filed as a composite return on behalf of nonresident professional athletic team members. See the instructions on page 9.

For more information on Massachusetts source income, refer to the section Filing Your Massachusetts Return.

Major 2025 Tax Changes

Filing Due Dates

Form 1-NR/PY is due on or before April 15, 2026.

4% Surtax

Starting with tax year 2023, personal income taxpayers must pay an additional 4% on taxable income over \$1,000,000, increased annually for inflation. For the 2025 tax year, the threshold is \$1,083,150.

Employer-Provided Parking, Transit Pass, and Commuter Highway Vehicle Benefits Exclusion Amounts

Massachusetts conforms to the federal income exclusion for employer-provided parking, transit pass, and commuter highway vehicle transportation benefits. The IRS has determined that the 2025 inflation-adjusted monthly exclusion amounts are \$325 for employer-provided parking and \$325 for combined transit pass and commuter highway vehicle transportation benefits.

Penalty for Failure to Obtain Health Insurance

Massachusetts requires most adults 18 and over with access to affordable health insurance to obtain it. In 2025, individuals must be enrolled in health insurance policies that meet minimum creditable coverage standards defined in regulations adopted by the Commonwealth Health Insurance Connector Authority (Health Connector).

Individuals who are deemed able to afford health insurance but fail to obtain it are generally subject to penalties in Massachusetts for each month of noncompliance in the tax year. The monthly penalties for 2025, which will be imposed through the individual's personal income tax return, are set out in Technical Information Release (TIR) 25-1 and are based on the monthly insurance premium for which an individual would have qualified through the Health Connector.

Withholding on Sales of Massachusetts Real Estate

Sales of Massachusetts real estate are subject to withholding on the gross sales price or estimated net gain from the sale, when the gross sales price equals or exceeds \$1,000,000. The amount withheld is calculated based on the gross sales price of the real estate, unless the seller elects the alternative withholding calculation based on the seller's estimated net gain from the sale of the real estate. The seller must report gain from the sale of real estate on their return for the tax year in which the sale takes place, and the seller may claim the amount withheld as a credit on their return. The credit is available for tax years beginning on or after January 1, 2025, for real estate closings that occur on or after November 1, 2025. There are many exemptions from the withholding requirement, including for sales by residents, but there are reporting requirements applicable to all sellers. For additional information see 830 CMR 62B.2.4 and the Department's website at mass.gov/dor.

Circuit Breaker Tax Credit

Taxpayers aged 65 or older who own or rent residential property located in Massachusetts are allowed a credit equal to the amount by which their total real estate tax payments, or 25% of their rent in the case of a renter, exceeds 10% of the taxpayer's total income. The credit cannot exceed a certain maximum amount that is determined by multiplying a statutory base amount by a cost-of-living adjustment for the calendar year in which the taxable year begins. The maximum credit for tax year 2025 is \$2,820.

The amount of the credit is subject to limitations based on the taxpayer's total income and the assessed value of the real estate, which for tax year 2025 must not exceed \$1,298,000. For purposes of calculating the credit, total income and maximum credit thresholds are adjusted annually for inflation. For tax year 2025, an eligible taxpayer's total income cannot exceed \$75,000 in the case of a single filer who is not a head of household filer; \$94,000 in the case of a head of household filer; and \$112,000 in the case of a joint filer.

To qualify for the credit, a taxpayer must be age 65 or older and must occupy the property as his or her principal residence.

Massachusetts Credits

Several new credits are available. In addition, certain existing credits have been revised. These are discussed in detail in TIR 24-16 and TIR 25-5.

New Climatetech Tax Incentive Program

The Climatetech Tax incentive program adds three new credits for eligible expenses incurred by climatetech companies in developing and deploying technologies aimed at mitigating or adapting to cli-

mate change. The credit takes effect for tax years beginning on or after January 1, 2024. A climatetech company must be certified as such by the Massachusetts clean energy technology center ("MassCETC").

The credits include the following.

- The Climatetech Incentive Jobs Credit is awarded in an amount determined by MassCETC (in consultation with the Department of Revenue) to climatetech companies that create at least five new jobs in the climatetech sector. The credit is available to both corporate excise and personal income tax filers.
- The Climatetech Capital Investment Credit is awarded in an amount, determined by MassCETC, up to fifty percent of a climatetech company's investment in a climatetech facility. The credit is available to both corporate excise and personal income tax filers.
- The Climatetech Qualified Research Expenses Credit is awarded at the discretion of MassCETC in an amount equal to the sum of (i) 10% of the excess of qualified research expenses for the taxable year, over a base amount, and (ii) 15% of the basic research payments as determined for federal tax purposes. The credit is available to corporate excise filers only.

See TIR 25-5, Section I, for a more detailed discussion of the credits, including eligibility, refundability, carryover of unused credits, and limitations on the credits.

New Live Theater Credit

The Live Theater Credit is available for costs incurred in presenting certain live theater productions in Massachusetts. The credit is equal to the sum of (i) 35% of a theater company's total in-state payroll costs, (ii) 25% of its total in-state production and performance expenditures, and (iii) 25% of its total in-state transportation expenses. The Massachusetts Office of Business Development awards the credit based on applications submitted by theater companies. The credit is available to both corporate excise and personal income tax filers. The credit is transferable but is not refundable. Unused credit may be carried forward for five years. The credit is available for tax years beginning on or after January 1, 2025, and will expire on January 1, 2030. For additional information see TIR 25-5, Section II.

New Homeownership Credit

The Homeownership Credit is available to real estate developers that build certain new housing units. The credit is awarded in an amount determined by the Massachusetts Housing Finance Agency based on applications submitted by developers. The credit is available to both corporate

excise and personal income tax filers. The credit is transferable but not refundable. The credit is available for tax years beginning on or after January 1, 2025. For additional information, including eligibility rules, see TIR 24-16, Section II.

New Qualified Conversion Credit

The Qualified Conversion Credit is available to real estate developers that convert existing commercial property to residential or mixed use. The credit is awarded in an amount determined by the Executive Office of Housing and Livable Communities based on applications submitted by developers. The credit cannot exceed 10% of a developer's costs. The credit is available to both corporate excise and personal income tax filers. The credit is transferable but not refundable. The credit is available for tax years beginning on or after January 1, 2025, and expires on December 31, 2029. For additional information see TIR 24-16, Section III.

Other Credits

Certain existing credits have been revised by recent legislation. These revisions expand the availability of the following credits for the tax years indicated:

- Community Investment Credit (effective for tax years beginning on or after January 1, 2025);
- Economic Development Incentive Program Credit, (effective for credits awarded on or after November 20, 2024);
- Historic Rehabilitation Credit, (effective for tax years beginning on or after January 1, 2024);
- Life Sciences Tax Incentive Program (effective for tax years beginning on or after January 1, 2024);
- Research Credit (effective for research expenses incurred on or after November 20, 2024);
- Offshore Wind Investment Tax Credit (effective retroactively for tax years beginning on or after January 1, 2023); and
- Offshore Wind Jobs Tax Credit (effective retroactively for tax years beginning on or after January 1, 2023).

For additional information see TIR 24-16 Sections IV and V and TIR 25-5 Sections V through VIII and X through XIII.

Single Sales Factor Apportionment

Effective for tax years beginning on or after January 1, 2025, personal income tax filers that are required to apportion their income to Massachusetts must do so by using the sales factor only. See TIR 24-4, Section IV, for a general discussion of this change.

Federal Conformity

In general, a taxpayer's Massachusetts gross income and many deductions are based on the taxpayer's federal gross income and deductions under the Internal Revenue Code (IRC) as of a specific date. For tax years beginning on or after January 1, 2024, the Massachusetts personal income tax generally conforms to the IRC as amended and in effect on January 1, 2024. For further information regarding federal tax law changes see TIR 24-14 and Working Draft TIR: Massachusetts Conformity to Certain Provisions in Public Law No. 119-21.

As a general rule, Massachusetts does not conform to personal income tax law changes to the IRC made after January 1, 2024. However, certain specific Massachusetts personal income tax provisions, as set forth in MGL ch. 62, § 1(c), automatically conform to the IRC currently in effect. The provisions of the IRC that Massachusetts conforms to on a current basis include those provisions relating to:

- Roth IRAs;
- IRAs;
- The exclusion for gain on the sale of a principal residence;
- Trade or business expenses;
- Travel expenses;
- Meals and entertainment expenses;
- The maximum deferral amount of government employees' deferred compensation plans;
- The deduction for health insurance costs of self-employed taxpayers;
- Medical and dental expenses;
- Annuities;
- Health savings accounts;
- Employer-provided health insurance coverage;
- Amounts received by an employee under a health and accident plan; and
- Contributions to qualified tuition programs.

Federal Tax Law Changes

Federal legislation passed in 2025 made a number of changes to the IRC. The Massachusetts personal income tax adopts only those changes that relate to provisions that Massachusetts adopts on a current basis (as listed above).

Note: Massachusetts does not adopt the federal deduction for tip income (IRC § 224) or the federal deduction for overtime pay (IRC § 225). For further information regarding federal tax law changes see TIR 24-14 and Working Draft TIR: Massachusetts Conformity to Certain Provisions in Public Law No. 119-21.

Privacy Act Notice

Under the authority of 42 USC § 405(c)(2)(C)(i), and MGL ch 62C, § 5, the DOR has the right to require an individual to furnish his or her Social Security number on a state tax return. This information is mandatory. DOR uses Social Security numbers for taxpayer identification to assist in processing and keeping track of returns and in determining and collecting the proper amount of tax due. Under MGL ch 62C, § 40, the taxpayer's identifying number is required to process a refund of overpaid taxes. Although tax return information is generally confidential pursuant to MGL ch 62C, § 21, DOR may disclose return information to other taxing authorities and those entities specified in MGL ch 62C, §§ 21, 22 or 23, and as otherwise authorized by law.

Filing Your Massachusetts Return

As a nonresident, you must file Form 1-NR/PY if your Massachusetts source income for 2025 exceeded the smaller of your apportioned personal exemption, or \$8,000.

Am I a Resident, Nonresident, or Part-Year Resident?

There are four different categories of resident status under Massachusetts tax law:

- You are a full-year resident if your residence (domicile) is in Massachusetts or if you maintain a permanent place of abode in Massachusetts and during the year spend more than 183 days, in the aggregate, in the state. If you fit this description you should file a Massachusetts Resident Income Tax Return, Form 1.
- You are a nonresident if you were not a resident of Massachusetts but received Massachusetts income (e.g., from a job in Massachusetts). You must report such income by filing a Massachusetts Form 1-NR/PY.
- You are a part-year resident if you either moved into or moved out of Massachusetts during the taxable year. In this case, you must reduce certain income, deductions and exemptions based on the number of days you were a resident or on the amount of your income that is subject to Massachusetts tax. Part-year residents must file a Massachusetts Form 1-NR/PY.
- You are both a nonresident and part-year resident if you meet the criteria above for both the part-year resident and nonresident categories. If

filing as a nonresident and part-year resident, the Schedule R/NR must be completed.

What Is Massachusetts Source Income for Nonresidents?

The term "Massachusetts source income" is used throughout this booklet to describe the types of income which are taxable to a nonresident.

A nonresident is only subject to tax on items of income derived from or effectively connected with:

- Any trade, business, or employment carried on in Massachusetts (see the following section);
- Participation in any lottery or wagering transaction in Massachusetts; or
- Ownership of any interest in real or tangible personal property located in Massachusetts.
- Some examples of the types of income taxable to a nonresident:
 - All wages, salaries, tips, bonuses, fees and other compensation which relate to activities carried on in Massachusetts, regardless of where or when the compensation is paid;
 - Unemployment compensation related to previous Massachusetts employment;
 - Profit from a business, trade, profession, partnership, or S corporation conducted in Massachusetts;
 - Rents and royalties from real and tangible personal property located in Massachusetts or from other business activities in Massachusetts;
 - Gain from the sale of real or tangible personal property located in Massachusetts;
 - Interest and dividends, only if derived from or connected with Massachusetts business activity, or the ownership of Massachusetts real estate or tangible personal property; and
 - The definition of Massachusetts source income now includes gain from the sale of a business or an interest in a business, separation, sick or vacation pay, deferred compensation, income from covenants not to compete, and nonqualified pension income that federal law allows states to tax.

Income from Massachusetts sources which is not taxed to residents is not taxed to nonresidents, e.g., interest on debt obligations of the U.S. and amounts received as Social Security and certain worker's compensation.

In general, the same exemptions and deductions allowed to residents are available to nonresidents to determine taxable income. These items are allowed, however, only to the extent they relate to, or are allocable to, Massachusetts source income.

Am I Carrying on a Trade, Business or Employment in Massachusetts as a Nonresident?

A nonresident generally does not have a trade, business or employment carried on in Massachusetts if his/her presence for business in Massachusetts is casual, isolated and inconsequential. A nonresident's presence for business will be considered casual, isolated and inconsequential if the nonresident's business presence in Massachusetts is ancillary to the nonresident's primary business or employment duties performed at a base of operations outside Massachusetts — for example, an occasional presence in Massachusetts for management functions, and other similar activities which are secondary to the individual's primary out-of-state duties.

Are Military Personnel Required to File?

If you enlisted in the service as a Massachusetts resident and have not established a new domicile (residence) elsewhere (refer to military guidelines) and if your gross income is more than \$8,000, you are required to file a Massachusetts resident income tax return. This applies even though you may be stationed outside of Massachusetts. The terms "residence" and "domicile" are used to denote that place where you have your permanent home and to which, whenever you are absent, you have the intention of returning. Nonresident military personnel stationed in Massachusetts may be subject to Massachusetts taxes and should file Form 1-NR/PY if they earn income from outside military sources.

Military spouses. The Military Spouses Residency Relief Act (P.L. 111- 97) prohibits a servicemember's spouse from either losing or acquiring a residence or domicile for purposes of taxation because of being absent or present in any U.S. tax jurisdiction solely to be with the servicemember in compliance with the servicemember's military orders. In general, for Massachusetts tax purposes, the law affects only servicemembers and their spouses who are domiciled in a state other than Massachusetts.

As of January 5, 2023, the Veterans Auto and Education Improvement Act (P.L. 117-333) allows a servicemember and the spouse of such servicemember to choose as their residence or domicile for each taxable year of the marriage, regardless of the date of the marriage, from any of the following: (a) the residence or domicile of the servicemember; (b) the residence or domicile of the spouse; or (c) the permanent duty station of the servicemember.

Note: Massachusetts excludes from gross income compensation earned by members of the armed forces for service in a combat zone, to the same extent it is excluded under federal law.

SUBJECT TO CHANGE.

No guidance is intended on the tax treatment of such pay under the laws of other states. Generally, when income is taxable in two jurisdictions, a credit for taxes paid to the other jurisdiction is allowed on the taxpayer's return in the state of his/her residence.

How Do I Determine My Residence (Domicile)?

Your residence is determined by all the facts and circumstances in your case. If you have two or more residences, your residence is the one you regard as your true home or principal residence. You cannot choose to make your home in one place for the general purposes of life and in another for tax purposes. Your residence is usually the place where you maintain your most important family, social, economic, political and religious ties. A change of residence will not be accomplished by a temporary or protracted absence from a place; you must not intend to return.

Note: A person is also considered a resident if they maintain a permanent place of abode in Massachusetts and spend more than 183 days, in the aggregate, in the state. See TIR 95-7 for a further explanation.

What is Gross Income for a Part-Year Resident?

As a part-year resident, you must file Form 1-NR/PY if your gross income was more than \$8,000 — whether received from sources inside or outside of Massachusetts.

Gross income for a part-year resident includes:

- All wages, salaries, tips, bonuses, fees and other compensation;
 - Taxable pensions and annuities;
 - Taxable alimony (see Schedule X instructions);
 - Income from a business, trade, profession, partnership, S corporation, trust or estate;
 - Rental, royalty and REMIC income;
 - Unemployment compensation;
 - Taxable interest and dividends;
 - Gambling winnings;
 - Capital gains;
 - Forgiveness of debt;
 - Mortgage forgiveness;
 - Taxable portion of scholarships and fellowships; and
 - Any other income not specifically exempt.
- Massachusetts gross income also includes the following which are not subject to the U.S. income tax:
- Interest from obligations of states and their political subdivisions, other than Massachusetts and its political subdivisions; and

- Income earned by a resident from foreign employment.

Massachusetts gross income does not include:

- Interest on obligations of the U.S. and U.S. territories;
- Pension income received from a contributory annuity, pension, endowment or retirement fund of the U.S. government or the Commonwealth of Massachusetts and its political subdivisions.
- Amounts received as U.S. Social Security, public welfare assistance, Veterans Administration disability payments, G.I. Bill education payments, certain worker's compensation, gifts, accident or life insurance payments, or certain payments received by Holocaust survivors; and
- Compensation earned by members of the armed forces for service in a combat zone (excluded to the same extent as under federal law).

What Adjustments Must I Make as a Part-Year Resident?

Part-year residents must adjust income, deductions and exemptions when completing Form 1-NR/PY. In general, these items are reduced because all of your income may not be subject to Massachusetts tax. Your deductions and exemptions are based on the number of days you were a Massachusetts resident or the amount of income that is subject to Massachusetts tax.

Income

Lines 5 through 11, 24, 27 and Schedule D, Line 21

If you received only a portion of the income you reported on your U.S. return while you were a Massachusetts resident, subtract from your U.S. income the amount earned and received while you were domiciled in another state or country. However, you may be required to include all income derived from Massachusetts sources received while you were a nonresident, such as from rental property or from a trade or business, including employment, on Schedule R/NR, Resident/Nonresident Worksheet. Such income now includes gains from the sale of a business or an interest in a business, separation, sick or vacation pay, deferred compensation, income from covenants not to compete, and nonqualified pension income that federal law allows states to tax.

Deductions

Lines 15 through 19

Most deductions are based on the actual amounts paid by you associated with the deduction for the period of time you were in Massachusetts.

The deductions listed below are based on the proration of the number of days you were a Massachusetts resident. See line 3 on Form 1-NR/PY for the proration formula.

- Schedule Y, line 6, Archer medical savings account (MSA) deduction;
- Schedule Y, line 8, health savings account deduction;
- Schedule Y, line 9c, charitable contribution deduction;
- Schedule Y, line 10, student loan interest deduction;
- Schedule Y, line 12, undergraduate student loan interest deduction;
- Schedule Y, line 15, commuter deduction; and
- Schedule Y, line 18, prepaid tuition or college savings program deduction and student loan repayment assistance deduction.

The deductions listed below are based on the actual amounts paid or received for the period of time you were in Massachusetts. For example, you may only deduct alimony (to the extent allowable as a deduction) paid while you were a Massachusetts resident. (See Schedule Y, line 3). Similarly, the deduction for attorney's fees and court costs involving certain unlawful discrimination suits (Schedule Y, line 9) must be directly related to Massachusetts income as reported on Form 1-NR/PY, line 12.

