Filing Due Dates

Massachusetts General Laws (MGL) ch. 62C, §§ 11 and 12 require C corporations to file their corporate excise returns on or before the 15th day of the fourth month following the close of each taxable year.

The due date for S corporation tax returns is the 15th day of the third month following the close of each taxable year. For more information, see Technical Information Release (TIR) 17-5.

Massachusetts Credits

Several new credits are available. In addition, certain existing credits have been revised. These are discussed in detail in TIR 24-16 and TIR 25-5.

New Climatetech Tax Incentive Program:

The Climatetech Tax incentive program adds three new credits for eligible expenses incurred by climatetech companies in developing and deploying technologies aimed at mitigating or adapting to climate change. The credit takes effect for tax years beginning on or after January 1, 2024. A climatetech company must be certified as such by the Massachusetts clean energy technology center ("CEC").

The program provides for the following credits:

- The Climatetech Incentive Jobs Credit is awarded in an amount determined by CEC (in consultation with the Department of Revenue) to climatetech companies that create at least five new jobs in the climatetech sector. The credit is available to both corporate excise and personal income tax filers.
- The Climatetech Capital Investment Credit is awarded in an amount, determined by CEC, up to fifty percent of a climatetech company's investment in a climatetech facility.
- The Climatetech Qualified Research Expenses Credit is awarded at the discretion of CEC in an amount equal to the sum of (i) 10% of the excess of qualified research expenses for the taxable year, over a base amount, and (ii) 15% of the basic research payments as determined for federal tax purposes.

See TIR 25-5, Section I, for a more detailed discussion of the credits, including eligibility, refundability, carryover of unused credits, and limitations on the credits

New Live Theater Credit

The Live Theater Credit is available for costs incurred in presenting certain live theater productions in Massachusetts. The credit is equal to the sum of (i) 35% of a theater company's total in-state payroll costs, (ii) 25% of its total in-state production and performance expenditures, and (iii) 25% of its total in-state transportation expenses. The Massachusetts Office of Business Development awards the credit based on applications submitted by theater companies. The credit is transferable but is not refundable. Unused credit may be carried forward for five years. The credit is available for tax years beginning on or after January 1, 2025, and will expire on January 1, 2030. For additional information see TIR 25-5, Section II.

New Homeownership Credit

The Homeownership Credit is available to real estate developers that build certain new housing units. The credit is awarded in an amount determined by the Massachusetts Housing Finance Agency based on applications submitted by developers. The credit is transferable but not refundable. The credit is available for tax years beginning on or after January 1, 2025. For additional information, including eligibility rules, see TIR 24-16, Section II.

New Qualified Conversion Credit

The Qualified Conversion Credit is available to real estate developers that convert existing commercial property to residential or mixed use. The credit is awarded in an amount determined by the Executive Office of Housing and Livable Communities based on applications submitted by developers. The credit cannot exceed 10% of a developer's costs. The credit is transferable but not refundable. The credit is available for tax years beginning on or after January 1, 2024, and expires on January 1, 2030. For additional information see TIR 24-16, Section III.

Other Credits

Certain existing credits have been revised by recent legislation. These revisions expand the availability of the following credits for the tax years indicated:

- Community Investment Credit (effective for tax years beginning on or after January 1, 2025);
- Economic Development Incentive Program Credit (effective for credits awarded on or after November 20, 2024);
- Historic Rehabilitation Credit (effective for tax years beginning on or after January 1, 2024);
- Life Sciences Tax Incentive Program (effective for tax years beginning on or after January 1, 2024);

► Research Credit (effective for research expenses incurred on or after November 20, 2024);

► Offshore Wind Investment Tax Credit (effective retroactively for tax years beginning on or after January 1, 2023); and

► Offshore Wind Jobs Tax Credit (effective retroactively for tax years beginning on or after January 1, 2023).

For additional information see TIR 24-16 Sections IV and V and TIR 25-5 Sections V through VIII and X through XIII.

