A letter from District 1 Hazmat Technician Scott Breen of Stoughton Fire Department requesting his stipend. He is currently out on sick leave. Jack McCarthy made a motion to allow him to receive a stipend for what he missed. Timothy Vamosi seconded the motion. Discussion: He has been very involved when off duty. Would be from here forward or just this one time? Chief Kelleher Norfolk voted favorably for his IOD retirement. Clarification on stipend amount of \$2500 for the first half of the Fiscal Year. Roll call taken, unanimous vote.

▶c. Discuss Boston Marathon Planning

The Hazmat office is covering the Marathon the same as it has in the past.

▶ d. Discuss Homeland Security Demonstration Visit

On Thursday we had a visit with MSP, FBI, WMD, Civil Support Team, Hazmat, and JHIRT. Try to have the visit once a year to show where the funds are going to and the capabilities it gives us. Timothy Vamosi was in attendance and thanks his colleagues and all others in attendance. The event went well, and everyone was professional.

▶ e. Discuss Moodle

Hazmat uses D4H for incident reporting and equipment reporting. It lacks the capacity to offer training courses. The Moodle system allows a variety of learning capabilities and job aid resources.

Agenda Item #4 Old Business:

▶ a. Discuss the Academy Hazardous Materials courses.

Director DiGregorio states we just completed the Hazardous Materials Technician 25B course last Friday. The team can fill spots right away with this course completion. It has been successful having current Technicians teaching the course. The way the classes are taught has improved tremendously. Do they have to be approved by the district? Yes, they must apply and be appointed after taking the course. The only team that has not had an opportunity to send Technicians is District 5. Looking to have the next course in Springfield. How many classes are

we anticipating going forward? We are hearing 2 classes a year. If they are not selected right away there will be 4-6 refresher courses a year.

Agenda Item #5 Any matters not reasonably anticipated by the Chair:

Will we be staying in this format going forward? Until July 15, 2022, the meeting format is up to the chair. Members support the virtual meetings.