- Schedule Y, lines 2 through 4;
- Schedule Y, line 5, moving expenses;
- Schedule Y, line 7, self-employed health insurance deduction;
- Schedule Y, line 9a, Certain Qualified Deductions;
- Schedule Y, line 9b, Certain business expenses;
- Schedule Y, line 13, deductible amount of qualified contributory pension income from another state or political subdivision;
- Schedule Y, line 14, claim of right deduction; and
- Schedule Y, line 17, certain gambling losses.

Exemptions

Lines 4a through 4f

Your total exemptions (line 4g) must be prorated based upon the ratio of days you were a Massachusetts resident. To adjust your exemptions, use the formula in line 3 and see line 22 instructions.

Health Care Penalty

Line 39

If you are a part-year resident subject to the Health Care Penalty for 2025 and are not appealing the application of the penalty, enter the penalty amount from line 8 of the Health Care Penalty Worksheet in line 39a for you and/or line 39b for your spouse. Enter the total of lines 39a and 39b in line 39, but do not enter less than 0. Be sure to enclose Schedule HC with your return. Failure to do so will delay the processing of your return.

If married filing a joint return and both you and your spouse are subject to the penalty, separate Health Care Penalty Worksheets must be filled out to calculate the separate penalty amounts for you and your spouse, using your married filing jointly income.

A part-year resident taxpayer who does not have health insurance that meets the Massachusetts standard of minimum creditable coverage may be subject to a Massachusetts penalty.

Earned Income Credit Line 47

Your earned income credit (line 47) must be prorated based upon the ratio of days you were a Massachusetts resident. To adjust this credit, use the formula in line 3 and see line 47 instructions.

Should I Make Estimated Tax Payments in 2026?

Every taxpayer (whether a resident or nonresident) who expects to pay more than \$400 in Massachusetts income taxes on income which is not covered by Massachusetts withholding must pay Massachusetts estimated taxes. Estimated tax payments can be made online by using DOR's MassTaxConnect application at mass.gov/dor. See line 44 instructions for more information.

How Do I File a Decedent's Return?

A final income tax return must be filed for a taxpayer who died during the taxable year. It must be signed and filed by his/her executor, administrator or surviving spouse for the portion of the year before the taxpayer's death. Be sure to fill in oval 1 if the taxpayer who was listed first on last year's income tax return is deceased, or oval 2 if the taxpayer who was listed second on last year's income tax return is deceased. Enter the date of death for the deceased taxpayer. Also, enclose Form M-1310 with the refund claimant's name and Social Security number clearly printed.

A joint return may be filed by a surviving spouse. In the case of the death of both spouses, a final return must be filed by their legal representative.

Any income of \$100 or more received for the decedent for the taxable year after the decedent's death, and for succeeding taxable years until the estate is completed, must be reported each year on Massachusetts Form 2, Massachusetts Fiduciary Income Tax Return.

If the decedent's return shows a refund due, and if the Probate Court has not appointed a legal representative and none is contemplated, a Massachusetts Form M-1310, Statement of Claimant to Refund Due on Behalf of Deceased Taxpayer, must be enclosed with the return so the refund check may be made payable to the proper person.

When to File Your Return

Your 2025 Form 1-NR/PY is due on or before April 15, 2026.

Automatic Extensions

All taxpayers filing personal income tax returns are automatically granted a six-month extension of time to file their tax return as long as at least 80% of the total amount of tax ultimately due on or before the due date prescribed for payment of the tax has been paid. See TIR 16-10.

Also, if you are making a payment of \$5,000 or more, you are required to submit your extension payment electronically. Failure to do so will result in a penalty. If you are making a payment of less than \$5,000, you also have the option of filing your extension electronically. You do not need to file an extension if no payment is due. If there is a tax due with your extension, payment can be made through Electronic Funds Withdrawal.

Visit mass.gov/dor to file via the Web.

Form 1-NR/PY Extension Worksheet

1. Enter amount from Form 1-NR/PY, line 41
2. Enter the total of Form 1-NR/PY, lines 42 through 44 and 47 through 51
3. Amount due. Subtract line 2 from line 1, not less than 0

Note: Your extension will not be valid if you fail to pay 80% of your total tax liability through withholding, estimated tax payments or with your extension. Form M-4868 is available at mass.gov/dor or by calling (617) 887-6367 or toll-free in Massachusetts (800) 392-6089.

Must I File on a Calendar Year Basis?

No. You may file on a fiscal year basis if you keep your books and records on that fiscal year basis and if you receive permission from the Commissioner of Revenue. If you file on a fiscal year basis, you must file on or before the fifteenth day of the fourth month after the end of your fiscal year. Taxpayers filing on a fiscal year basis must complete and file Form 13, Notice of Designation of Fiscal Year, available at mass.gov/dor or by calling (617) 887-6367 or toll-free in Massachusetts (800) 392-6089.

Fiscal Year Filers

Fiscal year filers should file using the tax form for the calendar year within which the fiscal year begins or the short year falls. If the short year spans more than one calendar year, the filer should file using the tax form for the calendar year in which the short year began. If the current form is not

available at the time the short year filer must file, the filer should follow the rules explained in TIR 11-12.

What If I Am Unable to Pay?

If you are unable to pay the full amount of tax that you owe, you should pay as much of your tax liability as possible with this return. You will receive a bill from DOR for the remaining amount of tax due plus accrued interest and penalty charges. If the amount of that bill is less than \$10,000 and you still cannot pay it in full, you must apply formally to DOR for a small payment agreement in order to avoid collection activity. You can apply for a small payment agreement by visiting MassTaxConnect at mass.gov/masstaxconnect.

Note: Do not mail your request for a payment agreement with your tax return. Requests can be made once a bill is issued through DOR's MassTaxConnect application at mass.gov/dor or by calling DOR at (617) 887-6367 or toll-free in Massachusetts (800) 392-6089. Setting up a small payment agreement will allow you to make monthly payments within a set time period to satisfy your unpaid liability.

Name and Address

Print the full name, address, and Social Security number of each person filing the return in the spaces provided. Enter names as they appear on your federal return.

Social Security Number(s)

Be sure to enter your Social Security number on your return. Also, enter your Social Security number on pages 2 through 5 of Form 1-NR/PY and on page 2 of Schedules B or C, if filed. Failure to show the correct Social Security number in the space provided will delay the processing of your return. If filing jointly, list your numbers in the order they appear on your federal return. Also, be sure your employer has listed the correct Social Security number on your Form W-2. If you are married, you must list your spouse's name and Social Security number even if you are filing a separate return, except as provided below. See line 1 instructions for married filing a separate return.

To apply for an SSN, you must complete Form SS-5. Form SS-5 is available online at socialsecurity.gov, from your local Social Security Administration (SSA) office, or by calling the SSA at (800) 772-1213. It usually takes about two weeks to receive an SSN. If you are a nonresident or resident alien and you do not have and are not eligible for an SSN, you must apply for an ITIN. For details on how to do so, see Form W-7 and its instructions. Form W-7 is available online at irs.gov or by calling the IRS at (800) 829-1040. It usually takes about four to six weeks to receive an ITIN.

Note: You must wait until you receive an ITIN or SSN to file your Massachusetts return.

Filing an Amended Return

Note: When filing an Amended return, the **Amended return** oval must be filled in. For example, if you are filing an Amended return due to a Federal amendment, both the **Amended return** oval and the **Federal amendment** oval must be filled in.

Filing an Amended Return

If you need to change a line item on your return, complete a new return with the corrected information and fill in the **Amended return** oval. Your amended return must include all schedules filed with the original return even if there are no changes to the schedules. Mail your amended return to the same address used for original returns. Do not file Form ABT with your amended return. An amended return can be filed to either increase or decrease your tax. An amended return should also be filed to correct a credit amount (such as withholding) or to dispute a health care penalty. Generally, an amended return must be filed within three years of the date that your original return was filed. Visit mass.gov/dor/amend for more information about filing an amended return.

Federal Changes

If your amended return includes changes you have reported on an amended federal return filed with the IRS for the same tax year or if you are amending due to changes as a result of a federal audit, fill in the **Federal amendment** oval.

If your amended return does not report changes that result from the filing of a federal amended return or from a federal audit (for example, if the amended Massachusetts return is reporting a rental deduction not claimed on the original return) fill in only the **Amended return** oval.

Other Jurisdiction Change

If your amended return includes changes resulting from another state or jurisdiction audit or change, fill in the **Other Jurisdiction change** oval and enter date of change in the space provided.

Amended return due to IRS BBA Partnership Audit

If your amended return includes changes made due to an IRS BBA Audit, fill in the **Amended return due to IRS BBA Partnership Audit** oval.

Consent to Extend the Time to Act on an Amended Return treated as Abatement Application

In certain instances, an amended return showing a reduction of tax may be treated by DOR as an abatement application. Under such circumstances, by filing an amended return, you are giving your consent for the Commissioner of Revenue to act upon the abatement application after six months from the date of filing. See TIR 16-11. You may withdraw such consent at any time by con-

tacting the DOR in writing. If consent is withdrawn, any requested reduction in tax will be deemed denied either at the expiration of six months from the date of filing or the date consent is withdrawn, whichever is later.

Filing an Application for Abatement

File an Application for Abatement only to dispute one of the following:

- Penalties
- Audit assessments
- Responsible person determinations

For the fastest response time, file your dispute online at mass.gov/masstaxconnect. If you cannot file online, use Form ABT.

Visit mass.gov/dor/amend for additional information about filing an amended return, or filing an application for abatement.

Form 1-NR/PY Frequent Errors

Not entering the information below correctly may result in an item being adjusted or removed.

- **Name** – Enter your name as shown on your government-issued ID with the first, last and middle in the designated fields for each type.
- **Line 4c** – You must fill in the bubble for each spouse over 65 and enter a “1” or “2” in the Total box accordingly.
- **Line 5** – If you are a Massachusetts state, city, town, or county employee, you must report the State wages, tips etc. amount from box 16 of Form W-2.
- **Line 18** – Enter the total qualified rent paid in 2025 in the box, then divide by 2.
- **Line 42** – You must submit all documents that have Massachusetts withholding, including pass-through entity or K-1 withholding. You must also enclose Schedule 62-WH.
- **Lines 43 and 44** – Be sure to differentiate any overpayment from 2024 as a credit carry forward on line 43 and do not list it as 2025 estimated tax payment on line 44.
- **Line 48** – Schedule CB must be completed and submitted with your return.
- **Line 53** – Excess Paid Family Leave withholding (PFML) is not the amount shown on your Form W-2. You must use the worksheet for line 53 to see if you qualify and to calculate the excess amount. Each taxpayer would need to have multiple W-2's and to have paid PFML greater than \$810.06 to qualify. Or, have paid on the gross amount of self-employment income, not the net.
- **Schedules B, C, D** – Entries should be positive values unless there is a box to mark to indicate a negative value.

- **Schedule HC** – You must complete and submit Schedule HC showing the subscriber number, member ID or group number from insurance card. Form 1095 is a federal form and cannot be used to report health care coverage in Massachusetts.

Voluntary Contribution to State Election Campaign Fund (part-year residents only)

You, and your spouse if filing jointly, may voluntarily contribute \$1 each to the state Election Campaign Fund. The purpose of the fund is to provide limited public financing for campaigns of eligible candidates for statewide and elective office. This contribution will not change your tax or reduce your refund.

Veterans Benefits

Fill in the appropriate oval(s) for you, and/or your spouse if married filing a joint return, if you are a veteran who served in the Armed Forces of the United States in active service as part of Operation Enduring Freedom, Operation Iraqi Freedom, Operation Noble Eagle or Operation Sinai Peninsula and were discharged under honorable conditions and were domiciled for six months in Massachusetts immediately prior to entry into the Armed Forces. DOR will then forward the name and address to the Department of Veterans' Services and the adjutant general of the Massachusetts National Guard to verify eligibility for any benefits you may be entitled to.

Deceased Taxpayer

Be sure to fill in the appropriate oval if a taxpayer died during the taxable year. For further information, refer to the section How Do I File a Decedent's Return? in the instructions.

Under Age 18

If you are under age 18 as of January 1, 2026, be sure to fill in the oval(s).

Name Change

If you legally changed your name since the last time you filed a Massachusetts tax return, fill in the oval. Enclose a copy of your Social Security card or government-issued ID (i.e., driver's license, passport, etc.) showing your new name. Failure to include this documentation could delay processing of your return.

Noncustodial Parent

Fill in the oval if you are a noncustodial parent. A noncustodial parent is defined as a person who has a minor child, but does not live with the child.

Note: If you are the biological parent of a child, but your parental rights have been terminated, you are not the noncustodial parent of that child.

Custodial Parent

Fill in the **Custodial parent who has released claim to exemption for child(ren)** oval if you are claiming the head of household filing status and you have released your claim to one or

more dependent exemptions on IRS Form 8332, or participated in a decree or agreement to allow the noncustodial parent to claim a dependency exemption.

Schedule TDS. Inconsistent Filing Position Penalty

Fill in the oval and enclose Schedule TDS, Taxpayer Disclosure Statement, if you are disclosing any inconsistent filing positions. Schedule TDS is available on our website at mass.gov/dor. The inconsistent filing position penalty (see TIR 06-5, section IV) applies to taxpayers that take an inconsistent position in reporting income. These taxpayers must “disclose the inconsistency” when filing their Massachusetts return. If such inconsistency is not disclosed, the taxpayer will be subject to a penalty equal to the amount of tax attributable to the inconsistency. This penalty is in addition to any other penalties that may apply.

A taxpayer is deemed to have taken an “inconsistent position” when the taxpayer pays less tax in Massachusetts based upon an interpretation of Massachusetts law that differs from the position taken by the taxpayer in another state where the taxpayer files a return and the governing law in that other state “is the same in all material respects” as the Massachusetts law. The Commissioner may waive or abate the penalty if the inconsistency or failure to disclose was attributable to reasonable cause and not willful neglect.

Schedule FCI. Foreign Corporation Income

Fill in the oval and enclose Schedule FCI (Foreign Corporation Income) if you are required to complete and file Schedule FCI with your return. All taxpayers with foreign corporation income (including Global Intangible Low-Taxed Income (GILTI)) must complete Schedule FCI. GILTI should be included in dividend income on Schedule B, Part 1, line 3. Detailed instructions for completing Schedule FCI are available on DOR's website. See Schedule FCI and Instructions.

Digital Assets

Fill in the oval if at any time during 2025 you received (as a reward, award, or payment for property or services) a digital asset, or sold, exchanged, otherwise disposed of a digital asset (or a financial interest in a digital asset) or you received a Form 1099-DA. Digital assets include non-fungible tokens (NFTs) and virtual currencies, such as cryptocurrencies and stablecoins.

Residency Status

Fill in the **Nonresident** oval if you were not a resident of Massachusetts and you received Massachusetts source income. See the section What is Massachusetts Source Income for Nonresidents? for an explanation of Massachusetts source income.

Fill in the **Part-year resident** oval if you were a resident of Massachusetts for less than the full year and you did not receive Massachusetts source income while a nonresident.

Fill in the **Filing both as a nonresident and part-year resident** oval if both categories apply to you in the same tax year. See the section Who Must File. You must also complete and enclose with your return Schedule R/NR, Resident/Nonresident Worksheet.

Nonresident Composite Return for Professional Athletic Team Members

Massachusetts allows professional athletic teams to file a composite return and make estimated tax payments as an agent on behalf of two or more qualified electing nonresident team members. Eligible members of a composite return must meet the following requirements:

- Must be nonresidents for the entire taxable year;
- Must elect to be included in the composite return by signing a statement;
- Must agree to be subject to Massachusetts tax jurisdiction; and
- Must waive the right to claim deductions, exemptions and credits allowable under MGL ch 62, §§ 3, 5 and 6. Taxpayers filing a nonresident composite return should enter 0 on Form 1-NR/PY, lines 20 (total deductions), 22 (exemption amount) and lines 33 to 35 (credits).

Each electing nonresident team member must sign under penalties of perjury a statement affirmatively stating such team member's qualifications and election to file a composite return. The composite return is filed on Massachusetts Form 1-NR/PY along with the applicable schedules and attachments. The total Massachusetts gross income reported on the composite Form 1-NR/PY must be the sum of all the qualified electing nonresident members' Massachusetts source income.

Be sure to fill in the **Nonresident composite return** oval if this category applies to you.

Note: Lines without specific instructions are considered to be self-explanatory.

a. Total Federal Income

Enter your total federal income (from U.S. Form 1040, line 9). If married filing separately and living in the same household for the last six months of 2025, each spouse must combine their income figures from their separate U.S. returns when completing this section, unless you did not live with your spouse on 12/31/2025 and were legally separated under a written separation agreement or a decree of separate maintenance. Do not combine your income figures if you are a victim of domestic abuse and living apart from your spouse at the time you file your return. If you did not have a

requirement to file a U.S. return, you must enter 0 in this section.

Note: Failure to enter this information will delay the processing of your return.

b. Federal Adjusted Gross Income

Enter your federal adjusted gross income (from U.S. Form 1040, line 11a or U.S. Form 1040-NR, line 11a). If married filing separately and living in the same household for the last six months of 2025, each spouse must combine their income figures from their separate U.S. returns when completing this section unless you did not live with your spouse on 12/31/2025 and were legally separated under a written separation agreement or a decree of separate maintenance. Do not combine your income figures if you are a victim of domestic abuse and living apart from your spouse at the time you file your return. If you did not have a requirement to file a U.S. return, you must enter 0 in this section.

Note: Failure to enter this information will delay the processing of your return.

Line 1. Filing Status

Note: More than one filing status may apply to you. If so, you may wish to figure your taxes based upon more than one filing status to see which status is to your benefit and select only one.

Fill in the **if not using same filing status on the federal return** oval if you and your spouse filed a joint federal return but are not filing a joint Massachusetts return. For tax years beginning on or after January 1, 2024, a consistent filing requirement exists which requires married couples to file a joint Massachusetts return in any year in which they file a joint federal return. If one of the spouses does not have a Massachusetts filing requirement because their Massachusetts gross income does not exceed \$8,000, an exemption applies where they may choose the married filing separate return status. Generally, a joint Form 1 is not allowed unless both spouses were Massachusetts residents for the same portion of 2025. See TIR 24-4 and regulation 830 CMR 62.5A(11), Nonresident Income Tax, for additional information.

Single

Fill in the **Single** oval if you were single as of December 31, 2025. This status applies to you if, at the close of the taxable year, you fit into any of the following categories:

- You were unmarried;
- You were a widow or a widower whose spouse died before 2025; or
- You were legally separated under a final judgment of the probate court.

Note: You are not single if:

- You have obtained a judgment of divorce which has not yet become final;

- You have a temporary support order; or
- You and your spouse simply choose to live apart.

Married Filing Joint Return

Fill in the **Married filing joint return** oval if you were legally married as of December 31, 2025, and you elect to file a joint return. A joint return is allowed even if only one spouse had income. Both spouses are responsible for the accuracy of all information entered on a joint return, and both must sign. If your spouse died during 2025, you may still choose to file a joint return.

