Re: DTC Docket No. 17-5 -- Charter Communications ("Charter") - Revised Form 1240 Filings

Dear Ms. Green:

Attached please find Charter's revised Form 1240 filings for the following communities: Brookfield, Carlton, Dudley, East Brookfield and West Brookfield. Charter respectfully requests that the Department consider these revised Form 1240 filings, rather than the original filings, for these five communities. Upon recent review of the original filings for these five communities, Charter self-identified a reporting error in Worksheet 8. The original filings inadvertently reported the wrong "actual rate" from Feb 2017 – Sept 2017. This mistake is corrected in the revised filings.

For the Department's convenience, the chart below summarizes the impact of correcting for this inadvertent reporting error. The chart demonstrates that the 2018 "actual" rate now under review remains *less* than the revised MPR for four of the five affected communities. Charter anticipates the Department approving these rates at the culmination of this proceeding. For West Brookfield, however, the revised Form 1240 identifies a modest monthly overcharge of \$0.66. Rather than undertaking a mid-year rate adjustment and refund, Charter respectfully requests that it be allowed to maintain the status quo and implement a special true-up in its 2019 filings. This brief delay will minimize disruptive bill changes to cable customers and the associated operational burdens to Charter. Moreover, the requested accommodation is consistent with Department precedent. Accordingly, Charter asks the Department to permit it to "refund" the \$0.66 overcharge through its next filed Form 1240 for West Brookfield.

H The Secure Connection Fee covers those measures Spectrum employs to manage and secure the connection between Spectrum's system and the Spectrum receiver and other devices Subscriber uses to access Spectrum's services.

* Not all channels are available in HD.

All charges exclude applicable taxes, FCC fees, state cost-recovery fee, franchise fees and the Broadcast TV Service charge. Public, Educational, Government Access Channel availability may vary by community.

CableCARD customers subscribing to any service package in which Charter-leased equipment is included in the package price, may receive a discounted price, reduced by an amount equal to (greater than) the fee for such equipment not leased from Charter.
