CARRIER IN THE STATE OF MASSACHUSETTS FOR THE LIMITED PURPOSE OF
OFFERING WIRELESS SERVICE TO QUALIFIED HOUSEHOLDS**

On January 7, 2013, Telrite Corporation d/b/a Life Wireless (“Telrite” or the “Company”) pursuant to the Federal Communications Act of 1934, as amended (the “Act”), 47 U.S.C. § 214(e) and implementing rules of the Federal Communications Commission (“FCC”), filed with the Massachusetts Department of Public Utilities (the “Department”) its Application requesting designation as an Eligible Telecommunications Carrier (“ETC”) in portions of the State of Massachusetts (the “Service Area”) for the purpose of receiving federal low-income universal service support for prepaid wireless services, specifically Lifeline. Also pursuant to your request dated February 25, 2013, an electronic copy of the application is being file in Word format.

WHEREFORE, premises considered, having demonstrated herein that Telrite satisfies all the conditions of eligibility necessary for designation as an ETC in Massachusetts, and having shown that the public and universal service interests of the telecommunications consumers of the State of Massachusetts will be properly served, Telrite respectfully requests that the Department promptly grant this Application and designate Telrite Corporation d/b/a Life Wireless as a wireless eligible telecommunications carrier.

Respectfully Submitted,