Note: A joint Form 1-NR/PY is generally not allowed unless each spouse is reporting income for the same resident or nonresident period. For example, John (a Massachusetts resident) and Jane (a New Hampshire resident) both work in Massachusetts. After they were married in June 2025, John moved to New Hampshire to live with Jane. They cannot file a joint return because their nonresident tax years are different. (Jane lived in New Hampshire during the entire year, but John only lived there for six months.)

Married Filing Separate Return

Fill in the **Married filing separate return** oval if you were legally married as of December 31, 2025, but you elect to file separately. Enter your spouse's name and Social Security number in the space provided.

If your spouse is a nonresident alien and does not have and is not required to have a Social Security number (SSN) or Individual Taxpayer Identification Number (ITIN), fill in the **NRA** oval.

Note: Only fill in the NRA oval if, on your U.S. 1040, you entered NRA in the space below the filing status checkboxes to indicate that your spouse is a nonresident alien who does not have and is not required to have a SSN or ITIN.

Head of Household

Fill in the **Head of household** oval if you qualify to file this status federally. This status is for unmarried people who paid over half the cost of keeping up a home for a qualifying person, such as a child who lived with you or your dependent parent. Be sure to include such qualifying person on Schedule DI, Dependent Information. Certain married people who lived apart from their spouse for the last six months of 2025 and who meet all of the other federal requirements may also be able to use this status. See IRS Publication 501, Exemptions, Standard Deduction, and Filing Information, for more information.

Lines 2 and 3. Part-Year Resident Proration Formula

Part-year residents must fill out the proration formula in lines 2 and 3. Enter the dates you were a Massachusetts resident in the spaces provided. Then, enter the total days you were a Massachusetts resident and divide this number by 365 and carry this division out to four decimal places. Failure to do so may delay the processing of your return. This figure is used to determine the portion of certain deductions, exemptions, and the earned income credit a part-year resident may be eligible to claim.

Whole Dollar Method Required

DOR requires that the whole dollar method be used for entries made on forms or schedules. For example, amounts between \$1.00 and \$1.49 should be entered as \$1.00 and amounts between \$1.50 and \$2.00 should be entered as \$2.00. However, calculations on worksheets used to reach amounts shown on the return may be made in either of the following ways:

- Round amounts before adding them up and enter the resulting total on the form; or
- Add amounts to the penny, and then round to the whole dollar for entry on the form.

Either method is acceptable as long as one method is used consistently throughout the return.

Line 4. Exemptions**Line 4a. Personal Exemptions**

Each taxpayer is entitled to claim a personal exemption. The amount of your personal exemption depends on your filing status in line 1.

- If you are single or married filing a separate return, enter \$4,400 in line 4a.
- If filing as head of household, enter \$6,800 in line 4a.
- If married filing a joint return, enter \$8,800 in line 4a.

Line 4b. Number of Dependents

You may claim a \$1,000 exemption for each of your dependents if you claimed them on your U.S. return. Enter in the box in item b the number of dependents you listed on U.S. Form 1040 or U.S. Form 1040NR. Do not include yourself or your spouse. Then, multiply that total by \$1,000 and enter the total amount in line 4b. Be sure to fill out Schedule DI, Dependent Information, if you are claiming a dependent exemption(s). Failure to do so will delay the processing of your return.

Line 4c. Age 65 or Over Before 2026

You are allowed an additional \$700 exemption if you were age 65 or over before January 1, 2026. If your spouse was age 65 or over and you are filing

a joint return, you may also claim a \$700 exemption for your spouse. Fill in the appropriate oval(s) and enter the total number of persons age 65 or over in the small box. Multiply that total by \$700 and enter the total in line 4c.

Note: Only one person (or married couple filing jointly) may claim the dependent exemption for any one child or other dependent.

Line 4d. Blindness Exemption

You are allowed an additional \$2,200 exemption if you are legally blind. If your spouse is also legally blind and you are filing a joint return, you may also claim a \$2,200 exemption for your spouse. Fill in the appropriate oval(s) and enter the total number of blindness exemptions in the small box. Then, multiply that total by \$2,200 and enter the total amount in line 4d.

Legal Definition of Blindness

You are legally blind and qualify for the blindness exemption if your visual acuity with correction is 20/200 or less in the better eye, or if your peripheral field of vision has been contracted to a 10-degree radius or less, regardless of visual acuity.

Line 4e. Medical/Dental Expenses

You may claim an exemption for medical and dental expenses paid during 2025 only if you itemized these expenses on your U.S. Form 1040, Schedule A. If you are married filing a joint U.S. Form 1040, you must file a joint Massachusetts Form 1-NR/PY to claim this exemption. Enter in line 4e the amount reported on your U.S. Form 1040, Schedule A, line 4.

Line 4f. Adoption Agency Fee

If you paid adoption fees to a licensed adoption agency during 2025, you are eligible for an exemption of the total amount of the fees paid during the year. Fees paid during 2025 to an agency licensed to place children for adoption on account of the adoption process of a minor child regardless of whether an adoption actually took place during 2025 should also be included for this exemption. Enter this amount in line 4f.

Lines 5 through 11

► Income received by nonresidents is taxed only when it is from Massachusetts sources. Refer to the general instructions in this booklet for a definition of Massachusetts source income. The instructions for each of these lines will describe Massachusetts source income in more detail. For part-year residents, income received while a resident, whether from sources inside or outside of Massachusetts, is taxable.

► Your entries must agree with the appropriate amounts on your copies of Forms W-2 and 1099, and/or required schedules for lines 8 and 9. Nonresidents, if your actual Massachusetts source

income is not known, see the Nonresident Apportionment Worksheet in line 13 and accompanying instructions.

5.0% Income

If filing as both a nonresident and part-year resident, you must complete Schedule R/NR, Resident/Nonresident Worksheet, before proceeding.

Line 5. Wages, Salaries, Tips and Other Employee Compensation

Note: Massachusetts does not adopt the federal deduction for tip income (IRC § 224) or the federal deduction for overtime pay (IRC § 225).

Report in line 5 total state wages from Form(s) W-2. Enter the amount(s) stated as Massachusetts wages.

Note: Part-year residents, income earned while a Massachusetts resident in another state is subject to taxation in Massachusetts.

In most cases your total wages will be the same amount reported on your U.S. 1040, line 1z or U.S. 1040-NR, line 1z unless:

- You or your spouse earned income from employment outside Massachusetts (nonresidents only);
- You were a Massachusetts resident working in a foreign country (part-year residents only);
- You were a resident of Massachusetts for only a part of 2025; or
- You were a state or local employee and made contributions to a Massachusetts state or local pension plan.

Differences Between Wages for Massachusetts Tax Purposes and Those Reported on Your U.S. Returns

Nonresidents earning a portion of income from employment outside Massachusetts. If a portion of the wage income reported on your U.S. return was earned outside Massachusetts, the amount in line 5 should not include wages earned in another state or country.

Massachusetts residents working in a foreign country while a Massachusetts resident. Income earned in a foreign country is subject to taxation in Massachusetts. If you excluded part or all of the compensation earned in a foreign country on your U.S. return (under § 911 of the IRC), you must include any such amount in line 5 for Massachusetts tax purposes.

Part-year residents of Massachusetts. If you earned only a portion of the income you reported on your U.S. return while you were a Massachusetts resident, subtract from your U.S. wages the amount earned and received while you were domiciled in another state or country.

State or local employees contributing to pension plans. If you are a Massachusetts state, city, town or county employee and contributed to your pension plan, enter in line 5 the Form W-2 state wage amount. This amount will be greater than the U.S. amount because your pension contributions are excluded from your income for U.S. tax purposes. Contributions up to \$2,000 may be deducted in line 15a or 15b for Massachusetts tax purposes.

Medicaid waiver payments. To the extent included in line 5, reduce line amount by the amount of Medicaid waiver payments reported on U.S. Schedule 1, line 8s.

Line 6. Taxable Pensions and Annuities

Nonresidents. Under Title 4 of the USC § 114, payments to nonresidents from certain qualified pension plans are not subject to tax.

Qualified plans include:

- A qualified trust under IRC § 401(a) exempt from taxation under IRC § 501(a);
- Simplified IRC § 408(k) plans;
- IRC § 403(a) annuity plans;
- IRC § 403(b) annuity contracts;
- IRC § 7701(a) (37) individual retirement plans;
- Eligible deferred compensation plans of state and local governments and tax exempt organizations as defined by IRC 457;
- IRC § 414(d) government plans; a trust or trusts described in IRC § 501(c) (18); and
- Any plan, program or arrangement described in IRC § 3121(v)(2)(C) or any plan, program, or arrangement that is in writing, that provides for retirement payments in recognition of prior service to be made to a retired partner, and that is in effect immediately before retirement begins if payments are made at least annually and spread over the actuarial life expectancy of the beneficiaries, or if payments are spread over at least a ten year period.

Such income is also protected from state taxation if the plans are trusts under IRC § 401(a), but exceed limits laid down in IRC §§ 401(k), 401(m), 402(g), 403(b), 408(k) or 415 or any other limitation on contributions or benefits which may apply in the Code.

Retirement or retainer pay of a member or former member of a uniformed service computed under 10 USC ch 71 (military pensions) received by a nonresident is also exempt.

Any income from pensions related to a Massachusetts trade, business or employment that is not derived from one of the qualified pension plans listed above is taxable. Enter in line 6 the portion of those pensions reported on your U.S. Form 1040, line 5a, that are taxable to Massachusetts nonresidents.

Part-year residents. Income from most private pensions or annuity plans is taxable in Massachusetts. You must report the taxable pension income you received while a resident of Massachusetts. Certain government pensions, however, are exempt under Massachusetts law. In general, exempt pensions include contributory pensions from the U.S. government or the Commonwealth of Massachusetts and its political subdivisions, and noncontributory military pensions. The following section describes some specific pensions which are exempt. If your pension is not exempt, you should generally enter in line 6 the taxable amount reported on your U.S. Form 1040, line 5b. In some cases, however, Massachusetts law requires an adjustment to the federal amount. Distributions from annuity, stock bonus, pension, profit-sharing or deferred payment plans or contracts described in §§ 403(b) and 404 of the IRC must be adjusted to account for your contributions that have been previously taxed. Subtract from such income (as reported on your U.S. Form 1040, line 5a) the amount of your contributions which were previously taxed by Massachusetts until the total of your taxed contributions is received. If your pension falls into this category, enter the adjusted amount in line 6 and explain briefly (in an enclosed statement) why this amount is different than the amount reported on your U.S. return. If you are receiving distributions from an IRA or Keogh plan, do not report the income here; instead, see the instructions for Schedule X, line 2.

What Pensions are Exempt?

- Pension income received from a contributory annuity, pension, endowment or retirement fund of the U.S. government or the Commonwealth of Massachusetts and its political subdivisions.
- Pension income from other states or their political subdivisions which do not tax such income from Massachusetts, or its political subdivisions must be reported in line 6. However, this income may be eligible for a deduction on Schedule Y line 13. Refer to the instructions for Schedule Y line 13 to determine eligibility for this deduction.
- Noncontributory pension income or survivorship benefits received from the U.S. uniformed services (Army, Navy, Marine Corps, Air Force, Coast Guard, commissioned corps of the Public Health Service and National Oceanic and Atmospheric Administration) is exempt from taxation in Massachusetts.
- Massachusetts state court judges who were appointed on or after January 2, 1975 are participants in the Massachusetts contributory retirement system and their pensions are nontaxable. State court judges who were appointed prior to January 2, 1975 receive taxable noncontributory pensions.

If you retired under MGL ch 32, §§ 56–60 and are a veteran who began Massachusetts state service prior to July 1, 1939, all or part of your pension income may be subject to tax. If you elected to receive your proceeds from contributions in one lump-sum distribution, your original contributions to the retirement system are not taxable. Noncontributory pension income received after a lump-sum distribution is fully taxable and should be reported in line 6.

How do I report lump-sum distributions?

If you were an employee of the U.S., Massachusetts or one of its political subdivisions and left public employment prior to retirement, you are not required to report as income the lump-sum distribution of your previously-taxed pension contributions.

Lump-sum distributions of qualified employee benefit plans in excess of the employee's contributions which were previously subject to Massachusetts tax (or not previously excluded from Massachusetts tax) must be reported in line 6. Generally, qualified rollovers are not taxable in Massachusetts to the extent they are not taxable on your U.S. return. Lump-sum distributions related to IRA/Keogh distributions should be reported on Schedule X, line 2.

Rollover from a traditional IRA to a Roth IRA (part-year residents only). Taxpayers are allowed to make partial or complete rollovers from existing IRAs to Roth IRAs. Any taxable portion of these rollovers included in federal gross income received while a resident of Massachusetts is also included in Massachusetts gross income, except for amounts previously subject to Massachusetts personal income tax. See Schedule X, line 2 instructions for further details.

Note: Massachusetts does not tax Social Security income, therefore, you should not report such income on Massachusetts Form 1-NR/PY.

Line 7. Interest from Massachusetts Banks
Nonresidents. Interest income is only taxable if it is related to a Massachusetts trade, business, profession, partnership or S corporation, or to the ownership of real estate or tangible personal property located in Massachusetts.

Part-year residents. While a resident of Massachusetts, interest received from any savings banks, cooperative banks, national banks, trust companies, savings and loan associations or credit unions located in Massachusetts is taxable.

Nonresidents and part-year residents, report in line 7 such interest taxable by Massachusetts.

To report interest taxable to a nonresident or part-year resident from banks located in Massachusetts, enter in line 7 amounts of interest received

or credited to these deposit accounts (term and time deposits, including certificates of deposit, savings accounts, savings shares, and NOW accounts). Combine all accounts at the same bank. Enclose a statement listing names of all savings banks, cooperative banks, national banks, trust companies, savings and loan associations or credit unions in which you have deposit accounts.

Do not subtract interest forfeited or penalties charged to you for early savings withdrawal. You may be allowed to deduct these amounts on Schedule Y, line 2. All other interest, unless exempt, should be entered on Massachusetts Schedule B. The interest on an IRA/Keogh is not taxable until distributed.

Line 8a. Business/Profession Income or Loss

Enter in line 8a the amount of income or loss from a business or profession from Massachusetts Schedule C, line 37. You must enclose Massachusetts Schedule C with this return. U.S. Schedule C is no longer allowed as a substitute for the Massachusetts Schedule C.

Note: Following the Code Update, you may not deduct an excess business loss (EBL) for tax year 2025. For federal purposes, your EBL, if any, is determined using U.S. Form 461 and is added back to your income on U.S. Form 1040, Schedule 1, line 8p. You must also add back EBL to Massachusetts income. To do so, use Massachusetts Schedule X, line 6. See instructions for that line for more information.

Line 8b. Farm Income or Loss

If you operate a farm as an individual or cooperative, enter in line 8b the amount of income or loss from operating a farm from U.S. Schedule F, Profit or Loss from Farming, line 34. Enclose a copy of U.S. Schedule F. Complete a pro-forma U.S. Schedule F to report Massachusetts differences, such as bonus depreciation.

Line 9. Rental, Royalty, REMIC, Partnership, S Corporation, Trust Income or Loss

Taxpayers with income or loss reported on a Schedule E must file his or her tax return using computer-generated forms produced by third-party software. The tax return may be generated by the taxpayer or by a tax professional. The taxpayer is encouraged, but not required, to submit the return electronically. Paper forms produced using the third-party software product will contain a two-dimensional (2D) bar code and will also be accepted. If the taxpayer hires an income tax preparer to complete the taxpayer's taxes, the preparer must follow the Commissioner's electronic filing rules. See TIRs 08-22 and 16-9 for more information.

If you do not have access to a software package when filing your 2025 income tax return, you may file your Schedule(s) E on paper. Visit our website at mass.gov/dor to download a paper copy of the 2025 Schedule(s) E, E-1, E-2, E-3 (and instructions) to file with your income tax return.

Line 10a. Unemployment Compensation

Nonresidents. Enter in line 10a the portion of your unemployment compensation reported in U.S. Form 1040, Schedule 1, line 7, related to previous Massachusetts employment. Only unemployment compensation related to previous Massachusetts employment is taxable to nonresidents. If you elected voluntary withholding of Massachusetts state income taxes on your unemployment compensation, be sure to include the amount of Massachusetts state income tax withheld as reported on Form 1099-G on Form 1-NR/PY, line 42b and enclose Form 1099-G.

Part-year residents. Enter in line 10a the portion of unemployment compensation reported in U.S. Form 1040, Schedule 1, line 7, received while you were a resident of Massachusetts, whether related to employment inside or outside of Massachusetts. If you elected voluntary withholding of Massachusetts state income taxes on your unemployment compensation, be sure to include the amount of Massachusetts state income tax withheld as reported on Form 1099-G on Form 1-NR/PY, line 42b and enclose Form 1099-G.

If filing as both a part-year resident and nonresident, refer to Schedule R/NR.

Line 10b. Massachusetts State Lottery Winnings

Enter in line 10b net winnings (total winnings minus cost of winning ticket(s)) from the Massachusetts state lottery. Do not enter less than 0. You may only deduct the price of your winning ticket. Lottery losses claimed as itemized deductions on U.S. Form 1040, Schedule A are not allowed on your Massachusetts return.

Line 11. Other Income (from Schedule X) Taxable alimony received, taxable IRA/Keogh and Roth IRA Conversion Distributions, Other Gambling Winnings, Fees and Other 5.0% Income, PFML taxable distributions and Excess Business Loss Adjustment

"Other 5.0% income" includes the items listed above and must be included on Schedule X. Enter the total from Schedule X, line 7. Not less than 0. Be sure to enclose Schedule X with your return. Enclose an additional statement if more space is needed. Failure to enclose this schedule will delay the processing of your return. See Schedule X instructions.

Apportionment — Nonresidents Only

Sometimes your business or employment requires you to work both inside and outside Massachusetts, but you do not know the actual amount of income you earned from working in Massachusetts. In this case, you must apportion your income so that only the correct portion (the amount attributable to Massachusetts) will be taxed by Massachusetts. Some nonresidents must use the Nonresident Apportionment Worksheet in line 13 for this purpose.

Who Cannot Apportion Income?

If you know the actual amount of your Massachusetts source income, do not apportion. Report your income taxable in Massachusetts on your Massachusetts return.

Examples of nonresidents who cannot apportion include:

- An employee whose actual Massachusetts income is shown on Form W-2;
- An employee whose Form W-2 does not indicate initially his/her actual Massachusetts source income but whose employer issues a corrected Form W-2 or other statement which breaks down this amount. Since your employer is required by law to withhold Massachusetts tax on your Massachusetts wages, this breakdown will be easy to obtain; and
- A self-employed person whose actual Massachusetts source income is known, such as a surgeon who comes to Massachusetts to perform a specific operation for a set fee.

In the few cases when your employer fails to issue a separate Form W-2 that includes only Massachusetts earnings, you may use the Nonresident Apportionment Worksheet to adjust your earnings.

Who Must Use the Nonresident Apportionment Worksheet?

