2025 Schedule FCI Instructions

Note: Taxpayers must refer to their specific Massachusetts tax return instructions to ensure that amounts reported on Schedule FCI are correctly reflected on their tax returns.

The Tax Cuts and Jobs Act (TCJA) was enacted by the federal government in December of 2017. The TCJA has a number of Massachusetts tax implications for business and individual taxpayers. These are, among others, inclusion of deemed repatriation income, GILTI and Massachusetts income adjustments for disallowed federal deductions (including the Internal Revenue Code (IRC) § 245A participation exemption deduction for foreign source dividends and the IRC § 250 deduction from GILTI and Foreign-Derived Intangible Income (FDII)). This income is also subject to the dividend gross-up rules set out in IRC § 78 which must be reflected in amounts reported by the taxpayer in its respective business or personal income tax return.

For tax years beginning on or after January 1, 2018, certain business taxpayers and personal income taxpayers were required to file Massachusetts Schedule FCI (Foreign Corporation Income of U.S. Shareholder) with their tax returns to report the pro rata share of foreign corporation income reported for federal tax purposes.

For a more detailed explanation see TIR 19-11: Legislation Impacting the Massachusetts Tax Treatment of Selected International Provisions of the Federal Tax Cuts and Jobs Act.

Submit Federal Forms with Schedule FCI

In addition to completing and submitting Schedule FCI, taxpayers must also provide completed copies of the following 2025 U.S. tax forms (or their equivalents) as filed with all counterparts, supporting schedules and statements in the same manner as required for federal tax purposes:

- Form 5471 (Information Return of U.S. Persons with Respect to Certain Foreign Corporations);
- Form 8992 (U.S. Shareholder Calculation of Global Intangible Low-Taxed Income (GILTI));
- Schedule B (Form 8992) (Calculation of GILTI for Members of a U.S. Consolidated Group Who Are U.S. Shareholders of a CFC)
- Form 8993 (Section 250 Deduction for Foreign-Derived Intangible Income (FDII) and Global Intangible Low-Taxed Income (GILTI));
- Schedule K-2 (Shareholders Pro Rata/Partners' Distributive Share Items-International);
- Schedule K-3 (Shareholders Pro Rata/Partners' Share of Income, Deductions, Credits, etc. International); and
- Any other related or equivalent U.S. form, schedule or statement

Note: Submission of U.S. forms and schedules with Schedule FCI constitutes part of the taxpayer's Massachusetts tax return reporting and overall filing requirements.

General Information

Who must file Schedule FCI?

Schedule FCI must be completed and filed with the tax return of any Massachusetts taxpayer who, for federal tax purposes, is a U.S. shareholder of any controlled foreign corporation (CFC) or specified foreign corporation (SFC) as such are defined in the IRC. Schedule FCI must be completed and filed when a taxpayer has a legal requirement to file and report income and deductions attributable to CFCs or SFCs on certain specified U.S. tax forms. The taxpayer must provide completed copies of these U.S. forms with Schedule FCI and their Massachusetts tax return. See "Submit Federal Forms with Schedule FCI" above.

Specific Reporting Instructions

The scope of reporting on Schedule FCI includes U.S. shareholder and foreign corporation information and income and deductions attributable to CFCs and SFCs. Taxpayers that are members of a Massachusetts combined group must also report total dividends received and deductions claimed for both U.S. and foreign dividend sources.

Registration Information

The taxpayer must enter beginning and ending dates of its taxable year on the top portion of the schedule. The taxpayer must report U.S. shareholder and foreign corporation information as provided on U.S. Form 5471 and on other related U.S. forms that must be submitted by the taxpayer with Schedule FCI (see "Submit Federal Forms with Schedule FCI" above).

U.S. shareholders are generally required to report aggregate inclusion amounts for federal tax purposes and to complete a separate U.S. Form 5471 for each applicable foreign corporation. Thus, a number of forms 5471 may be filed by a single U.S. shareholder. To address this, Schedule FCI requires that the taxpayer report the total number of foreign corporations from which the taxpayer is reporting income and deductions. All forms 5471 relating to such foreign corporations must be provided with Schedule FCI.

A U.S. shareholder that is a business corporation or financial institution must also indicate whether it is a member of a combined group on its Schedule FCI. If it is, the taxpayer must indicate its combined group election status, the name and TIN of the principle reporting corporation of the combined group, and whether any controlled foreign corporation (CFC) or specified foreign corporation (SFC) reported on Schedule FCI is a member of the same combined group as the taxpayer.

Completing Schedule FCI

In addition to completing the top portion of the schedule, all taxpayers must complete the section entitled **U.S. Shareholder Foreign Income**. A U.S. shareholder that is a Massachusetts combined group member must also complete the section entitled **Total Dividends of U.S. Shareholder - Massachusetts Combined Group Member**.

See TIR 19-11: Legislation Impacting the Massachusetts Tax Treatment of Selected International Provisions of the Federal Tax Cuts and Jobs Act for specific details.

Total Dividends of U.S. Shareholder – Massachusetts Combined Group Member

Note: Only a U.S. shareholder that is a business corporation or financial institution and a member of a Massachusetts combined group must complete this section.

A U.S. shareholder that is a member of a Massachusetts combined group must report total dividend income and deductions on Schedule FCI for the 2025 tax year. See TIR 19-11, Section V.
