

MassDEP Drinking Water PFAS MCL Stakeholder Group: Invited Organizations

American Chemistry Council
Clean Water Action
Conservation Law Foundation
Independent Testing Lab Association
MA Department of Public Health
Massachusetts Health Officers Association
Massachusetts Municipal Association
Mass Water Resources Authority
Mass Water Works Association
Rural Community Assistance Program
Silent Spring Institute
Toxics Action Center
GreenCAPE
Westfield Residents Advocating For Themselves (WRAFT)

Note: All PFAS MCL Stakeholder Meetings will be open to the public. MassDEP will notify a broad list of interested parties to attend the meetings in person or to observe via live-stream. MassDEP's broad stakeholder list includes all parties that engaged with the agency as part of the CLF/TAC Petition for PFAS Rulemaking, representatives from each Massachusetts PWS with PFAS detections, and others.