If your employment or business took you both inside and outside Massachusetts and you do not know the actual amount of income you earned in Massachusetts, or if you are a self-employed person or employee who is on an hourly, daily, weekly, monthly or mileage basis, or whose compensation depends upon sales, at least some of which take place outside of Massachusetts, you must use the Nonresident Apportionment Worksheet.

Note: If both you and your spouse both qualify to apportion your income or you have more than one job that is eligible for apportionment, you must complete a separate apportionment worksheet for the income that is eligible to be apportioned.

Who Can Apportion Income But Cannot Use the Nonresident Apportionment Worksheet?

If you do not know the actual amount of income you earned in Massachusetts from one business or employment, but you do not fit into any of the categories listed in the preceding section, you should not use the Nonresident Apportionment Worksheet. See the section on Special Apportionment Methods for your apportionment method.

Examples of nonresidents who must apportion income using one of these special methods include:

- An independent business or professional person whose income does not depend on sales, days or mileage;
- An entertainer or athlete whose income does not depend solely on receipts or winnings;
- A general or limited partner in a partnership; and
- A shareholder of an S corporation with Massachusetts source income.

Apportionment Methods

If you use the Nonresident Apportionment Worksheet, fill in the oval for the appropriate basis and then follow the instructions. If you have more than one business or employment requiring the use of the worksheet, complete and enclose one worksheet for each business or employment.

Working days basis. This basis should be used by employees or self-employed persons who qualify to use the Nonresident Apportionment Worksheet and who are compensated on an hourly, daily, weekly or monthly basis. The income of these taxpayers is to be allocated to Massachusetts in the proportion that the amount of time spent working in Massachusetts bears to the total working time.

Mileage basis. An employee or self-employed person whose compensation depends on miles traveled is taxed on that portion of total compensation received in which the miles traveled within Massachusetts bear to total miles traveled.

Sales basis. For an employee or self-employed person whose compensation depends upon sales or commissions, taxable income includes that portion of total compensation received which the sales made inside Massachusetts bear to total sales. (For the purposes of making this allocation, all sales for which the taxpayer takes orders inside Massachusetts are attributable to this state, regardless of whether the formal acceptance of the contract of sale takes place inside or outside Massachusetts.)

Special Apportionment Methods

If you earned income both inside and outside Massachusetts from one business or employment, and your actual Massachusetts income is not known and you cannot use the Nonresident

Apportionment Worksheet in line 13, use the following appropriate apportionment method.

Self-employed and professional persons. If you earned income from both inside and outside Massachusetts and your books do not accurately reflect your Massachusetts source income, you must apportion your Massachusetts income using the sales factor under the rules set out for corporations in TIR 24-4.

Entertainers and professional athletes. If you are a nonresident entertainer who performed in Massachusetts and you were not paid specifically for the performance in Massachusetts, or if you are a nonresident professional athlete who took part in performances, bouts, meets, matches or games that occurred in Massachusetts and you were not paid for the specific event played in Massachusetts, you must use the apportionment formula set forth in Massachusetts Regulation 830 CMR 62.5A.1.

Nonresident partners. If you are a nonresident general or limited partner, you are taxed on your distributive share of the income received by the partnership to the extent that the partnership income is Massachusetts source income, determined as if the partnership were a nonresident individual. If you are entitled to apportionment, the partnership will apportion its income and notify you of your share on a 3K-1.

Nonresident shareholders of an S corporation. If you are a nonresident shareholder in an S corporation, you are taxed on the distributive share of income received by the S corporation to the extent that the S corporation income is Massachusetts source income. If you qualify for apportionment, the S corporation will apportion its income and notify you of your share on an SK-1.

Line 13. Nonresident Apportionment Worksheet

Note: Do not use this worksheet if you know the exact amount of your Massachusetts source income. Use only when income from employment or business is earned both inside and outside Massachusetts and the exact Massachusetts amount is not known.

Line 13a

If your income is measured by working days, enter the number of days you worked outside Massachusetts.

Line 13b

Enter the number of days you worked inside Massachusetts. (If you spent a working day partly inside and partly outside Massachusetts, treat the day as having been spent a whole day inside the state.)

Line 13d

Enter your nonworking days. Your nonworking days are those days during the year (or during the period you worked, if your job lasted less than a year) that you were not required to work, such as Saturdays, Sundays, holidays, sick days, vacation and leave with or without pay. Complete the remainder of the Nonresident Apportionment Worksheet as indicated, and enter your Massachusetts income from line 13g in the appropriate line on Form 1-NR/PY. For example, if you are apportioning your wages, enter the amount from line 13g in line 5.

If you are using the mileage or sales basis, substitute mileage or sales for working days and complete all items in the worksheet, except line 13d. Indicate what basis you are using by filling in the appropriate oval, and enter your Massachusetts income from line 13g in the appropriate line on Form 1-NR/PY.

Nonresident Deduction and Exemption Ratio

Since nonresidents are only taxed on income from Massachusetts sources, the deductions and exemptions allowed to them are limited by the amount of this income. This happens in two ways. The deductions in line 15 and Schedule Y, lines 2, 4, 5, 7, 9 (certain amounts only; see instructions for Schedule Y, line 9), 13, 14 and 17 must be matched to specific items of income taxed on Form 1-NR/PY. Other deductions and all exemptions must be prorated by the ratio of a taxpayer's Massachusetts source income to his/her total income.

Line 14. Nonresident Deduction and Exemption Ratio

All nonresident taxpayers must complete lines 14a to 14g to arrive at this ratio. The ratio will be used to determine what amounts, if any, you may deduct in:

- Schedule Y, line 3, alimony paid deduction;
- Schedule Y, line 6, Archer medical savings account (MSA) deduction;
- Schedule Y, line 8, health care accounts deduction;
- Schedule Y, line 9c, charitable contribution deduction;
- Schedule Y, line 10, student loan interest deduction;
- Schedule Y, line 12, undergraduate student loan interest deduction;
- Schedule Y, line 15, commuter deduction;

- Schedule Y, line 18a, prepaid tuition or college savings program deduction; and

- Schedule Y, line 18b, student loan repayment assistance deduction.

Nonresidents should use the line 14g ratio to determine the amount of the deduction for attorney's fees and court costs involving certain unlawful discrimination suits (from Schedule Y, line 9) only if it is directly related to Massachusetts income as reported on Form 1-NR/PY, line 12. If it is not directly related to income reported on Form 1-NR/PY, you are not allowed any deduction.

If married filing jointly, include in each line the income for both spouses. Enter any loss as 0.

If filing as both a nonresident and a part-year resident, be sure to read the instructions for Schedule R/NR before completing line 14. Also, enter in line 14a only the portion of Massachusetts source 5.0% income earned as a nonresident.

Nonresidents should also use the line 14g ratio to prorate exemptions in line 22.

Note: If one or more composite returns are being filed on your behalf, you may not include amounts reported on any composite return in calculating your exemption and deduction ratios.

Line 14a

Enter in line 14a total 5.0% income from line 12.

Note: If filing as both a nonresident and part-year resident, enter the total of Schedule R/NR, Part 1, column D, lines 5 through 11.

Line 14c

Read the instructions for lines 24, 27 and 28. If these items apply to you, combine Schedule B, Part 1, line 7 and Part 2, line 13c (but not less than 0) and Schedule D, line 13 (but not less than 0), and enter the total in line 14c. To determine if you need to file Schedule B, refer to the Schedule B instructions in this booklet.

Note: If filing as both a nonresident and part-year resident, enter the total of Schedule R/NR, Part 1, column D, lines 24 (interest and dividends), 27 (certain capital gains from Schedule B) and Schedule D (long-term capital gains and losses, excluding collectibles).

Line 14e

Enter in line 14e the total income from non-Massachusetts sources you received during the tax year covered by this return. This is the additional income that would have been reported by you if you had been a Massachusetts resident that you received from non-Massachusetts sources. This amount is often not the same as the difference between your total U.S. income reported in line a and your Massachusetts source income reported in line 14d, due to the differences between Massachusetts and federal tax laws.

Note: Be certain not to include any amounts already reported in line 14d.

To reconcile the two amounts, the following types of income included in the U.S. total income (Form 1-NR/PY, line a), but not taxable in Massachusetts should be subtracted from the U.S. total before completing line 14e:

- Social Security and Tier I Railroad Retirement benefits;
- Pensions from contributory retirement plans of the U.S., or Massachusetts and its political subdivisions;
- Pension income from the U.S. military;
- U.S. bond interest;
- State tax refunds; and
- Keogh and 403(b) distributions related to contributions previously taxed by Massachusetts.

Income from the following categories which is not included in U.S. total income (Form 1-NR/PY, line a) must be added back to calculate the total income that would be reported as Massachusetts income had the taxpayer been a Massachusetts resident in line 14e:

- Bond interest from other states;
- Up to \$130,000 in foreign-earned income;
- Contributions to a pension plan by Massachusetts state or local employees; and
- Net operating loss carryforward.

Note: If filing as both a nonresident and part-year resident, see instructions for Schedule R/NR, Part 1.

Line 14f

Add line 14d and line 14e. If your total income in line a exceeds the amount reported in line 14f by more than 10%, you should enclose a statement explaining the reasons for the difference.

Note: If filing as both a nonresident and part-year resident, enter Schedule R/NR, Part 1, column C total.

Line 14g

Divide line 14d by line 14f. Carry this division out to four decimal places. Failure to do so may delay the processing of your return. Enter the result in line 14g. This is your ratio for deductions and exemptions. It represents the relationship of your Massachusetts source income to your total income.

Deductions

Lines 15 through 19

Massachusetts allowable deductions differ from itemized deductions on Schedule A of U.S. Form 1040. You may claim only the deductions specified on Massachusetts Form 1-NR/PY, lines 15 through 19 and Schedule Y.

Line 15. Amount Paid to Social Security and Medicare (FICA), Railroad, U.S., or Massachusetts Retirement Systems

Nonresidents. If, as a condition of Massachusetts business or employment, you have paid into any of the retirement systems listed above during 2025, you may deduct those contributions attributable to Massachusetts source income, up to a maximum of \$2,000.

Part-year residents. You may deduct contributions attributable to business or employment while a Massachusetts resident, up to a maximum of \$2,000.

Enter in lines 15a and 15b the amount you, and your spouse if filing jointly, paid to Social Security (FICA), Medicare or Railroad Retirement and the U.S. or Massachusetts Retirement Systems during 2025 as shown on your Form W-2 that is directly related to income taxable by Massachusetts included in line 12, but not more than \$2,000 each. Payment amounts may not be combined or transferred from one spouse to the other. Be sure to add any amount of Medicare tax withheld as shown on Form W-2 and any amount of self-employment tax as reported on your U.S. Form 1040 to the amount of Social Security tax withheld, the total not to exceed \$2,000 per person.

Note: Medicare premiums deducted from your Social Security or retirement payments are not deductible.

Payments to an IRA, Keogh, Simplified Employee Pension plan (SEP) or Savings Incentive Match Plan for Employees (SIMPLE) Account are not deductible for Massachusetts income tax purposes.

Line 18. Rental Deduction

Nonresidents are allowed a deduction equal to 50% of the rent they pay, up to a maximum of \$4,000, for their principal residence only if it is located in Massachusetts and is their sole residence. (Non-Massachusetts rent is never deductible.) Many nonresidents rent a house or apartment in Massachusetts, but few qualify for this deduction. This is because the house or apartment rented here is not their principal residence. Only those nonresidents who rented a house or apartment in Massachusetts and have no family home or other dwelling to which they normally return (or to which they could return in the future) in any other state or country, can claim this deduction. Complete line 18 only if you filled in the oval below line 18. Enter the total amount of qualified rent paid by you during 2025 in line 18a. Divide line 18a by 2 and enter the result, or \$4,000 (\$2,000 if married filing a separate return), whichever is smaller, in line 18.

Part-year residents are entitled to the rental deduction equal to 50% for the rent they paid during

2025 (up to a maximum of \$4,000 per return) for their principal residence while a resident of Massachusetts. Enter the total amount of qualified rent paid by you during 2025 in line 18a. Divide line 18a by 2 and enter the result, or \$4,000 (\$2,000 if married filing a separate return), whichever is smaller, in line 18.

Note: This deduction does not apply to your U.S. tax return.

What Qualifies for the Rental Deduction?

The deduction must be for rent you paid to a landlord for the rental or lease of your principal residence in Massachusetts. If two or more persons jointly rent a unit, each occupant using it as his/her principal residence is entitled to a deduction based on the amount of rent that each person paid. If the rent is paid by a third party (such as a parent) who maintains a principal residence elsewhere, no 50% rental deduction is allowed for either party. A principal residence does not include any residence for vacation, an apartment for a person on a temporary assignment or a student or faculty member who has a principal residence elsewhere. It also does not include any apartment or house in Massachusetts of a nonresident who has a residence in another state or country. Payment for occupying a hotel, motel or rooming house is not considered rent unless a rental agreement exists. Nor are payments by a tenant-stockholder of a cooperative housing corporation to the corporation and payments by an owner of a condominium unit to the condominium association considered rent. All separately stated charges such as utilities, furnishings or parking cannot be included in rent for purposes of this deduction. Also, rent does not include any advance payments (such as security deposit, last month's rent, etc.) until actually applied as rent.

How Do I Calculate My Rental Deduction If I Am Married Filing Separately?

If married taxpayers file separate returns, they are each entitled to a rental deduction equal to 50% of the rent each pays, not to exceed \$2,000 per return. However, a married couple filing separately may allocate the rent deduction differently, provided the amount taken by each spouse does not exceed 50% of the rent actually paid by that spouse, and provided their combined rental deductions do not exceed \$4,000. If this results in one spouse claiming a deduction in excess of \$2,000, that spouse must enclose with his/her return a statement signed by the other spouse indicating consent to the allocation. The statement must contain the name, address and Social Security number of the consenting spouse and the amount of rental deduction taken by that spouse.

Line 22. Exemption Amount

Enter amount from Exemption section, line 4, item g in line 22a.

Nonresidents. Prorate your exemptions using the ratio of your Massachusetts income to your total income by multiplying line 22a by line 14g and entering the result in line 22. This amount represents your prorated exemptions.

Part-year residents. Prorate your total exemptions claimed on Form 1-NR/PY by multiplying line 22a by line 3 and entering the result in line 22. This amount represents your prorated exemptions as a part-year resident.

Filing as both nonresident and part-year resident. Enter the amount from Schedule R/NR, line 22, column e in line 22.

Line 23. 5.0% Income After Exemptions

Subtract line 22 from line 21. Enter the result in line 23, but not less than 0.

If line 22 exceeds line 21 and you received interest income (other than interest from Massachusetts banks), dividends or capital gain income, complete the Schedule B, Line 36 and Schedule D, Line 20 Worksheet, if applicable. All others proceed to line 24.

Line 24. Interest and Dividend Income

If you have any interest income other than interest from deposits in banks located in Massachusetts, dividend income, certain capital gains or losses, or any adjustments to interest income (other than interest from Massachusetts banks), you must complete Schedule B. Be sure to enclose Massachusetts Schedule B. To determine if you need to file Schedule B, refer to the Schedule B instructions of this booklet.

Enter in line 24 the amount from Schedule B, line 38.

Tax on 5.0% Income

Line 26. 5.0% Tax (from Tax Table)

If line 25 is not more than \$24,000, find the proper tax by using the tax tables found in the back of this booklet. If line 25 is greater than \$24,000 multiply by 0.05 and enter the result in line 26.

Note: Personal income tax forms must provide an election to voluntarily pay tax at a rate of 5.85% on taxable income which would otherwise be taxed at a rate of 5.0%. The election to pay tax at the rate of 5.85% does not apply to items of income taxed at 8.5% (short-term capital gains and gains on collectibles). If choosing the optional 5.85% tax rate, multiply line 25 and Schedule D, line 21 by .0585 and fill in the oval.

8.5% and 12% Income & Tax

Line 27a. 8.5% Income from Certain Capital Gains

Enter in line 27a the amount from Schedule B, line 39. Multiply this amount by 0.085 (8.5%) and enter the tax in line 27a.

Line 27b. 12% Income from Certain Capital Gains

Enter in line 27b Capital Gains taxed at 12%. Multiply this amount by .12 (12%) and enter the tax in line 27b.

Be sure to enclose Massachusetts Schedule B. To determine if you need to file Schedule B, refer to the Schedule B instructions in this booklet.

Tax on Long-Term Capital Gain

Line 28. Schedule D (Long-Term Capital Gains and Losses Excluding Collectibles)

Enter in line 28 the amount from Schedule D, line 22, but not less than 0. To determine if you need to file Schedule D, refer to the Schedule D instructions of this booklet.

Schedule B, Line 36 and Schedule D, Line 20 Worksheet. Excess Exemptions from Interest and Dividend Income, 8.5% Income and Long-Term Capital Gain Income (Only if Single, Head of Household, or Married Filing Jointly)

If your total exemptions in Form 1-NR/PY, line 22 are more than the amount of your 5.0% income after deductions in Form 1-NR/PY, line 21, the excess may be applied against any interest and dividend income and income taxed at 8.5% and 12%. Any remaining excess amount may then be applied against any long-term capital gain income.

Complete this worksheet only if Form 1-NR/PY, line 21 is less than Form 1-NR/PY, line 22 and you received interest income (other than interest from Massachusetts banks), dividends or capital gain income to determine if you qualify for the excess exemption.

Enter all losses as 0.

1. Enter amount from Schedule B, line 35. Not less than 0.

2. Enter amount from Form 1-NR/PY, line 22

3. Enter amount from Form 1-NR/PY, line 21

4. Subtract line 3 from line 2. If 0 or less, you do not qualify for this exemption. Omit remainder of worksheet.

5. Excess exemptions applied against interest and dividend income and 8.5% or 12% income. If line 1 is larger than line 4, enter line 4 here and in Schedule B, line 36. If line 4 is equal to or larger than line 1, enter line 1 here and in Schedule B, line 36. Complete lines 6 through 8.

6. Subtract line 5 from line 4. If 0, omit remainder of worksheet.

7. Enter Schedule D, line 19. Not less than 0

8. Excess exemptions applied against long-term capital gain income. If line 7 is larger than line 6, enter line 6 here and in Schedule D, line 20. If line 6 is equal to or larger than line 7, enter line 7 here and in Schedule D, line 20 . .

Excess Exemptions

If excess exemptions were used in calculating lines 24, 27 or 28 (see Schedule B, line 36 and/or Schedule D, line 20), be sure to fill in the oval in line 28.

Line 29. Credit Recapture Amount

If any Brownfields Credit (BC), Economic Opportunity Area Credit (EOA), Low-Income Housing Credit (LIH), Historic Rehabilitation Credit (HR) or Farming and Fisheries (FAF) property is disposed of or ceases to be in qualified use prior to the end of its useful life, the difference between the credit taken and the total credit allowed for actual use must be added back to your tax on Form 1-NR/PY. Complete and enclose Schedule CRS, Credit Recapture Schedule.

Line 30. Additional Tax on Installment Sale

An addition to tax applies for taxpayers who have deferred the gain, and the tax associated with that gain, on certain installment sales. This addition to tax is measured by an interest charge on the tax that has been deferred.