Single Sales Factor Apportionment

Effective for tax years beginning on or after January 1, 2025, partnership, corporate excise and financial institution excise filers that apportion their income to Massachusetts must do so by using the sales or receipts factor only. In addition, for such tax years, the computation of the receipts factor for financial institutions has been changed with respect to receipts from investment and trading assets and activities. See TIR 24-4, Section IV.

Note: All filers that apportion their income to Massachusetts must complete the tangible property and payroll sections of their respective apportionment calculations, even if they are basing apportionment solely on the sales or receipts factor.

Federal Conformity

Massachusetts generally conforms to the Internal Revenue Code (IRC or Code) as currently in effect for Massachusetts corporate and financial institution excise purposes. However, in some instances Massachusetts has enacted laws to decouple from the federal law. An example of this is the disallowance of the federal deduction for bonus depreciation (IRC § 168(k)). For more up-to-date and detailed information on tax changes and federal conformity, visit DOR's website at mass.gov/dor.

Federal Tax Law Changes

Federal tax legislation passed in 2025 made a number of changes to the IRC. The Massachusetts corporate excise generally adopts those changes that pertain to the computation of income and deductions, unless Massachusetts enacts laws to decouple from the federal law. See TIR 25-XX for a discussion of the effect of the federal legislation on the corporate excise and financial institution excise.

Line 32

NEW - Schedule 63-WH: Massachusetts Corporate Excise Withholding

A taxpayer that is a corporation, pass-through entity or other organization subject to MGL Chapter 63 must complete and submit Schedule 63-WH with their tax return to report withholding of Massachusetts corporate excise. All withholding amounts reported to the taxpayer must be entered on the schedule (including forms 1099, Schedules K-1, W-2G and NRW and other forms or schedules that include withholding of Massachusetts corporate excise). If the taxpayer is a member of one or more lower-tier entities and amounts were withheld for the taxpayer by one or more of such lower-tier entities, the taxpayer should indicate how much of the total amount withheld was allocated to it, along with the payer name and identification number of each lower-tier entity.

Include on line 32 the total excise withheld as reported on Schedule 63-WH, line 14 from all forms, schedules or other sources. Enclose Schedule 63-WH and all attached forms, schedules or other sources of withholding with your return.

Note: Failure to submit Schedule 63-WH and all pertinent forms or schedules may delay processing of your return.

Can an Ocean Marine Corporation Obtain an Extension of Time to File?

Form 63-29A filers will receive an automatic six-month extension of time to file Form 63-29A provided they meet certain payment requirements.

DOR has adopted an automated process for extensions of time to file tax returns for corporate excise taxpayers, as part of the MassTaxConnect system. Consistent with current rules, ocean marine corporations meeting certain payment requirements will be given an automatic six-month extension. For further information, see TIR 15-15.

Note: An extension of time to file is not valid if the corporation fails to pay at least 50% of the total tax liability or the minimum tax of \$456, which ever is greater, through estimated payments or with an extension payment.

Any tax not paid on or before the due date — without regard to the extension — shall be subject to an interest charge.

What Is a Valid Return?

A valid return is one upon which all required amounts have been entered for all of the appropriate items on the form. Data sheets, accounting forms, or other documents may be attached to explain these amounts. **Note:** An exact copy of the taxpayer's federal tax return (including all applicable schedules and any other documentation required to substantiate entries made on this return) **must** be submitted along with Form 63-29A.

If a copy of the taxpayer's federal tax return is unavailable at the time of filing Form 63-29A because the taxpayer has requested an extension of time to file their federal tax return, the taxpayer must instead submit a copy of their application for extension. An exact copy of U.S. Form 1120, including all applicable schedules and any other documentation required to substantiate entries made on this return, must be made available to DOR upon request.

To expedite processing of your return, you may wish to include all supporting schedules with your return.

DOR requires that the Exhibit of Premiums and Losses (Statutory Page 14) for direct business in the state of Massachusetts be included with the return.

