FCC Form 1240

D.T.C. – RR - 1-1 Indicate when WASA – Estrella began broadcasting, and whether Charter began carrying WASA – Estrella due to the broadcaster exercising its must carry rights or some other contractual agreement.

Response: *Person providing the response: Melissa Robinson, Senior Regulatory Analyst*

Charter began carriage of WASA-Estrella on February 19, 2013. The station/signal is carried pursuant to a contractual agreement between Charter and Liberman Broadcasting, Inc. Carriage of the station is for a term through October 15, 2014 with Charter having the right to extend the term of carriage through October 15, 2017.

FCC Form 1240

D.T.C. – RR - 1-2 Indicate whether Charter added the “Cool TV” channel to its lineup as a result of a contractual obligation with channel WWLP.

Response: *Person providing the response: Melissa Robinson, Senior Regulatory Analyst*

Charter no longer carries WWLP-CoolTV (a multicast channel of WWLP) on its cable systems. Initially, the carriage began October 27, 2010 pursuant to a contractual obligation between Charter and Lin Television Corporation. The contractual agreement was renegotiated between the parties with a term through June 30, 2015. However, WWLP, on its own volition stopped broadcast of CoolTV on or about July 15, 2013 and that is the date in which Charter discontinued carriage of such signal.

FCC Form 1205

D.T.C. – RR - 1-3 Provide a spread sheet comparing Charter’s current and previous FCC Form 1205 calculations for “Step A. Hourly Service Charge” lines 5, 6, and 7.

a. Given the normal fluctuations in the underlying values that comprise lines 5 and 6, explain how Charter’s “Hourly Service Charge” can remain almost unchanged.

b. State whether Charter has a policy to keep its Hourly Service Charge constant.

Response: *Person providing the response: Melissa Robinson, Senior Regulatory Analyst*

Step A. Hourly Service Charge	YE 2012	YE 2011	Change	% Change
1.Total Capital Costs of Installation and Maintenance [Schedule A, Box 1]	\$410,198,507.65	\$368,073,001.06	\$42,125,506.59	11.44%
2.Total Annual Operating Expenses for Installation and Maintenance [Schedule B, Box 2]	\$536,849,654.99	\$506,347,727.00	\$30,501,927.99	6.02%
3.Total Capital Costs and Operating Expenses for Installation and Maintenance	\$947,048,162.63	\$874,420,728.06	\$72,627,434.58	8.31%
4.Customer Equipment and Installation Percentage	0.3898	0.4220	(0.03)	-7.63%
5.Annual Customer Equipment Maintenance and Installation Costs, Excluding Costs of Leased Equipment	\$369,159,373.79	\$369,005,547.24	\$153,826.55	0.04%
6.Total Labor Hours for Maintenance and Installation of Customer Equipment and Services	\$8,736,401.00	\$8,742,099.00	(\$5,698.00)	-0.07%
7.Hourly Service Charge (HSC) (Line 5/Line 6)	\$42.26	\$42.21	\$0.05	0.11%

a. The fact we are so comparable year over year can only be a coincidence.

b. The company has always made great efforts to control our costs, but there is nothing that is done in a policy.

Charter Communications Docket No. DTC 13-8

FCC Form 1205

D.T.C. – RR - 1-4 Explain the difference between the \$6.99 charge for Standard Digital or HD or DVR/HD Receiver, Remote & Interactive Guide Services on Charter’s TV Select, Silver, or Gold subscriptions, and the \$6.99 stand-alone charge for Interactive Guide Services for Charter’s Basic, Expanded or Digital Home subscribers.

Response: *Person providing the response: Melissa Robinson, Senior Regulatory Analyst*

For customers subscribing to the traditional Basic Service tier or Basic + Expanded Service tiers, current leased equipment pricing is \$0 for an SD receiver and \$5.00 for an HD/DVR receiver. There is an additional \$6.99 charge for the accompanying Interactive Guide Services.

For the Digital Home package, the 1st SD receiver and accompanying IGS are included in the initial package rate at no additional charge. However, if a Digital Home customer is interested in additional connections, that Digital Home customer would pay the applicable retail equipment rate (i.e., \$0 for an SD receiver and \$5.00 for an HD/DVR receiver) and \$6.99 for the accompanying IGS on each additional outlet.

In contrast to the Digital Home package, for Charter Select/Silver/Gold packages, we do not include either a receiver or IGS in the initial package price, but we have established a \$6.99 fee that encompasses *both* the IGS and either an SD, HD or DVR receiver.

FCC Form 1205

D.T.C. – RR - 1-5 Explain the difference between Charter’s Digital Home and TV Select packages including differences in channel guide services and lineup.

Response: *Person providing the response: Melissa Robinson, Senior Regulatory Analyst*

Channel Lineups may vary between communities. See attached examples. Note that the TV Select package includes several programming services not included in the Digital Home Package in the same community. The Digital Home package includes the 1st SD receiver and accompanying IGS. Additional receivers and IGS are available to Digital Home customers as described above. For Charter TV Select/Silver/Gold, the customer pays a \$6.99 fee for each receiver (regardless of whether SD, HD or DVR) and accompanying IGS.