Include in line 30 an additional tax amount representing an interest charge on the deferred tax on gain from certain installment sales with a sales price over \$150,000 if you are not a dealer and the aggregate face amount of installment obligations arising during the tax year and outstanding as of

the close of the tax year exceeds \$5 million. For more information see MGL ch 62C, § 32A (a) and IRC § 453A (a)–(c).

Also include in the total on line 30 an additional tax amount representing an interest charge on the deferred gain from the installment sale of timeshares and residential lots, if the sale meets one of the following criteria:

- The sale is of a timeshare right for six weeks or less;
- The sale is for the recreational use of specified campgrounds;
- The sale is for a residential lot and neither the dealer nor someone related to the dealer is obligated to make any improvements on the lot.

Note: If you have installment sales occurring between January 1, 1996 and December 31, 2002, you must complete and submit Schedule D-IS. For more information see MGL ch 62C § 32A (b) and IRC § 453(l)(2)(B).

If you are a partner in a partnership or a shareholder in an S corporation, the entity is required to send you the information you need to calculate the addition to tax under this provision.

To the extent practicable, Massachusetts follows federal income tax rules in determining the deferred gain from installment sales subject to the interest-charge addition to tax. For more information visit DOR's website at mass.gov/dor and Internal Revenue Service Publication 537.

Line 32b. 4% Surtax

Enter in line 32b the amount from line 7 from the Schedule 4% Surtax.

The 4% surtax applies to Massachusetts residents on the portion of their annual taxable income exceeding \$1,083,150 and to nonresidents on the portion of their annual taxable income sourced to Massachusetts that exceeds \$1,083,150.

Note: You must submit all documents that have Massachusetts withholding, including pass-through entity or K-1 withholding, you must also include Schedule 62-WH.

Nonresidents subject to the 4% surtax that have elected to participate in composite returns are able to reduce their state income tax calculated by the amount of income tax paid on their behalf by pass-through entities as part of composite returns. An eligible qualified nonresident:

- Has taxable income sourced to Massachusetts over \$1,083,150 and is subject to the additional 4% surtax, and
- Has elected to participate in a composite return, and
- Had income tax paid on their behalf by pass-through entities as part of composite returns.

Nonresidents that do not meet the above criteria are not eligible and should not include any amount on line 32c. Eligible nonresidents should determine their share of any income tax reported and paid on a composite filing and include it on Form 1-NR/PY, line 32c. A statement listing the name, ID and amounts for all composite returns should be attached.

Each entity filing a composite return, Form MA NRCR, should report the participating member's share of composite tax paid on their behalf on line 38 of Schedule 3K-1 and/or line 29 of Schedule SK-1. Eligible nonresidents enter the sum of such income tax amounts on Form 1-NR/PY, line 32c. The credit on Form 1-NR/PY, line 32c, cannot exceed the amount of tax reported and paid on your behalf on Form MA NRCR. No other payments or credits made on the composite return are claimed by the individual members.

Line 32. Total Tax

Subtract line 32c from the total of lines 32a and 32b and enter the result in line 32.

Line 33. Limited Income Credit — Single, Married Filing a Joint Return or Head of Household Only

If you do not qualify for No Tax Status, but you are single and your Massachusetts AGI is between \$8,000 and \$14,000, or if you are filing as head of household and your Massachusetts AGI is between \$14,400 and \$25,200 plus \$1,750 per dependent, or if you are married filing a joint return and your Massachusetts AGI is between \$16,400 and \$28,700 plus \$1,750 per dependent, you may qualify for the Limited Income Credit. This credit is an alternative tax calculation that can result in a significant tax reduction for people whose income is close to the No Tax Status threshold. Be sure to complete Schedule NTS-L-NR/PY to see if you may qualify for this credit. If you qualify for this credit be sure to enclose Schedule NTS-L-NR/PY with your return.

Line 34. Taxes Due Any Other State (part-year residents only)

If any of the income earned while a part-year resident and reported on this return is subject to taxation in another state or jurisdiction and you have filed a return and paid taxes in the other state or jurisdiction, complete the following worksheet and enter the amount of credit in line 34. The credit is not available for taxes paid to another state or jurisdiction on Massachusetts source income earned while a nonresident. Do not include taxes paid to the U.S. government. (This credit does not apply to city or local taxes.) You are allowed to claim a credit for taxes due to the following jurisdictions:

- Other states in the U.S., including payments made under the Rhode Island Temporary Disability Insurance Act (see DOR Directive (DD) 12-1)

and payments related to pass-through entity taxes (see DD 19-1);

- Any territory or dependency of the U.S. (including Puerto Rico, the Virgin Islands, Guam, the District of Columbia); or
- The Dominion of Canada or any of its provinces (less any U.S. credit amount allowable from U.S. Form 1116).

The total credit that you calculate on the worksheet is the smaller of the amount of taxes due to other jurisdictions (net of certain adjustments) or the portion of your Massachusetts tax due on your gross income that is taxed in such other jurisdictions.

Credit is not given for a property tax due to another jurisdiction on account of capital stock or property. This does not refer to a tax on gain or income from the sale of capital stock or property, as included on Schedule B or Schedule D. Credit is also not given for any interest and penalties paid on a tax due to another jurisdiction.

Note: For questions on the Pass-through Entity Tax credit and its effect on this credit, refer to DOR Directive 19-1.

For part-year residents that are subject to the 4% surtax and that paid tax in another jurisdiction, complete the online Schedule OJC worksheet(s).

You must complete separate worksheets if you had 5.0% income and interest income (other than interest from Massachusetts banks), dividends or capital gain income taxed by another jurisdiction. If you use this worksheet to calculate a credit for interest income (other than interest from Massachusetts banks), dividends or capital gain income, substitute interest income (other than interest from Massachusetts banks), dividends or capital gain income for 5.0% income in line 1 of the worksheet. You must also substitute Schedule B, line 7 (interest and dividend income) and Schedule B, line 13c (taxable 8.5% and 12% capital gains) or Schedule D, line 13, (gross long-term capital gains and losses), but not less than 0, for Form 1-NR/PY, line 12 in line 2 of the worksheet, and the total of Form 1-NR/PY, line 24 multiplied by 0.05 (tax on interest and dividend income) and Form 1-NR/PY, line 27 (8.5% and 12% tax) or line 28 (tax on long-term capital gains) for Form 1-NR/PY, line 23 in line 4 of the worksheet.

If completing multiple worksheets, the amount calculated as an Other Jurisdiction credit on each worksheet should be combined for the total allowable Other Jurisdiction credit. Online worksheets are available at mass.gov/dor.

- When using the worksheet to calculate credit for interest income (other than interest from Massachusetts banks), dividends or capital gain

income, enter in line 1 such income taxed in another jurisdiction calculated as if it was earned in Massachusetts.

- If you choose to pay the optional 5.85% tax rate, substitute 0.0585 for 0.05 in line 4 of the worksheet.

Note: Be sure to complete and enclose Schedule OJC, Income Tax Due to Other Jurisdictions, and enter the two-letter state or jurisdictional postal code for each state or jurisdiction for which you are taking the credit. Taxpayers from a territory or dependency of the U.S., or the Dominion of Canada or any of its provinces, must enter "FC" as the postal code.

Line 35. Other Credits (from Schedule CMS)

Enter the total from Schedule CMS, Credit Manager Schedule. Be sure to enclose Schedule CMS with your return. Failure to do so will delay the pro-

cessing of your return or result in the credit being adjusted or disallowed.

Line 37. Voluntary Contributions

You may contribute any amount to the following funds. Remember, these amounts are added to your tax. They increase the amount of your payment or reduce the amount of your refund.

a. Endangered Wildlife Conservation. The Natural Heritage and Endangered Species Fund is administered by the Division of Fisheries and Wildlife. Contributions are used to protect and restore rare and endangered wildlife and plants, and their habitats. This fund has helped restore and conserve in the Commonwealth populations of the Bald Eagle, Hessel's Hairstreak Butterfly, the Red-belly Turtle and the Plymouth Gentian.

b. Organ Transplant Fund. The Organ Transplant Fund is administered by the Massachusetts Department of Public Health. All contributions received by the Fund assist patients with the costs of medications without which they might lose their transplanted organs. For information on how to become an organ donor, visit the Registry of Motor Vehicle's website at mass.gov/rmv.

c. Massachusetts Public Health HIV and Hepatitis Fund. The Massachusetts Public Health HIV and Hepatitis Fund is administered by the Massachusetts Department of Public Health. Contributions are used for research, experimental treatment and education related to Acquired Immune Deficiency Syndrome (AIDS). Massachusetts residents living with AIDS receive experimental treatment through clinical trials which are wholly supported with this Fund. The Fund also educates people with AIDS about treatment options and how to gain access to medication and experimental treatment.

d. Massachusetts United States Olympic Fund. Contributions to this fund are used to assist Massachusetts residents in paying all or part of any costs associated with the development, maintenance and operation of the United States Olympic Team participating in the Olympics and the United States Paralympic Team participating in the Paralympics.

e. Massachusetts Military Family Relief Fund. The Massachusetts Military Family Relief Fund is administered by the Friends of Massachusetts National Guard and Reserve Families. Contributions to this fund are used to help members of the Massachusetts National Guard and Massachusetts residents who are members of the reserves of the armed forces of the United States and who have been called to active duty after the September 11, 2001 terrorist attacks, and their families, to defray the costs of food, housing, utilities, medical services, and other expenses.

f. Homeless Animal Prevention and Care Fund. The Homeless Animal Prevention and Care Fund

is administered by the Department of Agricultural Resources. Contributions will help animals by reducing the number of homeless cats and dogs by spaying, neutering and vaccinating animals in shelters and animal control facilities and assisting families who would not otherwise be able to afford these services for their pets. The Fund also provides training to municipal animal control officers so that they can safely and effectively protect animals and people in their communities.

Line 38. Massachusetts Use Tax Due On Internet, Mail Order and Other Out-of-State Purchases Made in 2025 (part-year residents only)

If, while a Massachusetts resident, you purchased taxable tangible personal property out of state, over the Internet or from a catalog and did not pay Massachusetts sales tax at purchase, a Massachusetts use tax is due. If an item is exempt from sales tax (such as food, or clothing that costs \$175 or less), it would be exempt from use tax.

If you paid a sales or use tax to another state or territory of the United States when purchasing this item, you are generally entitled to a credit against the Massachusetts use tax, up to 6.25%. See TIR 03-1 for more information. No credit is allowed for a value-added tax (VAT) paid to another country.

The following are some items that are often purchased without paying sales tax. Residents would then owe use tax based on the purchase price.

- Electronics
- Appliances
- Furniture
- Jewelry
- Books
- Artwork
- Software
- Computers
- CDs and DVDs
- Video games
- Carpet
- Antiques

Example 1

You purchased several DVDs on the Internet for \$100 and paid no sales tax. Your use tax liability to Massachusetts on these items is \$6.25 ($\$100 \times .0625 = \6.25).

Example 2

You purchased a computer for \$1,550 from a seller located outside of Massachusetts and paid no sales tax. Your use tax liability to Massachusetts on this item is \$96.88 ($\$1,550 \times .0625 = \96.88).

Example 3

On a trip to Maine in November you purchased an antique desk for \$4,000 and paid Maine sales tax at the rate of 5.5%. The difference, \$30 (.75% of the purchase price), is due Massachusetts as use tax.

Taxpayers may choose the safe-harbor option for purchases of individual items each having a total sales price of less than \$1,000. The safe-harbor

provision makes it easier to comply with the use tax law by allowing taxpayers to self-report an estimated amount of use tax based on the average amount of online and/or out of state purchases a taxpayer in their income bracket would likely make during the year. Taxpayers do not need to keep receipts with safe-harbor reporting and will not be assessed additional use tax if audited, even if the actual amount of use tax due is greater than the safe-harbor amount reported.

Mass AGI per return*	Use tax liability
\$ 0 – \$ 25,000	\$ 0
25,001 – 40,000	20
40,001 – 60,000	31
60,001 – 80,000	44
80,001 – 100,000	56

If the Massachusetts AGI per return* is more than \$100,000, multiply by .000625.

*From line 10 of Schedule NTS-L-NR/PY.

If you did not purchase any items with a total sales price of \$1,000 or more, you may enter the “safe harbor” amount from the table above directly on Form 1-NR/PY, line 38.

Complete the Form 1-NR/PY, line 38 Worksheet below to calculate your use tax if you are not reporting a safe-harbor amount or if you purchased any individual items with a sales price of \$1,000 or more. If you did purchase items with a sales price over \$1,000 and you are reporting a safe-harbor amount, add the amount from the worksheet line 4 to the safe-harbor amount.

Form 1-NR/PY, Line 38 Worksheet. Use Tax Due on Internet, Mail Order and Other Out-of-State Purchases (Part-Year Residents Only)

- 2. Use tax. Multiply line 1 by .0625 (6.25%)**
- 3. Credit for sales/use tax paid to other states or jurisdictions. Add the amount of any sales/use tax paid to another state or jurisdiction, made while a Massachusetts resident, 6.25% of the sales price, whichever is less, on each purchase reported in line 1**
- 4. Total amount due. Subtract line 3 from line 2. Not less than 0. Enter here and on Form 1-NR/PY, line 38**

Line 39. Health Care Penalty (part-year residents only)

If you are subject to the Health Care Penalty for 2025 and are not appealing the application of the penalty, enter the penalty amount from line 8 of the Health Care Penalty Worksheet in line 39a for you and/or line 39b for your spouse.

If married filing a joint return and both you and your spouse are subject to the penalty, separate Health Care Penalty Worksheets must be filled out to calculate the separate penalty amounts for you and your spouse, using your married filing jointly income.

A taxpayer who does not have health insurance that meets the Massachusetts standard of minimum creditable coverage may be subject to a Massachusetts penalty.

Enter the total of lines 39a and 39b in line 39, but not less than 0.

Be sure to enclose Schedule HC with your return. Failure to do so will delay the processing of your return.

Line 40. Overpayment from Original Return (amended return only)

Include the amount listed on line 56 of your original return.

Line 42a. Massachusetts Income Tax Withheld from Form(s) W-2

Add the amounts shown as Massachusetts income tax withheld on your Form(s) W-2. Enter the total on line 42a. The amount withheld should be shown in box 17 of Form W-2. Enclose your Form(s) W-2 with your return.

Line 42b. Massachusetts Income Tax Withheld from Form(s) 1099

Include on line 42b any Massachusetts income tax withheld from line 5 of Schedule 62-WH, Part 1: Withholding from Form(s) 1099, Form(s) PWH-WA, or Form(s) NRW (Withholding on Sale or Real Estate).

Enclose Schedule 62-WH, Form(s) 1099 and Form(s) PWH-WA with your return if Massachusetts income tax was withheld, failure to do so may delay the processing of your return.

If you received a Form 1099 showing Massachusetts income tax withheld on retirement income, dividends, taxable or tax-exempt interest income, unemployment compensation, or other income you received, include the amount withheld in the total on line 42b.

Withholding from Form(s) PWH-WA should also be included on line 42b.

Line 42c. Massachusetts Income Tax Withheld from Other Forms

Include on line 42c any Massachusetts income tax withheld from line 5 of Schedule 62-WH, Part 2:

Withholding from Form(s) W-2G, 2G, or Massachusetts K-1 Schedule(s) (2K-1, 3K-1, or SK-1). Enclose Schedule 62-WH, W-2G, 2G, or Massachusetts Schedule K-1s with your return if Massachusetts income tax was withheld, failure to do so may delay the processing of your return.

Line 43. 2024 Overpayment Applied to Your 2025 Estimated Tax

Include the exact amount of any 2024 overpayment you applied to your 2025 estimated taxes. This amount can be found on your 2024 Massachusetts Form 1-NR/PY, line 56 or Form 1, line 52. Do not include any 2024 refund in this line.

Line 44. 2025 Massachusetts Estimated Tax Payments

If you paid Massachusetts estimated income taxes for 2025, enter in line 44 the total of all Massachusetts estimated tax payments, but do not include the amount entered in line 43. Be sure to include any last quarter (of 2025) payment made on or before January 15, 2026.

Every taxpayer (whether a resident or nonresident) who expects to pay more than \$400 in Massachusetts income taxes on income which is not covered by Massachusetts withholding must pay Massachusetts estimated taxes. Estimated tax payments can be made online by using MassTaxConnect by visiting mass.gov/dor or by filing Form 1-ES.

Income which is not subject to withholding includes:

- Salaries or wages earned in Massachusetts where the employer is not subject to Massachusetts withholding;
- Unemployment compensation (if you did not elect voluntary Massachusetts withholding);
- Taxable REMIC income;
- Dividends and interest, including interest from Massachusetts banks;
- Gains from capital assets;
- Income from an individual trade, business or profession;
- Income from any estate or trust not taxed directly;
- Lottery or gambling winnings;
- Certain pensions;
- Taxable Keogh or IRA distributions (only if you elected not to have federal withholding);
- Rental income and royalty income;
- Taxable alimony received (part-year residents only);
- Distributions from SIMPLE accounts;
- Illegal income; and
- Any other income received taxable in Massachusetts from which Massachusetts tax will not be withheld.

Generally, the first payment must be filed on or before April 15 of the taxable year. The estimated tax may be paid in full with the first payment voucher or in four installments on or before April 15, June 15, September 15 of the current taxable year and January 15 of the following year.

You may verify estimated tax payments that have already been made through your MassTaxConnect account. If you don't have a MassTaxConnect account, you can sign up at mass.gov/masstaxconnect.

You may request your employer to withhold additional amounts from your salary on Form M-4, Massachusetts Employee's Withholding Exemption Certificate, to cover the taxes on other income so that you do not have to file and pay estimated taxes.

If 80% of the tax is not paid throughout the year through withholding and/or estimated payments, a penalty may be imposed.

Line 45. Payments Made with Extension

If you filed an Application for Automatic Six-Month Extension of Time to File Massachusetts Income Tax Return, Massachusetts Form M-4868, for 2025 on or before April 15, 2026, enter in line 45 the amount you paid with Form M-4868.

Line 46. Payment with Original Return (amended return only)

Use this line only if you are amending the original return. Enter in line 46 the amount of tax you paid with the original return from line 59, "Tax Due." If estimated tax payments were made on the original return, they should be reflected on line 44, as on the original return. Select the appropriate amended return oval on page 1. Complete the entire return, correct the appropriate line(s) with the new information and recompute the tax liability. Complete the entire return, correct the appropriate line(s) with the new information and recompute the tax liability. On an enclosed sheet, explain the reason for the amendment(s) and identify the line(s) and amount(s) being changed on the amended return. Mail the amended return to Massachusetts Department of Revenue, PO Box 7000, Boston, MA 02204. If you owe additional tax, mail the amended return to Massachusetts Department of Revenue, PO Box 7003, Boston, MA 02204.