When Are Estimated Tax Payments Required?

Any taxpayer which reasonably estimates its excise to be in excess of \$1,000 for the taxable year is required to make estimated tax payments to the Commonwealth. Estimated payments must be made in quarterly installments of 40%, 25%, 25% and 10% of the estimated annual tax liability.

Note: New corporations in their first full taxable year with less than 10 employees have different estimated payment percentages — 30%, 25%, 25% and 20% respectively.

Corporations that underpay, or fail to pay, their estimated taxes may incur an additional penalty on the amount of the underpayment for the period of the underpayment. Form M-2220, Underpayment of Massachusetts Estimated Tax by Corporations, is used to compute the additional charge.

Any corporation having \$1 million or more of federal taxable income in any of its three preceding taxable years (as defined in IRC § 6655(g)) may only use its prior year's tax liability to calculate its

DRAFT AS OF SEPTEMBER 30, 2025.

SUBJECT TO CHANGE⁵

first quarterly estimated tax payment. Any reduction in the first installment payment that results from using this method must be added to the second installment payment.

A company that claims the exception to the underpayment penalty of equaling the prior year's tax liability must provide federal tax returns (front page only) for the three preceding taxable years to verify that federal taxable income is less than \$1 million.

Note: Any insurance company required to file more than one type of excise return must also file separate estimated payments since each type of tax is governed by a different section of the Massachusetts General Laws.

For more information on corporate estimated taxes, refer to MGL ch 63B.

What Are the Penalties for Late Returns?

Ocean marine returns which are not filed on or before the due date are subject to interest and penalty charges. The penalty for failure to pay the total payment due with this form is 1% of the balance due per month (or fraction thereof), up to a maximum of 25% of the tax reported as due on the return. A late payment penalty does not apply to amended returns when the amount shown on the original return was paid.

The penalty for failure to file a return by the due date is 1% of the balance due per month (or fraction thereof), up to a maximum of 25%.

Any tax not paid on or before the due date — without regard to the extension — is subject to interest.

Filing an Amended Return

Supporting Statement Required. If you are filing an amended return for any reason you **must** attach a statement to the amended return with an explanation of why you are filing the amended return, including the basis for submitting it.

If you need to change a line item on your return, complete a return with the corrected information and fill in the **Amended return** oval. An amended return can be filed to either increase or decrease your tax. Generally, an amended return must be filed within three years of the date that your original return was filed. Electronic filing requirements apply to amended returns and disputes. See TIR 21-9 for further information.

Federal Changes

If this is an amended Massachusetts return and it does not report changes that result from the filing of a federal amended return or from a federal audit (e.g., if the amended Massachusetts return is reporting only a change in the apportionment calculation or an additional tax credit), fill in only the **Amended return** oval. If this is an amended return

that includes changes you have reported on an amended federal return filed with the IRS for the same tax year, fill in both the **Amended return** oval and the **Amended return due to federal change** oval. If the amended Massachusetts return incorporates changes that are the result of an IRS audit, enclose a complete copy of the federal audit report and supporting schedules. If your amended return is being submitted due to an IRS BBA Partnership Audit then fill in the **Amended return due to IRS BBA Partnership Audit** oval.

Schedule DRE. Disclosure of Disregarded Entity

A corporation doing business in Massachusetts (including through the means of activities conducted by a disregarded entity that such corporation owns) and that is also the owner of a disregarded entity for any portion of the taxable year for which a return is being filed must identify each such disregarded entity by filing Schedule DRE with its return. A separate Schedule DRE is required for each such disregarded entity.

Massachusetts Schedule FCI. Foreign Corporation Income

Fill in the oval and enclose Schedule FCI (Foreign Corporation Income) if the corporation is required to complete and file Schedule FCI with Form 63-29A. All taxpayers with foreign corporation income (including GILTI income) must complete Schedule FCI. Detailed instructions for completing Schedule FCI are available on DOR's website. See Schedule FCI and Instructions.

