**PETITION FOR LATE INTERVENTION AND**  
**REQUEST FOR INCLUSION ON THE SERVICE LIST**

NOW BEFORE THE DEPARTMENT OF TELECOMMUNICATIONS AND CABLE, comes Network Communications International Corp. ("NCIC"), 607 East Whaley, Longview, Texas 75601, who respectfully submits this Petition for Intervention and Request for Inclusion on the Service List in accordance with 220 C.M.R. 1.03 of the Massachusetts Public Service Commission.

1.

NCIC is an authorized provider of resold interexchange telecommunications and operator services in Massachusetts and licensed by the Federal Communications Commission.

2.

Massachusetts Department of Telecommunications and Cable initiated this case status telephonic conference to discuss the effect the FCC's Order regulation of intrastate/interstate prison telephone rates and ancillary fees.

3.

NCIC submits this motion requesting approval for intervention in order to have the opportunity to participate in the discussion regarding the items at hand. NCIC has significant

interest in any proceeding that will determine the rules and regulations of prison telephone communication systems in Massachusetts, and believes that its intervention will promote the public interest. NCIC has been a bold supporter of inmate telephone reform nationwide, providing guidance and education to regulators in many states as to the myriad of hidden fees charged by inmate phone providers. We feel NCIC's experience will help provide a transparent explanation of the benefits of fair and reasonable rates and fees to both inmates without impacting the budgets of the jails.

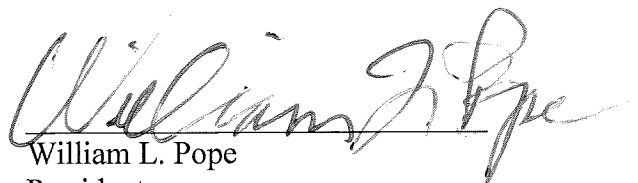

4.

NCIC seeks to intervene and participate in this docket as a full party intervenor. Any rulings, decisions, regulations and orders adopted by the Commission in this docket may impact the current and potential business and operations of NCIC in this State.

5.

WHEREFORE, NCIC respectfully requests that it be granted full intervenor status in this proceeding and be placed on the Official Service List and provided copies of all filings, notices, pleadings, comments and interventions filed, and prior notice of any and all hearings and proceedings which may be set in this matter.

Respectfully submitted,