Line 47. Earned Income Credit (part-year residents only)

The Earned Income Credit (EIC) is a tax credit for certain taxpayers who work and/or have earned income under \$68,675 (maximum amount may be lower depending on filing status and number of eligible children). In general, the Massachusetts earned income credit is equal to 40% of the federal earned income credit, with the amount adjusted downward in some cases if the taxpayer is a part-

year resident. If the credit due the taxpayer exceeds the amount of the total income tax payable for the year by the taxpayer, the excess amount of the credit will be refunded to the taxpayer without interest. Earned income includes all the taxable income and wages you get from working; earned income is obtained by working for someone who pays you, or from working in a business that you own or run. In order to qualify for the Massachusetts earned income credit, a part-year resident must have earned income. You must enter the number of qualifying children, if any, in line 47a. Then, enter in line 47b the federal earned income credit amount from your U.S. Form 1040, line 27a. Multiply this amount by 0.40 (40%) and enter the result in the line provided. Part-year residents, and taxpayers filing as both a nonresident and part-year resident, multiply this amount by line 3. Enter the result in line 47.

If you choose to have the IRS compute your federal earned income credit, wait until the IRS notifies you of that amount before making an entry in line 47. If you have not received your earned income credit amount as computed by the IRS by April 15, 2026, you may file Massachusetts Form M-4868, Application for Automatic Six-Month Extension of Time to File Massachusetts Income Tax Return. See the Form 1-NR/PY Extension Worksheet for information about filing your extension via the Web. For more information about the federal earned income tax credit, see IRS Publication 596, available at irs.gov. Be sure to fill out Schedule DI, Dependent Information, if you are claiming this credit for one or more qualifying children/dependents. Failure to do so will delay the processing of your return.

Note: If you are considered married for federal and Massachusetts income tax purposes, you generally must file a joint return with your spouse to claim the EIC. However, recent federal legislation has expanded this beginning with tax year 2022. Massachusetts adopts the expansion of the federal EIC in calculating the Massachusetts EIC. In addition, even if you don't qualify under the newly expanded rules, if you are a victim of domestic abuse you may file a return as married filing separately and still claim the EIC in Massachusetts if the following apply to you:

- You are living apart from your spouse at the time you file your tax return; and
- You are unable to file a joint return because you are a victim of domestic abuse.

If you have a filing status of married filing separately and you claim the EIC under the Massachusetts exception, you should keep records demonstrating the existence of domestic abuse. What constitutes adequate records will vary

depending upon your circumstances. Some examples of documents that may meet this record-keeping requirement include (do not enclose these records with your tax return):

- Protective and/or restraining order;
- Police report;
- Doctor's report or letter;
- A statement from someone who was aware of, or who witnessed, the abuse or the results of the abuse. The statement should be notarized if possible; or
- A sworn statement from you attesting to the abuse.

To claim this exception, you must fill in the oval on line 47.

To determine if you qualify for the Credit with a filing status exception as a victim of domestic abuse, you should complete the IRS Earned Income Credit (EIC) worksheet.

Note: You should answer No to question 4 of the EIC worksheet and when looking up the amount of the credit in the EIC Table you should use the column for the filing status "single" and the number of children you have.

To determine line 47, "Amount from U.S. return":

- U.S. Form 1040, EIC Worksheet A filers should use the amount from Worksheet A, line 6.
- U.S. Form 1040, EIC Worksheet B filers should use the amount from Worksheet B, line 11.

See TIR 17-10 for more information.

Line 48. Senior Circuit Breaker Credit (part-year residents only)

Certain senior citizens in Massachusetts may be eligible to claim a refundable credit on their state income taxes for the real estate taxes paid on the Massachusetts residential property they own or rent and which they occupy as their principal residence. The maximum credit allowed is \$2,820 for the tax year beginning January 1, 2025. If the credit due the taxpayer exceeds the amount of the total income tax payable for the year by the taxpayer, the excess amount of the credit will be refunded to the taxpayer without interest. To determine if you qualify for this credit, refer to Schedule CB, Senior Circuit Breaker Credit and instructions. Schedule CB is available on DOR's website at mass.gov/dor or by calling (617) 887-6367, or toll-free in Massachusetts (800) 392-6089.

If you qualify for this credit and you are a homeowner, enter the amount from Schedule CB, Circuit Breaker Credit, line 17; if you are a renter, enter the amount from line 21. Be sure to complete and enclose Schedule CB with your return.

Line 50. Child and Family Tax Credit (part-year residents only)

You may claim a credit of \$440 for an individual who is (1) under the age of 13 and who qualifies for exemption as a dependent for federal purposes; (2) a dependent, or the taxpayer's spouse, who is physically or mentally incapable of taking care of himself or herself and principally lives with the taxpayer; or (3) a dependent who is age 65 or over or disabled. Starting with tax years beginning on or after January 1, 2024, a noncustodial parent may claim the credit with respect to a child dependent that is age 13 or older and who is physically or mentally incapable of caring for himself or herself. See TIR 24-13 for additional information. You may only claim the credit if you file as single, head of household, or married filing jointly. You cannot claim this credit if you file as married filing separately.

Part-year residents. enter the number of qualified dependents based on the above criteria in line 50a and multiply that number by \$440. Enter the result in line 50b. Then multiply line 50b by line 3 and enter the result in line 50 of Form 1-NR/PY.

Nonresidents. A taxpayer who is a nonresident for the entire taxable year is not eligible for this credit.

Line 51. Other Refundable Credits

Enter in line 51 the amount from Schedule CMS, Credit Manager Schedule.

Be sure to enclose Schedule CMS with your return. Failure to do so will delay the processing of your return. For more information on Schedule CMS, refer to the Schedule CMS instructions on page 38.

Line 53. Excess Paid Family Leave Withholding

Businesses are required to withhold Paid Family and Medical Leave (PFML) contributions from employees and individuals whose payments for services are reported on U.S. Form 1099-MISC (1099-MISC workers) up to the annual income limit set by the Social Security Administration for the Social Security Program.

Self-employed individuals not otherwise covered by PFML may opt to participate in the PFML program and pay PFML contributions from their net earnings from their self-employment income, subject to this same limitation. For the 2025 tax year, the income limit is set at **\$176,100** and the maximum PFML contribution amount for most individuals is **\$810.06**. For a self-employed individual not subject to PFML withholding who opts into PFML, the maximum PFML contribution is **\$1,549.68**.

A single employer may not withhold, and a self-employed individual may not contribute, more than the maximum PFML contribution amount in a tax year. If a single employer withholds more than

the maximum yearly PFML contribution amount, the employee should contact their employer directly regarding a refund. If your PFML contributions or the amount of PFML contributions withheld on your behalf during the tax year exceeded the maximum PFML contribution amount, or you are self-employed and your contributions were made based on your gross earnings and did not take into account your business expenses, you may have excess PFML contributions that entitles you to seek a credit on your individual tax return, subject to certain requirements.

• **W-2 filers:** If you worked for two or more Massachusetts businesses that each remitted PFML contributions on your behalf during the 2025 tax year, and the total amount of your combined Massachusetts W-2 wage income exceeded **\$176,100**, you should complete the worksheet below to determine if you have excess PFML withholding. The PFML law follows the unemployment statute, malegislature.gov/Laws/GeneralLaws/PartI/TitleXXI/Chapter151A/, for determining what counts as wages. If all of the wages reported on your W-2s are subject to PFML withholding, you should use the greater of Box 3 (Social Security Wages) or Box 5 (Medicare Wages) when completing the worksheet. If a portion of your wages are not subject to PFML withholding, you should reduce your Box 3 (Social Security Wages) or Box 5 (Medicare Wages) by any wages that were not subject to PFML withholding. To be eligible for a credit the total PFML contribution amount remitted on your behalf must exceed **\$810.06**. If only one employer withheld PFML contributions, and your PFML contributions exceeded the proper amount due, you must seek reimbursement from your employer. You are not eligible to claim a credit on line 53.

• **1099-MISC workers:** If you worked for one or more Massachusetts businesses that remitted PFML contributions on your behalf based on your 1099-MISC gross earnings during the 2025 tax year, you should complete the worksheet below to determine if you have any excess PFML contributions.

• **Self-employed individuals that opt in to PFML:** If you are a self-employed individual that has opted to participate in the PFML program, your required PFML contributions are based on your net earnings from self-employment. You may complete the worksheet below to determine if you have any excess PFML contributions.

• **Joint returns:** The maximum PFML contribution amount applies on an individual basis. If filing a joint return, figure the amount of excess PFML withholding separately for each spouse and enter the combined total.

For more information about the PFML program, including how PFML contributions are calculated,

see the Department of Family and Medical Leave's (DFML) regulation at 458 CMR 2.00, and DFML's website at mass.gov.

Enclose Schedule 62-WH and Form(s) NRW with your return if Massachusetts income tax was withheld, failure to do so may delay the processing of your return.

Refund Amount**Line 56. Overpayment**

If line 41 is smaller than line 55, subtract line 41 from line 55 and enter the amount in line 56. This is the amount of your overpayment. If line 41 is larger than line 55, skip to line 59. If line 41 and line 55 are equal, enter 0 in line 58.

Line 57. Amount of Overpayment You Want Applied to Your 2026 Massachusetts Estimated Taxes

Enter the amount of your 2025 overpayment you wish to apply to your 2026 Massachusetts estimated taxes. Once an election is made to apply your overpayment to your 2026 estimated tax, it cannot be refunded after the due date of the return or applied to any additional tax you may owe for 2025. The amount entered in this line can only be claimed as a credit on your 2026 Massachusetts return.

Line 58. Refund Amount

Subtract line 57 from line 56. Enter the result in line 58. This is the amount of your refund.

Note: Your state tax refund may be taxable on your U.S. tax return if you deducted state income tax paid as an itemized deduction on U.S. Schedule A.

Direct Deposit

You may elect to have your refund deposited directly into your savings or checking account. Check with your financial institution to make sure that it accepts direct deposit and verify the routing transit number (RTN) of the issuing financial institution. If we are unable to honor your request for a direct deposit, a paper check will be sent to you.

The routing number of your financial institution is nine digits and begins with 01 through 12 or 21 through 32. The account number can be up to 17 characters (both numbers and letters). Omit hyphens, spaces and special symbols. Enter the number from left to right and leave any unused boxes blank. You must enter the routing number and the account number in the spaces provided in line 58 if you are requesting direct deposit. Failure to do so will result in your request for direct deposit being denied.

Tax Due**Line 59. Tax Due**

If line 41 is larger than line 55, subtract line 55 from line 41, and enter the result in line 59. This is the amount of tax you owe with your return. Pay in full with your return. Go to mass.gov/masstaxconnect for online payment options. If you need to mail your payment, make your check or money order payable to the Commonwealth of Massachusetts and write your Social Security number on the front of your check or money order in the lower left corner. Enclose the check with your return. Be sure to use the light blue mailing label when mailing your Form 1-NR/PY.

Failure to file or failure to pay the proper amount of tax when due will result in an increasing amount of interest and penalties. It is advantageous to file when your return is due even if you are unable to make full payment.

If you owe any interest, penalty or additional amount for the underpayment of estimated taxes, add those amounts to the tax you owe when making your payment.

What Are Interest and Penalties?

Interest. If you fail to pay the tax when due, interest will be charged. For further information see TIR 92-6, available at mass.gov/dor.

Penalty for late payment. The penalty for late payment is 1% of the tax due per month (or fraction thereof), up to a maximum of 25%.

Penalty for failure to file. The penalty for failure to file a tax return by the due date is 1% of the tax due per month (or fraction thereof), up to a maximum of 25%. If you were required to file a tax return for income received in any prior year and you did not file, you must file for that prior year.

Penalty for protested ("bad") payment. If your payment is not honored by your bank because of insufficient funds or any other reason, a penalty may be added of \$30 or the amount of the payment, whichever is less.

Addition for underpayment of estimated tax. You will generally be subject to this addition to tax if you did not have withholding and/or estimated payments equal to 80% of the total tax liability required to be paid and your 2025 tax due after credits and withholding is greater than \$400. The 80% requirement is reduced to 66.67% for individuals who receive two-thirds of their income from fishing or farming. If you failed to meet these requirements, you must complete and enclose Massachusetts Form M-2210 to calculate the amount you must add to line 59. You do not have to complete Form M-2210 if the balance due with your return is \$400 or less.

You may not be subject to an underpayment penalty if you qualify for one of the following exceptions:

- You are a qualified farmer or fisherman and are paying the full amount of the tax due on or before March 1, 2026;
- You were a Massachusetts resident and were not liable for 2024 taxes (where the taxable year was 12 months); or
- The sum of your estimated payments and withholding equals or exceeds your 2024 tax (where the taxable year was 12 months and a return was filed).

If you qualify for one of these exceptions, fill in the **Exception** oval under line 59 on Form 1-NR/PY and enclose Form M-2210 indicating which of the exceptions applies to your circumstances.

A limited number of taxpayers may also qualify for a waiver of the underpayment penalty for one or more installments if:

- The underpayment was because of casualty or disaster; or
- During 2024 or 2025 you retired after reaching age 62 or became disabled and the underpayment was due to reasonable cause and not willful neglect.

If you think you qualify for one of these waivers, go to mass.gov/masstaxconnect and use DOR's online application for abatement return or enclose Form M-2210 and an explanatory statement with your return and fill in the **Exception** oval under line 59. If your waiver is not for all four installments, complete Form M-2210 to calculate the underpayment penalty for the installments which are not covered by the waiver. Form M-2210 is available by visiting mass.gov/dor.

Penalty for failure to report federal change. If the IRS changes your federal taxable income for a prior year (generally through audit), file an amended return within one year of the final federal determination to avoid this penalty. This penalty is equal to 10% of the additional tax due. If the change indicates a refund, you must file an amended return within one year of federal determination, including acceptance of an amended federal return by the IRS.

Sign Here

Now that you have completed Form 1-NR/PY, sign your name at the bottom of page 1. Your spouse must also sign if this is a joint return. Write the date you signed the return.

Note: Be sure to include all five pages of Form 1-NR/PY and, if applicable, Schedule HC and all other schedules.

Enclose with your Form 1-NR/PY, Schedule 62-WH, all state copies of your Forms W-2, 1099, PWH-WA, W-2G, 2G, NRW, and Schedule K-1s which included Massachusetts withholding. Failure to do so may delay the processing of your return. If making a payment, go to mass.gov/masstaxconnect for online payment options. If you need to mail your payment, enclose a check or money order payable to Commonwealth of Massachusetts and be sure to sign the check and write your Social Security number on it. Also, be sure to use the light blue mailing label when mailing your Form 1-NR/PY.

Paid Preparer Must Sign Your Return

Generally, anyone you pay to prepare your return must sign it in the space provided at the bottom of page 5 of the Form 1-NR/PY. Tax return preparers are authorized to sign the return by means of a rubber stamp, mechanical device, or computer software program, which must include either a facsimile or printed name of the preparer. Preparers are personally responsible for affixing their signatures to returns. Preparers must also provide their Social Security Number (SSN) or Preparer Tax Identification Number (PTIN) and Employer Identification Number (EIN) in the spaces provided at the bottom of page 5. The preparer must give you a copy of the return for your records. Someone who prepares your return but does not charge you should not sign your return.

Paid Preparer Authorization

If you want to allow DOR to discuss your 2025 tax return with the paid preparer who signed it, fill in the **Yes** oval in the signature area of the return at the bottom of page 5 of the Form 1-NR/PY. This authorization applies only to the individual whose signature appears in the paid preparer section of your return. It does not apply to the firm, if any, shown in that section.

If you fill in the **Yes** oval, you, and your spouse if filing a joint return, are authorizing DOR to call the paid preparer to answer any questions that may arise during the processing of your return. You are also authorizing the paid preparer to:

- Give DOR any information that is missing from your return;
- Call DOR for information about the processing of your return or the status of your refund or payment(s); and
- Respond to certain DOR notices that you have shared with the preparer about math errors, offsets and return preparation. The notices will not be sent to the preparer.

You are not authorizing the paid preparer to receive any refund check, bind you to anything (including any additional tax liability), or otherwise represent you before DOR. If you want to expand the paid

preparer's authorization, see Form M-2848, Power of Attorney and Declaration of Representative.

The authorization cannot be revoked. However, the authorization will automatically end no later than the due date (without regard to extensions) for filing your 2026 tax return. This is April 15, 2027 for most people.

E-File Opt Out

Income tax return preparers who completed more than 10 original Massachusetts Forms 1 and 1-NR/PY, including those E-filed, during the previous calendar year are required to use electronic means to file all personal income tax returns, unless the taxpayer specifically directs on the paper form that the filing be on paper and signs Form EFO, Personal Income Tax Declaration of Paper Filing. Fill in the oval at the bottom of page 5 of Form 1-NR/PY if you do not want your preparer to file your return electronically. See TIR 21-9 for more information.

E-filing is the fastest most efficient way to submit your return and to receive your refund. However, if you are mailing your return follow these guidelines:

- If you are expecting a refund or if you have no tax due, use the white mailing label on the back of the envelope that came with this booklet. If you do not have one, mail your original or amended Form 1-NR/PY to **Massachusetts Department of Revenue, PO Box 7000, Boston, MA 02204-7000**. If using a tax software product, be sure to use the correct PO box. See the inside front cover for this information.

If using a tax software product, be sure to use the correct PO box. See the inside front cover for this information.

Note: If married filing a separate return, you do **not** qualify for this credit.

Complete the Schedule X, Line 2 Worksheet to calculate the taxable portion of any amount you received from an Individual Retirement Account (IRA), Keogh, qualified charitable IRA distribution or Roth IRA conversion distribution while a Massachusetts resident, whether derived from sources inside or outside of Massachusetts. Since Massachusetts does not allow a deduction for amounts originally contributed to an IRA or Keogh, the distributions are not taxable until the full amount of your contributions which were previously subject to Massachusetts taxes are recovered.

Contributions made to Keogh accounts prior to 1975 were deductible when made. Therefore, no deduction may be taken from a Keogh distribution for amounts contributed before 1975.

Note: Contributions from a deferred plan, such as a 401(k), that were rolled over into an IRA are not considered previously taxed contributions and are fully taxable upon distribution.

Awards and bonuses received from your employer for performance of services in Massachusetts (part-year residents, whether received from sources inside or outside of Massachusetts) not part of a qualified award plan are also taxable.
- Other 5.0% income from Massachusetts sources or received while a part-year resident, reported on U.S. Form 1040, Schedule 1, line 9, and not reported elsewhere on Massachusetts Form 1-NR/PY, lines 5 through 10 or Schedule X, lines 1 through 3, must be reported in line 4 of Schedule X.

For tax year 2025, taxpayers must report on Schedule X, line 6 any excess business loss (EBL) stated on U.S. Form 1040, Schedule 1, line 8p. Generally, EBL is the amount by which the total deductions attributable to a taxpayer's trades or businesses exceed the sum of (i) the taxpayer's total gross income and gains attributable to those trades or businesses and (ii) a threshold amount of \$313,000 for single filers and \$626,000 for joint returns. Differences between Massachusetts and federal income and deductions (e.g., bonus depreciation) should be taken into account by adjusting the amount reported on Massachusetts Schedule X, line 6. Explain any difference between amounts reported on Massachusetts Schedule X, line 6, and on U.S. Schedule 1, line 8p, using Massachusetts Schedule TDS. Unlike on federal returns, you may not carry forward disallowed EBL because those losses are treated, for federal purposes, as net operating losses, which are not allowed as a Massachusetts deduction.