Enclosing Schedule TDS. Inconsistent Filing Position Penalty

Fill in the oval and enclose Schedule TDS, Taxpayer Disclosure Statement, if you are disclosing any inconsistent filing positions. Schedule TDS is available on our website at mass.gov/dor. The inconsistent filing position penalty (see TIR 06-5, section IV) applies to taxpayers that take an inconsistent position in reporting income. These taxpayers must disclose the inconsistency when filing their Massachusetts return. If such inconsistency is not disclosed, the taxpayer will be subject to a penalty equal to the amount of tax attributable to the inconsistency. This penalty is in addition to any other penalties that may apply.

A taxpayer is deemed to have taken an inconsistent position when the taxpayer pays less tax in Massachusetts based upon an interpretation of Massachusetts law that differs from the position taken by the taxpayer in another state where the taxpayer files a return and the governing law in that other state is the same in all material respects as the Massachusetts law. The Commissioner may waive or abate the penalty if the inconsistency or failure to disclose was attributable to reasonable cause and not willful neglect.

Federal Change to Prior Year Taxable Income

Fill in the oval if the federal government has changed your taxable income for any prior year which has not yet been reported to Massachusetts.

Consent to Extend the Time to Act on an Amended Return treated as Abatement Application

In certain instances, an amended return showing a reduction of tax may be treated by DOR as an abatement application. Under such circumstances, by filing an amended return, you are giving your consent for the Commissioner of Revenue to act upon the abatement application after six months from the date of filing. See TIR 16-11. You may withdraw such consent at any time by contacting the DOR in writing. If consent is withdrawn, any requested reduction in tax will be deemed denied either at the expiration of six months from the date of filing or the date consent is withdrawn, whichever is later.

Filing an Application for Abatement

File an Application for Abatement, Form ABT, only to dispute one of the following:

- ▶ Penalties
- ▶ Audit assessments
- ▶ Responsible person determinations

Ocean marine corporations are required to file a dispute online at mass.gov/masstaxconnect.

Visit mass.gov/info-details/amend-your-tax-return-or-request-an-abatement-of-tax for additional information about filing an application for abatement.

Are There Special Tax Credits Available in Massachusetts?

Yes. Massachusetts offers several special credits to corporations.

Schedule CMS: Tax Credits

Financial institutions, insurance companies, business corporations, and other taxpayers subject to tax under MGL ch 63 may be eligible for certain tax credits in Massachusetts. Credits may be used to offset a tax due, may be passed or shared with another person or entity, or, in some cases credits may be fully or partially refundable. MGL ch 63 taxpayers with credits available for use in the current taxable year must file a Schedule CMS to claim most credits.

For each credit claimed on a Schedule CMS, report the amount of the credit available for use and the amount of credit claimed to reduce tax for the current taxable year. For pass-through entities, report the amount of credit distributed to partners/shareholders/beneficiaries in the credit shared column. Taxpayers also report the amount of a re-

DRAFT AS OF SEPTEMBER 30, 2025.

SUBJECT TO CHANGE⁶

fundable credit they are using to request a refund of tax. See the Credit Manager Schedule Instructions for more information on how to complete the Schedule CMS and claim the credits.

Credits reported on the Schedule CMS are generally identified either by a certificate number assigned by the issuing agency (which may be the DOR) or by the tax period end date in which the credit originated. If a credit has been assigned a certificate number, the certificate number must be included on the Schedule CMS. A taxpayer that does not include an assigned certificate number on the Schedule CMS will not be allowed the credit on the tax return and will have their tax liability adjusted by the DOR. Be sure to omit hyphens, spaces, decimals and other special symbols when entering the certificate number. Also, enter the number from left to right.

Likewise, a taxpayer that is required to complete a separate schedule to claim a credit must include the separate schedule with the taxpayer's return filing. Failure to do so may result in the credit being disallowed.

