

Bay State Correctional Center

28 Clark Street, Norfolk

Number of Buildings:	18
Security Levels	Medium
Total Facility Square Footage:	219,117 GSF
Year Opened:	1977

The original stone façade building opened in 1977 as a minimum facility for 72 inmates. There have been two subsequent expansions; one in the 1980's expanded the main building and a second in the early 1900's converting the facility to medium security by adding a perimeter fence and three Type II modular wood structures – gatehouse, visiting building and a 2 story housing unit. All food services are provided in the main dining room.