Do not include amounts reported on U.S. Form 1040, Schedule 1, lines 12 through 23, or amounts not identified above in line 24; including but not limited to amounts contributed to § 501(c)(18) pension plans and IRC § 404 deduction for contributions on behalf of IRC § 401(c)(1) employees (sole proprietors and partners). See DD 08-3.

9b Business Expenses of National Guard and Reserve Members, Performing Artists, and Fee-Basis Government Officials; Impairment-related Work Expenses of Persons with Qualifying Disabilities.

Note: No deduction is allowed to a taxpayer who files a joint federal income tax return unless a MA joint return is also filed. MGL, ch 62, § 2(d)(2).

Enter the sum of 1) the amount from U.S. Form 1040, Schedule 1, line 12; and 2) certain impairment-related work expenses included on U.S. Form 1040, Schedule A, line 16.

If you're a **National Guard or Reserve member** who has to travel more than 100 miles from home to perform services as a National Guard or Reserve member, you're allowed a deduction for unreimbursed overnight travel, meals and lodging expenses.

If you perform services as an **official state or local government employee**, and you're compensated in whole or part on a fee basis, you're allowed a deduction for the expenses you paid related to those services.

Generally, this applies to officials who provide certain services to the government, and who hire employees and incur expenses related to their official duties.

If you meet the federal qualifications to be considered a **qualified performing artist**, you're allowed a deduction for expenses you paid related to your performances.

Impairment-related Work Expenses of Persons with Qualifying Disabilities are the allowable expenses of an individual with physical or mental disabilities for attendant care at his or her place of employment. They also include other expenses in connection with the place of employment that enable the employee to work.

Employees who are not salespersons who solicit business for an employer away from the employer's place of business may only report impairment-related expenses from U.S. Form 1040, Schedule A, line 16 that are expenses of travel, meals, and lodging while away from home, or expenses of transportation.

9c Charitable Contribution Deduction. Massachusetts allows a charitable deduction in an amount equal to the federal charitable deduction, except that the state deduction does not include any amounts for contributions of household goods or used clothing. Taxpayers do not have to itemize their deductions for federal tax purposes to claim the Massachusetts deduction.

The Massachusetts deduction may only be used to reduce Part B adjusted gross income – e.g. wages – and cannot be used to reduce capital gain, dividend, or interest income other than interest from Massachusetts banks.

Taxpayers must keep records to substantiate cash and non-cash charitable contributions to the same extent as specified in U.S. Form 1040, Schedule A instructions.

If you deduct more than \$500 of non-cash contributions, you must complete and attach U.S. Form 8283.

Part-year residents. Multiply the amount entered on U.S. Form 1040, Schedule A, line 14, excluding the value of household goods or used clothing, by the amount on Form 1-NR/PY, line 3, and enter the result in Schedule Y, line 9c. If you did not itemize deductions on your U.S. return, multiply the amount you would have entered on U.S. Form 1040, Schedule A, line 14 (excluding the value of household goods or used clothing) if you had itemized by the amount on Form 1-NR/PY, line 3, and enter the result in Schedule Y, line 9c.

Nonresidents. Multiply the amount entered on U.S. Form 1040, Schedule A, line 14, excluding the value of household goods or used clothing, by the amount on Form 1-NR/PY, line 14g, and enter the result in Schedule Y, line 9c. If you did not itemize deductions on your U.S. return, multiply the amount you would have entered on U.S. Form 1040, Schedule A, line 14 (excluding the value of household goods or used clothing) if you had itemized by the amount on Form 1-NR/PY, line 14g, and enter the result in Schedule Y, line 9c.

Line 10. Student Loan Interest Deduction

Nonresidents. Multiply the amount from U.S. Form 1040, Schedule 1, line 21 (not to exceed \$2,500) by line 14g and enter the result in Schedule Y, line 10.

Part-year residents. Multiply the amount from U.S. Form 1040, Schedule 1, line 21 (not to exceed \$2,500) by line 3 and enter the result in Schedule Y, line 10. This deduction is only allowed if not claiming the same expenses in line 12 of Schedule Y, Undergraduate Student Loan Interest Deduction.

Line 12. Undergraduate Student Loan Interest Deduction

A deduction is allowed for interest paid on a qualified undergraduate student loan. To be eligible for the deduction, the "education debt" must be a loan that is administered by the financial aid office of a two-year or four-year college at which you, or a qualified dependent, were enrolled as an undergraduate student. Additionally, the loan must have been secured through a state student loan program, a federal student loan program, or a commercial lender, and must have been spent solely for the purposes of paying tuition and other expenses directly related to the school enrollment. Enter the amount of such interest paid in Schedule Y, line 12. This deduction is only allowed if not claiming the same expenses in line 10 of Schedule Y, Student Loan Interest Deduction.

Nonresidents. Multiply the amount of such interest paid by Form 1-NR/PY, line 14g and enter the result in Schedule Y, line 12.

Part-year residents. Multiply the amount of such interest paid by Form 1-NR/PY, line 3 and enter the result in Schedule Y, line 12.

Line 13. Deductible Amount of Qualified Contributory Pension Income from Another State or Political Subdivision Included in Form 1-NR/PY, Line 6

Massachusetts allows a deduction for contributory pension income received from another state or one of its political subdivisions which does not tax such income from Massachusetts or its political subdivisions. For guidelines to determine which state's pensions are exempt in Massachusetts, see TIR 95-9. Enter any deductible amount of such income in line 13 of Schedule Y that was included in Form 1-NR/PY, line 6.

Line 14. Claim of Right Deduction

Taxpayers who have paid Massachusetts personal income taxes in a prior year on income attributed to them under a "claim of right" may deduct the amount of that income from their gross income if it later develops that they were not in fact entitled to the income, and have repaid the amounts

in question. The deduction is allowed in the year of repayment, provided that the repayment is not otherwise deductible in determining Massachusetts income taxable under MGL ch 62. Some examples in which the claim of right may be applied for are:

Stock under claim of ownership. Gains from sales of stock under a claim of ownership must be included, regardless of whether the taxpayer actually owned it;

Employment contracts. Amounts in settlement of employment contracts must be included notwithstanding the prospect of eventual repayment to the employer of an amount equivalent to or greater than the amount received;

Dividends. Where a taxpayer receives a dividend that must be repaid in a later year (e.g., because it impaired corporate capital), the dividend must be included in the year of receipt;

Corporate notes. Where a taxpayer receives a distribution with respect to holding of notes, the income must be included regardless of whether it could be challenged by senior creditors;

Mistake in validity of claim. The claim of right doctrine applies where a taxpayer merely mistakes the validity of his claim; or

Advanced insurance commissions; or

Repayment of unemployment compensation and supplemental unemployment benefits in a subsequent year.

If you are entitled to claim this deduction, enter the amount claimed in Schedule Y, line 14. For more information, see TIR 06-4.

Line 15. Commuter Deduction

A deduction is allowed for certain amounts paid by an individual for tolls paid for through an E-ZPass account or all MBTA fares, not just weekly or monthly transit commuter passes, and includes RTA fares, bikeshare memberships, bike purchases (including e-bikes), bike improvements/repair/storage, and fares on non-MBTA commuter boats that are owned, operated or contracted by a municipality or a public or quasi-public entity, agency or authority, not including amounts reimbursed or otherwise deductible.

In the case of a single person or a married person filing a separate return or as head of household, this deduction applies only to the portion of such expended amount that exceeds \$150, and the total amount deducted cannot exceed \$750. In the case of a married couple filing a joint return, this deduction applies only to the portion of such amount expended by each individual that exceeds \$150, and the total amount deducted cannot exceed \$750 for each individual. Also, one spouse cannot transfer

his or her excess deduction to the other spouse; separate worksheets must be completed to calculate the deduction. See TIR 06-14 for additional information.

The deduction is allowed where an individual purchases an MBTA pass for a dependent who is claimed on that individual's tax return, provided the dependent does not also claim the deduction. However, the total amount deducted cannot exceed \$750 for each individual taxpayer who is filing a return. In the case of married taxpayers filing a joint return, the total amount deducted cannot exceed \$750 per taxpayer; thus, the maximum deduction for a joint return is \$1,500.

Schedule Y, Line 15 Worksheet. Commuter Deduction

1. Enter amount paid in 2025 for tolls through an E-ZPass account.

2. Enter amount paid in 2025 for commuting costs (Do not include amounts reimbursed or otherwise deductible)

4. Enter \$150

5. Subtract line 4 from line 3

6. Enter the lesser of line 5 or \$750.

7. Nonresidents, multiply line 6 by Form 1-NR/PY, line 14g. Enter the result here and in line 15 on Schedule Y. Part-year residents, multiply line 6 by Form 1-NR/PY, line 3. Enter the result here and in line 15 on Schedule Y.

Line 17. Certain Gambling Losses

Massachusetts allows a deduction from 5.0% income for losses from wagering transactions that were incurred in a calendar year at a Massachusetts gaming establishment licensed in accordance with MGL ch 23K or a racing meeting licensee or simulcasting licensee, only to the extent of the gains from such transactions. See TIR 15-14 for more information. For tax years beginning on or after January 1, 2023, this deduction also includes losses from sports wagers that were incurred through a Massachusetts sports wagering operator licensed under MGL ch 23N.

A taxpayer may claim a deduction for qualifying sports wagering and gambling losses incurred in the calendar year from the above Massachusetts sources only if the taxpayer had sports wagering or gambling winnings in the same calendar year from any such Massachusetts source. The deduction allowed for such losses may not exceed the amount of such winnings included in gross income for the calendar year.

Because Massachusetts does not adopt the deductions under IRC § 165(d), the deduction for sports wagering and gambling losses set forth in MGL ch 62, § 3(B)(a)(18) is the only deduction for such losses allowed a Massachusetts taxpayer, unless the sports wagering and gambling activities of the taxpayer constitute a trade or business.

Example 1

For calendar year 2025, taxpayer, a Massachusetts resident, has:

- Gambling winnings of \$500 from Massachusetts state lottery;
- Gambling winnings of \$800 from a casino licensed under MGL ch 23K;
- Gambling winnings of \$1200 from a Las Vegas casino;
- Sports wagering winnings of \$500 from a sports wagering operator licensed under MGL ch 23N;
- Sports wagering winnings of \$600 from a sports wagering operator in Las Vegas;
- Gambling losses of \$1600 from a Las Vegas casino;
- Gambling losses of \$510 from Massachusetts Lottery scratch tickets;
- Gambling losses of \$1000 from a casino licensed under MGL ch 23K;
- Sports wagering losses of \$700 from a sports wagering operator licensed under MGL ch 23N;
- Sports wagering losses of \$200 from a sports wagering operator in Las Vegas.

For Massachusetts income tax purposes, the taxpayer must include \$500 of their Massachusetts state lottery winnings on Form 1, line 8b and the remaining \$3,100 of their gambling and sports wagering winnings on Schedule X, line 3. The taxpayer may claim a deduction for gambling losses from casinos licensed under ch 23K and for sports wagering losses from sports wagering operators licensed under MGL ch 23N but only to the extent of winnings from casinos licensed under ch 23K and sports wagering operators licensed under MGL ch 23N. No deduction is available for the taxpayer's gambling and sports wagering

losses from other sources. The taxpayer had winnings of \$800 and losses of \$1,000 from casinos licensed under ch 23K. The taxpayer had winnings of \$500 and losses of \$700 from sports wagering operators licensed under MGL ch 23N. Thus, the taxpayer may claim a deduction of \$1300, the extent of aggregate winnings from qualifying Massachusetts sources. The remaining \$400 of loss from casinos licensed under ch 23K and sports wagering operators licensed under MGL ch 23N may not be deducted. Gambling losses from the Massachusetts state lottery are not deductible.

Example 2

For calendar year 2025, nonresident taxpayer has:

- Gambling winnings of \$500 from Massachusetts state lottery,
- Gambling winnings of \$800 from a casino licensed under MGL ch 23K,
- Gambling winnings of \$1200 from a Las Vegas casino,
- Sports wagering winnings of \$100 from a sports wagering operator licensed under MGL ch 23N;
- Sports wagering winnings of \$600 from a sports wagering operator in Las Vegas;
- Gambling losses of \$1600 from a Las Vegas casino,
- Gambling losses of \$510 from Massachusetts Lottery scratch tickets, and
- Gambling losses of \$1000 from a casino licensed under MGL ch 23K;
- Sports wagering losses of \$900 from a sports wagering operator licensed under MGL ch 23N;
- Sports wagering losses of \$200 from a sports wagering operator in Las Vegas.

For Massachusetts income tax purposes, the nonresident taxpayer must include \$500 of their Massachusetts state lottery winnings on Form 1-NR/PY, line 10b and the \$900 of their gambling and sports wagering winnings from casinos licensed under MGL ch 23K and sports wagering operators licensed under MGL ch 23N on Schedule X, line 3. The nonresident taxpayer does not report the \$1,200 in winnings from the Las Vegas casino or the \$600 in winnings from the Las Vegas sports wagering operator on the Massachusetts return. The nonresident taxpayer may claim a deduction for losses from casinos licensed under MGL ch 23K and sports wagering operators licensed under MGL ch 23N but only to the extent of winnings from casinos licensed under MGL ch 23K and sports wagering operators licensed under MGL ch 23N. No deduction is available for the nonresident taxpayer's gambling and sports

wagering losses from other sources. The nonresident taxpayer had winnings of \$800 and losses of \$1,000 from casinos licensed under MGL ch 23K. The nonresident taxpayer had winnings of \$100 and losses of \$900 from sports wagering operators licensed under MGL ch 23N. Thus, the taxpayer may claim a deduction of \$900, the extent of aggregate winnings from qualifying Massachusetts sources. The remaining \$1,000 of loss from casinos licensed under MGL ch 23K and sports wagering operators licensed under MGL ch 23N may not be deducted. Gambling losses from the Massachusetts state lottery are not deductible.

If you are entitled to claim this deduction, enter the qualified amount in Schedule Y, line 17.

Line 18a. Prepaid Tuition or College Savings Plan Deduction

A deduction is available for purchases of or contributions made to an account in a pre-paid tuition program or a college savings program established by the Commonwealth. The deduction is capped at \$1,000 for a single person, married filing separate, or head of household and \$2,000 for a married couple filing a joint return. The deduction is subject to recapture in the taxable year or years in which distributions or refunds are made from the tuition or college savings account for any reason other than:

- To pay qualified higher education expenses, as defined by IRC § 529(e)(3); or
- The beneficiary's death, disability or receipt of a scholarship.

Nonresidents. Multiply the allowable amount, not to exceed the capped amount based on filing status, by Form 1-NR/PY, line 14g and enter the result in Schedule Y, line 18a.

Part-year residents. Multiply the allowable amount, not to exceed the capped amount based on filing status, by Form 1-NR/PY, line 3 and enter the result in Schedule Y, line 18a.

Enter the allowable amount on Schedule Y, line 18. For more information, see TIR 16-15.

Line 18b. Student Loan Repayment Assistance Deduction

A deduction is available for employer-provided student loan repayment assistance to the extent not already excluded from federal gross income. Employer-provided student loan repayment assistance is the employer's payment of an employee's principal or interest on a qualified education loan, as defined in IRC § 221. Employees enter on line 18b the amount of such employer-provided student loan repayment assistance that exceeds \$5,250.

Long-Term Capital Gains and Losses Excluding Collectibles

You must complete Massachusetts Schedule D if you had long-term gains or losses from the sale or exchange of capital assets or from similar transactions which are granted capital gain or loss treatment on your U.S. return, or if you had capital gain distributions. If you did not file U.S. Schedule D but are reporting capital gain distributions on U.S. Form 1040, line 7a, you must complete Massachusetts Schedule D (see line 6 instructions). Include gains from all property, wherever located. Long-term capital gains are gains on the sale or exchange of capital assets that have been held for more than one year on the date of the sale or exchange. Long-term capital losses are losses on the sale or exchange of capital assets that have been held for more than one year on the date of the sale or exchange.

The law defines capital gain income as gain from the sale or exchange of a capital asset. The definition of capital asset includes:

- An asset which is a capital asset under IRC § 1221; or
- Property that is used in a trade or business within the meaning of IRC § 1231(b) without regard to the holding period as defined in said § 1231(b).

For a detailed explanation of the law, see DOR's Regulation on Capital Gains and Losses at 830 CMR 62.4.1.

Differences

Significant differences between the U.S. and Massachusetts capital gain provisions are:

- IRC § 1244 losses reported as ordinary losses on your U.S. return must be reported on Massachusetts Schedule D;
- If you made a federal election under § 311 of the Tax Relief Act of 1997 to recognize gain on the deemed sale of a capital asset held on January 1, 2001, Massachusetts does not follow the federal rules at § 311 for determining the basis of the asset. See TIR 02-3. If you sold a capital asset in 2025 for which you made a federal § 311 election, the Massachusetts initial basis will not be the federal basis. The Massachusetts initial basis will be determined as of the date the asset was first acquired;

- Upon the sale of stock of an S corporation, the federal basis must be modified according to 830 CMR 62.17A.1; and

- Massachusetts has adopted basis adjustment rules to take into account differences between Massachusetts and federal tax laws. For more information regarding basis adjustment rules, see TIR 88-7.

Net ordinary losses that are itemized deductions on U.S. Schedule A are not allowable.

Installment Sales

If a sale was treated as an installment sale for U.S. income tax purposes, it may be treated the same way on your Massachusetts income tax return. Gains from pre-1996 installment sales are classified as either capital gains or ordinary income under the Massachusetts law in effect on the date the sale or exchange took place.

Gains from pre-1996 installment sales that are classified as capital gains should be reported as 12% income on Massachusetts Schedule B. If the asset was held for more than one year when it was sold, the gain will be eligible for a 50% long-term deduction. Gains from pre-1996 installment sales that are classified as capital gains included on Massachusetts Schedule D, line 4 should be reported on Massachusetts Schedule D, line 12 (Long-term gains on collectibles and pre-1996 installment sales). The amount of such gain is then reported on Massachusetts Schedule B, Part 2, line 11.

Gains from pre-1996 installment sales classified as ordinary income and that are included on Massachusetts Schedule D, line 4 should be reported on Massachusetts Schedule D, line 10 (Differences). The amount of such gain classified as ordinary income should then be reported on Form 1-NR/PY, line 11 (Other income) and included on Schedule X, line 4 and identified as 2025 gain from pre-1996 installment sale.

Note: If you are reporting an installment sale occurring on or after January 1, 2003, report those gains on Schedule D. If you are reporting capital gains on installment sales that occurred during January 1, 1996 through December 31, 2002, do not file Schedule D. Instead, you must file Schedule D-IS, Installment Sales. Schedule D-IS can be obtained on DOR's website at mass.gov/dor.