If, by operation of MGL ch 63, § 32C or another tax period end date is eligible for indefinite carry-over, the credit should be reported as "non-expiring" and identification of the tax period of origin is not necessary.

Overview of Schedule CMS

The following is a brief overview of the Schedule CMS sections and where certain credits should be reported. If a taxpayer is using a credit to reduce a taxpayer's current year tax liability, whether it is a non-refundable credit or a refundable credit, the credit should be reported in Section 1 or 3 of the Schedule CMS. Only a refundable credit that the taxpayer is seeking a refund for should be reported in either Section 2 or 4 of the Schedule CMS. Generally, a credit should only be reported in one section on the Schedule CMS unless a portion of it is being used to offset a tax and a portion is being refunded.

For Sections 1 or 3, a credit identified by period end date eligible for indefinite or unlimited carry-over under MGL ch 63 § 32C (or other provision of law) should be reported as "non-expiring" and the period end date or certificate number should be left blank.

Note: Taxpayers reporting "non-expiring" credits must enclose a statement with their return indicating credits converted to non-expiring in a manner consistent with their Schedule CMS "non-expiring" credit reporting.

Section 1. Non-Refundable Credits

Section 1 is for reporting credits the taxpayer is using (i) to offset or reduce the taxpayer's total tax due (ii) to pass to any partner, shareholder or beneficiary of the taxpayer or (iii) to share with taxpayer affiliates. The Brownfields Credit, Film Incentive Credit, or Medical Device Credit should always be included in Section 1, unless the taxpayer is requesting a refund of the Film Incentive Credit. However, a taxpayer that received a credit on a Massachusetts K-1 schedule from a pass-through entity or a credit transfer should report such credit in Section 3 or 4, as applicable.

Section 2. Refundable Credits

Section 2 is for reporting refundable credits the taxpayer is using to request a refund. The Film Incentive Credit should always be included in Section 2 to the extent that the taxpayer is requesting a refund. However, a taxpayer that received a refundable credit on a Massachusetts K-1 from a pass-through entity or a credit transfer should report such credit in Section 4, to the extent that the taxpayer is requesting a refund. For each refundable credit, report the amount of the credit available after taking into consideration any amount of the credits that may have been taken to offset a tax or shared as reported in Section 1 of this schedule. Enter the amount by which the available credit balance is being reduced and the amount to be treated as a refundable credit, which may be either 90% or 100% of the reduction. See TIR 13-6, Example 3, for an illustration.

Section 3. Non-Refundable Credits Received from Massachusetts K-1 Schedules

Section 3 is for reporting credits the taxpayer received on a Massachusetts K-1 schedule (SK-1, 2K-1 or 3K-1) that the taxpayer is using (i) to offset or reduce the taxpayer's total tax due (ii) to pass to any partner, shareholder or beneficiary of the taxpayer or (iii) to share with taxpayer affiliates. The Brownfields Credit, Film Incentive Credit, or Medical Device Credit should never be included in Section 3.

Note: Do not report the Brownfields Credit, Film Incentive Credit, and Medical Device Credit in this section because these credits are issued new certificate numbers from the DOR when they are received from a pass-through entity or a credit transfer. These credits should always be reported in Section 1, unless the taxpayer is requesting a refund of the Film Incentive Credit.

Section 4. Refundable Credits Received from Massachusetts K-1 Schedules

Section 4 is for reporting credits the taxpayer received on a Massachusetts K-1 schedule (SK-1, 2K-1 or 3K-1) and that the taxpayer is using to request a refund. The Film Incentive Credit should never be included in Section 4. For each refundable credit, report the amount of the credit available after taking into consideration any amount of the credits that may have been used to offset a tax or shared as reported in Section 3 of this schedule. Enter the amount by which the available credit balance is being reduced and the amount to be treated as a refundable credit, which may be either 90% or 100% of the reduction. See TIR 13-6, Example 3, for an illustration.

