Petition for Leave to Intervene

TO THE SECRETARY OF THE DEPARTMENT
(by e-mail to dtc.eiling@state.ma.us):

Pursuant to 801 C.M.R. 1.01(9), the Town of Somerset by and through its issuing authority, the Board of Selectmen, represented by its Cable Advisory Committee, hereby requests leave of the Division to intervene as a party to the above-captioned rate hearing. As reason, the Town states that it is the issuing authority for the current license held by Comcast Cable Communications, LLC, in Somerset, which is the only cable television franchise presently licensed and operating in the Town of Somerset, and consequently the Town and its citizens will be substantially and specifically affected by the results of said proceedings.

Respectfully submitted,
TOWN OF SOMERSET,
By its CABLE ADVISORY COMMITTEE,

John Clorite, Chairman