Effective for sales on or after January 1, 2005, if you wish to report a sale on your Massachusetts return as an installment sale and the Massachusetts gain is \$1 million or greater, you must apply in writing to DOR's Installment Sales Unit. See TIR 04-28. The Commissioner of Revenue must approve your application to report the sale on the installment basis in Massachusetts before you file your return, and appropriate security must

be posted. An explanatory statement must be enclosed with each return for the life of the installment sale. For further information contact the Installment Sales Unit at (617) 887-6950.

Exclusion of Gains from the Sale of Qualified Small Business (QSB) Stock or Reduced Capital Gains Tax Rate for Gains from the Sale of Stock in Certain Massachusetts-Based Start-Up Corporations

Massachusetts excludes from gross income 100% of gain on sales or exchanges of qualified small business (QSB) stock held for more than 5 years to the same extent as allowed under IRC § 1202, as amended and in effect on January 1, 2024. The exclusion applies to gain on QSB stock acquired on or after September 27, 2010. See TIR 23-5 for more information.

Note: Massachusetts does not conform to the expansion of the exclusion made by Public Law 119-21. See Working Draft TIR: Massachusetts Conformity to Certain Provisions in Public Law No. 119-21.

In addition, gains derived from the sale of investments in small businesses which do not qualify for the above exclusion may be eligible for a reduced tax rate of 3%. In order to qualify for the 3% rate, investments must have been made within five years of the corporation's date of incorporation and must be in stock that generally satisfies the definition of QSB stock under IRC § 1202 (c), other than the requirement that the stock be stock of a C corporation. In addition, the stock must be held for three years or more and the investments must be in a corporation which:

- Is domiciled in Massachusetts;
- Is incorporated on or after January 1, 2011;
- Has less than \$50 million in assets at the time of investment; and
- Complies with applicable portions of the active business requirements of § 1202 of the IRC, i.e., §§ 1202 (e)(1), (e)(2), (e)(5), and (e)(6).

Note: If you are reporting a sale of stock in a certain Massachusetts-based start-up corporation(s), do not file Schedule D. Instead, you must report that gain(s) on Schedule D-IS, Installment Sales or qualified small business stock gains. Schedule D-IS can be obtained on DOR's website at mass.gov/dor.

Substituting U.S. Schedule C

Profit or Loss from Business or Profession

Massachusetts Schedule C is provided to report income and deductions from each business or profession operated as a sole proprietorship.

If your business deductions, excluding the Abandoned Building Renovation Deduction, exceed Schedule C income and any other income taxable at the 5.0% rate, such excess deductions may be subtracted from the other income that is effectively connected with the active conduct of your trade or business and any other income allowed under IRC § 469(d)(1)(B) to offset losses from passive activities. To compute the excess trade or business deductions use Massachusetts Schedule C-2. This form is available by visiting mass.gov/dor, or you may have one mailed to you by calling (617) 887-6367.

Registration Information

In the space provided, describe the business or professional activity that provided your principal source of income reported on line 1. If you owned more than one business, you must complete a separate Schedule C for each business. Give the general field or activity and the type of product or service.

Employer Identification Number

You need an Employer Identification number (EIN) only if you had a Keogh plan, were required to file an employment, excise, estate, trust, or alcohol, tobacco and firearms tax return or employ contract labor. If you do not have an EIN, leave the line blank. Do not enter your Social Security number.

Accounting Method

If you filed a return on the accrual basis last year, your return for this year must be on the same basis. If a taxpayer requesting permission to change an accounting method for Massachusetts purposes is eligible for an automatic change of accounting method federally, and has correctly followed the most recently issued federal revenue procedure for requesting an automatic change, then the taxpayer should file his/her annual return using the new method and write at the top, "Automatic Change of Accounting Method — filed in compliance with DD 02-13." The taxpayer should enclose a copy of U.S. Form 3115, together with any required statements. See DD 02-13 for further information. Enter your statutory employee income from box 1 of Form W-2 on line 1a of Schedule C and fill in the oval. Statutory employees include full-time life insurance agents, certain agent or commission drivers and traveling salespersons and certain homeworkers. If you had both self-employment income and statutory employee income, do not combine these amounts on a single Schedule C. In this case, you must file separate Schedule Cs.

Interest (other than from Massachusetts banks) and Dividend Income

If you have interest (other than from Massachusetts banks) and dividend income reported on U.S. Schedule C, lines 1 and/or 6, fill in the oval and enter that amount in the space provided and in Massachusetts Schedule B, line 3. Do not include such amounts on Massachusetts Schedule C, lines 1 and/or 4. If you are not required to file Schedule B (see Schedule B instructions), enter this income on Form 1-NR/PY, line 24. Examples of interest (other than from Massachusetts banks) and dividend income are interest received on loans, notes receivable or charge accounts that you accept in the ordinary course of business, and dividends on stocks received in payment for goods and services. Capital gains from the sale or exchange of assets used in your business are not reported on Schedule C. Use U.S. Form 4797 and report the amount in Form 1-NR/PY, Schedule B and/or Schedule D. You must also exclude from Schedule C any income and expenses that pertain to activities for yourself as distinguished from those performed for your customers. Such income must be reported by class of income in Schedules B and D. Personal expenses are not deductible.

Line 1a. Gross Receipts or Sales

In the boxes provided, enter gross receipts or sales from your business. Be sure to include on this line amounts you received in your trade or business as shown on Form 1099-MISC, Miscellaneous Income. If the nature of your business is such that you have gross or other income that is interest (other than from Massachusetts banks) and dividend income, exclude this income from lines 1 and 4 on Massachusetts Schedule C and include it in the space provided and in Schedule B, line 3.

Note: To determine if you need to file Schedule B, refer to the Schedule B instructions in this booklet.

Line 4. Other Income

If you received bartering income, you must report the fair market value of goods or services received in payment for your goods and services in line 4. Do not include interest income (other than from Massachusetts banks) and dividends here.

Line 7. Bad Debts From Sales or Services

Include debts and partial debts from sales or services that were included in income and are definitely known to be worthless. If you later collect a debt that you deducted as a bad debt, include it as income in the year collected.

Note: Cash method taxpayers cannot take a bad debt deduction unless the amount was previously included in income.

Line 9. Commissions, Fees and Contract Labor**Line 9a. Commissions and Fees**

Enter the total commissions and fees for the tax year. Do not include commissions or fees that are capitalized or deducted elsewhere on your return.

Line 9b. Contract Labor

Enter the total cost of contract labor for the tax year. Contract labor includes payments to persons you do not treat as employees (for example, independent contractors) for services performed for your trade or business. Do not include contract labor deducted elsewhere on your return, such as contract labor included on line 15, 19, 25, or Schedule C-1, line 3. Also, do not include salaries and wages paid to your employees; instead, see Line 25, later.

Line 11. Depreciation and § 179 Deduction

Line 17. Pension and Profit-Sharing Plans

Enter your deduction for contributions to a pension, profit-sharing or annuity plan, or plans for the benefit of your employees. If the plan includes you as a self-employed person, do not include

contributions made as an employer on your behalf. See DD 08-3 for more information.

Line 22. Travel

Enter your expenses for lodging and transportation connected with overnight travel for business while away from your tax home. Generally, your tax home is your main place of business regardless of where you maintain your family home. You cannot deduct expenses paid or incurred in connection with employment away from home if that period of employment exceeds one year. Spouse's and other family members' travel expenses are generally disallowed as a business deduction.

Do not include expenses for meals and entertainment on this line. Instead, see the instructions for lines 23a and 23b.

Line 23. Deductible Meals

Your deductible business meal expenses are a percentage of your actual business meal expenses. Include meals while traveling away from home for business. Instead of the actual cost of your meals while traveling away from home, you may use the standard meal allowance. Business meal expenses are deductible only if they are:

- Directly related to or associated with the conduct of your trade or business;
- Not lavish or extravagant; and
- Incurred while you or your employee is present at the meal.

Generally, you may deduct only 50% of your business meal expenses, including meals incurred while traveling away from home on business.

Business meals are 100% deductible if:

- The meals and incidentals are furnished or reimbursed to an employee if you properly treat the expense as wages subject to withholding; and
- The meals and incidentals are provided to a nonemployee to the extent the expenses are includible in the gross income of that person and reported on Form 1099-NEC.

For individuals subject to the Department of Transportation (DOT) hours of service limits, the percentage is 80% of business meals consumed during, or incident to, any period of duty for which those limits are in effect.

Daycare providers can deduct 100% of the actual cost of food consumed by daycare recipients.

Providers who qualify as family daycare providers may use the standard meal and snack rates to compute their deductible meals and snacks.

Figure how much of your business meal expenses are subject to limitations, add that amount to your fully deductible meals amount and enter the result in line 23 of Massachusetts Schedule C.

Schedule C, line 23 **Line 26. Other Expenses****Ordinary and Necessary Business Expense Deductions Available for Licensed Massachusetts Marijuana Businesses**

IRC § 280E prohibits marijuana businesses from deducting expenses and claiming tax credits for federal tax purposes. Effective for taxable years beginning on or after January 1, 2023, Massachusetts decoupled from the IRC § 280E deduction disallowance with respect to licensed marijuana businesses only. As a result, for Massachusetts tax purposes, a licensed Massachusetts marijuana business can deduct ordinary and necessary business expenses that would otherwise be disallowed under IRC § 280E.

These ordinary and necessary trade or business expenses should be reported on Schedule C, Line 26 "Other expenses."

Line 30. Abandoned Building Renovation Deduction

Massachusetts allows businesses to deduct 10% of the costs incurred in renovating certain buildings located in an Economic Opportunity Area (EOA). The buildings must be designated as abandoned by the Economic Assistance Coordinating Council. The renovation deduction may be taken in addition to any other deduction for which the renovation costs may qualify. For more information, contact the Massachusetts Office of Business Development by calling (617) 973-8600.

In line 30 enter 10% of the costs of renovating a qualifying abandoned building.

Line 32. Deductible Loss.

If line 31 is a loss do not enter the loss in line 32 until you have applied the at-risk rules and the passive-activity loss rules. (For the at-risk rules, see instructions for line 33. For the passive-activity loss rules, see instructions for U.S. Form 8582.) The amount on line 32 will be your deductible loss; note that it might be smaller than the line 31 loss.

Line 33. If You Have a Loss

Fill in the oval in line 33a if all of your investment is at risk. Enter your loss from line 31 on line 32. If you did not fill in the oval to this question, complete a pro forma copy of U.S. Form 8582 that re-

flects only income being reported on your Massachusetts return. Enter in Massachusetts Schedule C, line 32 your allowable loss calculated on Form 8582.

Fill in the oval in line 33b if only some of your investment is at risk. To determine the amount of your allowable loss, complete a pro forma copy of U.S. Form 6198 that reflects only income being reported on your Massachusetts return. Enter the amount calculated on U.S. Form 6198 in line 32. If you did not materially participate in the operation of this business, your loss is further limited. Use the amounts calculated on your pro forma U.S. Form 6198 to complete a pro forma U.S. Form 8582. If your at-risk amount is 0 or less, enter 0 in line 32.

Line 35. Total Profit or Loss.

If line 31 is a profit enter the amount from line 34. If line 31 is a loss enter the amount from line 32.

Line 36. Allowable Prior-Year Suspended Passive-Activity Losses

If your gross income is more than your expenses and you do not have prior-year unallowed passive-activity losses (PAL), enter 0 in line 36.

If your gross income is more than your expenses and you have prior-year unallowed PAL, calculate the amount of Massachusetts prior-year unallowed PAL claimable for this activity. Use a pro forma version of U.S. Form 8582 to calculate the amount of eligible Massachusetts prior-year unallowed PAL. If you are claiming prior-year PAL, enter the amount of those allowable prior-year suspended PAL you are applying in line 36.

Schedule CMS

Be sure to enclose with Form 1-NR/PY.

Credit Manager Schedule

You must complete Schedule CMS to claim most credits available for use in the current taxable year (the Child under age 13, Dependent member(s) of household under 12, Earned Income, Limited Income and Circuit Breaker Tax credits are claimed directly on the tax return). Credits may be used to offset a tax due, may be passed or shared with another person or entity, or, in some cases credits may be fully or partially refundable.

For each credit claimed on a Schedule CMS, report the amount of the credit available for use and the amount of credit claimed to reduce tax for the current taxable year. For pass-through entities, report the amount of credit distributed to partners/shareholders/beneficiaries in the credit shared column. Taxpayers also report the amount of a refundable credit they are using to request a refund of tax. See the Credit Manager Schedule Instructions for more information on how to complete the Schedule CMS and claim the credits.

Credits reported on the Schedule CMS are generally identified either by a certificate number assigned by the issuing agency (which may be the Department of Revenue) or by the tax period end date in which the credit originated. If a credit has been assigned a certificate number, the certificate number must be included on the Schedule CMS. A taxpayer that does not include an assigned certificate number on the Schedule CMS will not be allowed the credit on the tax return and will have their tax liability adjusted by the Department of Revenue. Be sure to omit hyphens, spaces, decimals and other special symbols when entering the certificate number. Also, enter the number from left to right.

Likewise, a taxpayer that is required to complete a separate schedule to claim a credit must include the separate schedule with the taxpayer's return filing. Failure to do so may result in the credit being disallowed.

If, by operation of MGL ch 63, § 32C or another provision of law, a credit normally identified by tax period end date is eligible for indefinite carryover, the credit should be reported as "non-expiring" and identification of the tax period of origin is not necessary.

Overview of Schedule CMS

The following is a brief overview of the Schedule CMS sections and where certain credits should be reported. If a taxpayer is using a credit to reduce a taxpayer's current year tax liability, whether it is a non-refundable credit or a refundable credit, the credit should be reported in Section 1 or 3 of the Schedule CMS. Only a refundable credit that the taxpayer is seeking a refund for should be reported in either Section 2 or 4 of the Schedule CMS. Generally, a credit should only be reported in one section on the Schedule CMS unless a portion of it is being used to offset a tax and a portion is being refunded.

Section 1. Non-Refundable Credits

Section 1 is for reporting credits the taxpayer is using (i) to offset or reduce the taxpayer's total tax due (ii) to pass to any partner, shareholder or beneficiary of the taxpayer or (iii) to share with taxpayer affiliates. The Brownfields Credit, Film Incentive Credit, or Medical Device Credit should always be included in Section 1, unless the taxpayer is requesting a refund of the Film Incentive Credit. However, a taxpayer that received a credit on a Massachusetts K-1 schedule from a pass-through entity or a credit transfer should report such credit in Section 3 or 4, as applicable.

Section 2. Refundable Credits

Section 2 is for reporting refundable credits the taxpayer is using to request a refund. The Film Incentive Credit should always be included in Section 2 to the extent that the taxpayer is requesting a refund. However, a taxpayer that received a refundable credit on a Massachusetts K-1 from a pass-through entity or a credit transfer should report such credit in Section 4, to the extent that the

taxpayer is requesting a refund. For each refundable credit, report the amount of the credit available after taking into consideration any amount of the credits that may have been taken to offset a tax or shared as reported in Section 1 of this schedule. Enter the amount by which the available credit balance is being reduced and the amount to be treated as a refundable credit, which may be either 90% or 100% of the reduction. See TIR 13-6, Example 3, for an illustration.

Section 3. Non-Refundable Credits Received from Massachusetts K-1 Schedules

Section 3 is for reporting credits the taxpayer received on a Massachusetts K-1 schedule (SK-1, 2K-1 or 3K-1) that the taxpayer is using (i) to offset or reduce the taxpayer's total tax due (ii) to pass to any partner, shareholder or beneficiary of the taxpayer or (iii) to share with taxpayer affiliates. The Brownfields Credit, Film Incentive Credit, or Medical Device Credit should never be included in Section 3.

Note: You do not report the Brownfields Credit, Film Incentive Credit, and Medical Device Credit in this section because these credits are issued new certificate numbers from the Department of Revenue when they are received from a pass-through entity or a credit transfer. These credits should always be reported in Section 1, unless the taxpayer is requesting a refund of the Film Incentive Credit.

Section 4. Refundable Credits Received from Massachusetts K-1 Schedules

Section 4 is for reporting credits the taxpayer received on a Massachusetts K-1 schedule (SK-1, 2K-1 or 3K-1) and that the taxpayer is using to re-

quest a refund. The Film Incentive Credit should never be included in Section 4. For each refundable credit, report the amount of the credit available after taking into consideration any amount of the credits that may have been used to offset a tax or shared as reported in Section 3 of this schedule. Enter the amount by which the available credit balance is being reduced and the amount to be treated as a refundable credit, which may be either 90% or 100% of the reduction. See TIR 13-6, Example 3, for an illustration.

Note: You do not report the refundable Film Incentive Credit in this section because these credits are issued new certificate numbers from the Department of Revenue when they are received from a pass-through entity or a credit transfer. If the taxpayer is requesting a refund of the Film Incentive Credit, it should be reported in Section 2.

Credit Table

The Credit Table located at the end of these instructions lists all of the Massachusetts credit types with their respective attributes. Credits that may be available to a taxpayer subject to tax under MGL ch 62 must be claimed on Schedule CMS. The taxpayer should refer to this table for guidance when completing Schedule CMS.

In Example 2, the taxpayer is an individual filing a return for the taxable year ending December 31, 2025 and has an available Septic Credit of \$18,000 in the current year. The individual taxpayer must also enclose a Schedule SC. The individual should file Part 1 of the Schedule CMS to reflect a claimed credit of \$4,000 (Schedule SC, line 13).

DRAFT AS OF NOVEMBER 26, 2025.

2025 Massachusetts Income Tax Table at the 5.0% Rate

Use this table to calculate tax for taxable 5.0% income (line 21) of not more than \$24,000

Line 26 instructions: To find your **tax on 5.0% income** (line 26), read down the tax table income column to the line containing the amount you entered in line 25. Then read across to the **TAX** column and enter this amount in line 26. If your taxable 5.0% income in line 25 is greater than \$24,000, multiply the amount by .05. Enter the result in line 26.

If your 5.0% income for the tax table is less than \$10, your tax is 0. Note: If choosing the optional 5.85% tax rate, multiply line 25 and the amount in Schedule D, line 21 by .0585.

A Special Message from Revenue Commissioner Geoffrey E. Snyder

I hope you find this Form 1-NR/PY booklet helpful in preparing your taxes. When you are ready to file, I encourage you to consider e-filing instead of submitting a paper return. There are several benefits to e-filing your tax return, including using approved tax software and hiring a tax preparer.

Here are some advantages of e-filing:

- You will receive a faster refund compared to a return filed on paper.
- Automatic corrections provide a more accurate return.
- Enhanced security features protect your e-filed tax return.
- If you owe taxes, you can set up an online payment plan and choose a payment date, saving you a trip to the post office.

Additionally, free e-filing options are available for qualifying taxpayers at mass.gov/efile.

Last year, nearly 95% of Massachusetts taxpayers chose to e-file. This tax season, I hope that e-filing becomes your first choice.

Sincerely,

Commissioner Geoffrey E. Snyder