Note: Do not report the refundable Film Incentive Credit in this section because these credits are issued new certificate numbers from the DOR when they are received from a pass-through entity or a credit transfer. If the taxpayer is requesting a refund of the Film Incentive Credit, it should be reported in Section 2.

Credit Table

The Credit Table located at the end of these instructions lists all of the Massachusetts credit types with their respective attributes. Credits that may be available to a taxpayer subject to tax under MGL ch 63 must be claimed on Schedule CMS. The taxpayer should refer to this table for guidance when completing Schedule CMS.

To report claimed tax credits, enter the tax credit certificate number (if applicable) and the amount of credit claimed along with the designated credit code on Schedule CMS.

For additional information regarding tax credits that may be available to a taxpayer subject to tax under MGL ch 63 go to the Business Tax Credits web page on DOR's website at mass.gov/dor.

Credit Recapture Schedule

The Credit Recapture Schedule (Schedule CRS) lists each credit for which a recapture calculation must be made.

Certain Massachusetts tax credits are subject to recapture as specified in the statute authorizing the credit (e.g. the investment tax credit is subject to recapture under MGL ch 63, § 31A(e) if an asset for which the credit was taken is disposed of before the end of its useful life). Recapture may also be triggered if the corporation no longer qualifies for the credit (as when a manufacturing corporation ceases to qualify as such or a corporation's

DRAFT AS OF SEPTEMBER 30, 2025.

SUBJECT TO CHANGE⁷

status as a Life Sciences Company is terminated as discussed in TIR 13-6.)

If a recapture calculation is required, the amount of the credit allowed is redetermined and the reduction in the amount of credit allowable is recaptured to the extent the credit was taken or used in a prior year. See DD 89-7. Taxpayers who have a recapture calculation must complete this schedule whether or not a recapture tax is determined to be due.

For credits tracked by certificate numbers, enter each certificate number and the associated credits separately. For credits not tracked by certificate number, enter credits separately by type and the year to which they relate. List only those credits and certificate numbers or tax years for which a reduction in the credit is being calculated.

For more information and examples, see Schedule CRS instructions.

Declaration

The completed return must be signed by the treasurer or assistant treasurer or, in their absence or incapacity, by any other principal corporate officer. If you are filing as an authorized delegate of the appropriate corporate officer enclose a copy of Massachusetts Form M-2848, Power of Attorney with the return. Form M-2848 should be uploaded through MassTaxConnect or electronically filed using other authorized software.

Paid Preparer Authorization

If you want to allow the DOR to discuss your 2025 business tax return with the paid preparer who

signed it, fill in the Yes oval in the signature area of the form at the bottom of page 1. This authorization applies only to the individual whose signature appears in the paid preparer section of your return. It does not apply to the firm (if any) shown in that section. If you fill in the Yes oval you are authorizing DOR to call the paid preparer to answer any questions that may arise during the processing of your return. You are also authorizing the paid preparer to:

- ▶ Give DOR any information that is missing from your return;
- ▶ Call DOR for information about the processing of your return or the status of your refund or payment(s); and
- ▶ Respond to certain DOR notices that you have shared with the preparer about math errors, offsets and return preparation. The notices will not be sent to the preparer.

You are not authorizing the paid preparer to receive any refund check, to bind you to anything (including any additional tax liability) or otherwise represent you before DOR. If you want to expand the paid preparer's authorization, see Form M-2848, Power of Attorney and Declaration of Representative. Form M-2848 is available at mass.gov/dor.

This authorization will automatically end no later than the due date (without regard to extensions) for filing your 2026 tax return. If you wish to revoke this authorization, you can do so by submitting a signed statement to the DOR listing the

name and address of each representative whose authority is being revoked.

Note: Certified life sciences companies with a Research Credit exceeding the amount of credit that may be claimed under MGL ch 63, § 38M for a taxable year may, to the extent authorized under the Life Sciences Tax Incentive Program, elect to make 90% of the balance of remaining credits refundable. See MGL ch 63, § 38M(j).
